SOCIETY By W. Clements...

(Continued from fifth page.)

The recital to be given this fall by David Bispham, the noted baritone, will be without a doubt the chief musical event of the ante-winter season in musical circles. A great deal of interest is taken by both musicians and others in this city in this event, which will be a recital better than any that have been given in this city for several seasons. The recital will be given on October nineteenth in the Coliseum, and from all indications, will be the "treat" of the year in a musical way. The program that Mr. Bispham will deliver will be one of unusual excellent features, and the numbers that will be chosen will be those especially suitable for Mr. Bispham's voice. Mr. Bispham uses his voice, a rich organ, with great flexibility, and has made a reputation as one of the very finest singers in this country. His coming to this city will be an unusual happening, and Richmond musical people will take advantage of his coming.

A large number of parties are being arranged for the Bispham recital and several members of various clubs will form small companies to attend.

The dancing season of the winter will open this evening, the first dancing party being given in the I. O. O. F. hall at nine o'clock by Mrs. Chas. Kolp, after the first lesson to the dancing class.

The event is of considerable interest and promises to be a very pleasant and enjoyable affair in every way. A large number of dancers will attend this inaugural affair.

This evening at Earlham College, will be given the annual reception to all the students, the affair to take place in Lindley Hall. This reception opening the social season at the college, is an annual affair, and promises to be a very enjoyable one in every way. Features of the evening are talks by members of the faculty and students, and the evening is spent socially.

Mrs. Henry Burns left yesterday for Kansas City, Mo.

A wedding of interest to a circle of relatives residing in and near Richmond is that of Miss Elizabeth Jones and Mr. Charles Karns, which took place at Marion, at the home of the officiating minister, Rev. Bennett. The wedding was attended by relatives from Richmond, who returned home today. Mr. Karns is well known in this city.

The First Presbyterian Missionary Society meets this afternoon at the church parlors. The meeting is particularly a business one, attended by a large number of members of this society.

The Milton C. W. B. M. will give a Chinese tea this evening at the home of Mrs. Warren at Milton. A program of fine features has been prepared.

The Missionary Society of the United Presbyterian church met this afternoon with Mrs. Foster, on south seventh street. Mrs. Griffith, Mrs. Scott and Mrs. Sedgwick have the papers of the afternoon. The program prepared is a very interesting one.

Misses Pearl Cisco, Ada and Geneva Gause of this city, attended a Ladies' Musicales given at the home of the Misses Lamb, at Greensfork. A large company of young people were present at the affair, which was in every way a most delightful one. The program was rendered in a very artistic and finished manner and the numbers were quite well given. Both vocal and instrumental numbers were on the program for the evening. After the program social features were enjoyed by the guests. Light refreshments were served.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Hall's Family Pills are the best.

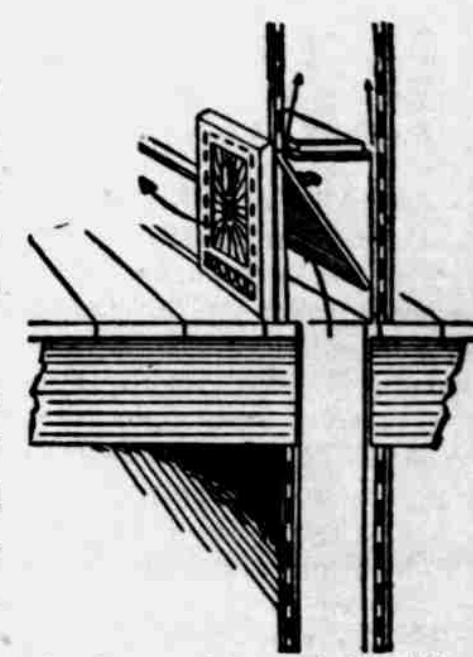

Do you know a tomato when you see one? Yes, when it is outside a bottle of catsup. Most "tomato" catsup is colored with aniline dye, or other artificial coloring matter; nobody would touch the stuff undisguised. Columbia, "The Uncolored Catsup," contains only the red of the perfectly ripe tomato. Lonesome business, but pure catsup.

We Cannot

and we do not try to meet the prices made on cheap furnace installing — it can not be done—nor should our prices be judged by the very lowest bids that can be made on cheap furnace work.

We can demonstrate that we have the best and know how to put them in, if you will call at our place of business whenever you have a few minutes' time.
