NOTHING TO TAKE BACK

How Will Bryan Explain His Hostility to Parker?

William Jennings Bryan has been officially engaged by the Democratic national committee to make speeches in New York, Indiana and other states. The former candidate for the presidency has something of a reputation as an agile political contortionist, but he will have the time of his life explaining his record during the present campaign. Mr. Bryan has been on a good many sides of a good many different questions, and yet he lives to tell the tale. But just how he proposes to advocate the election of Parker is a mystery.

Bryan was opposed to Parker before the convention met at St. Louis. He was opposed to Parker every day during the sessions of that inharmonious gathering. When Parker sent his telegram supplementing the Democratic platform Mr. Bryan rose from a bed of sickness to denounce the nominee as a traitor and a dictator, and his dramatic appearance on that Saturday night was one of the most extraordinary episodes of an extraordinary convention. Bryan lashed Parker and he dared the convention to send a telegram to the nominee demanding his honest opinion on other well-known Democratic principles.

Later on Mr. Bryan, in his own paper, the Commoner, while the events in the convention were fresh before him, openly charged that Judge Parker was a party to a corrupt attempt to deceive the convention and that his nomination had been secured by improper means. It was then that the former candidate for the presidency put himself on record by saying in the Commoner of July 13, less than a week after the nomination: "I have nothing to take back."

It seems a curious thing to find a man who has "nothing to take back," appearing on the stump favoring the election of Alton B. Parker for the presidency. If Mr. Bryan has "nothing to take back," he should in common honesty when he appears on the stump in Indiana and elsewhere, repeat to his audiences exactly what he said in the Commoner of July 13, which was printed exactly one week after the Democratic convention was called to order and only four days after Judge Parker was nominated for the presidency and had sent his telegram repudiating the Democratic platform.

In this issue of the Commoner Mr. Bryan said: "It was a plain and deliberate attempt to deceive the party. The New York platform was vague and purposeful, so, because the advocates of Judge Parker were trying to secure votes from among the people who would have opposed his views had they known them. The nomination was secured, therefore, by crooked and indefensible methods."

As an exhibition of political gymnastics Bryan's campaign speech for Parker ought to be worth going miles to hear. If, as he says, he has "nothing to take back," how will he explain matters to the people? What did he mean when he said in the Commoner: "The nomination of Judge Parker virtually nullifies the anti-trust plank"? Was it true on July 13 that Parker's nomination had been secured "by crooked means"? If it was true then is it not true now?

Mr. Bryan in the Commoner said: "I shall not appeal for votes on the ticket on false grounds." How can he appear on the stump, therefore, and seriously ask the workmen of the country to vote for the Democratic nominee after the Commoner had declared that "The labor plank as prepared by Judge Parker's friends on the subcommittee was a straddling, meaningless plank"?

Was Mr. Bryan lying when he said in his paper: "A Democratic victory will mean very little, if any, progress so long as the party is under control of the Wall street element"?

Perhaps Mr. Bryan can explain away these things. Perhaps he can answer these questions. Perhaps not.

 - Do not move out of your ward or precinct after October 8. If you do you will lose your vote.

REDUCTION OF INTEREST

It Has Aggregated a Vast Amount During Republican Era.

The cancellation of the state's indebtedness to the amount of nearly \$6,000,000 during the present period of Republican control is in itself very gratifying, and it is all the more pleasing when it is taken into account that the annual interest charges are now \$172,135 less than they were when the Republican party assumed control of the state government, as shown by the following statement by years:

Year	Annual Interest	Reduction for Year
1895	\$243,725	
1896	224,225	19,500
1897	200,925	23,000
1898	185,925	15,000
1899	170,565	15,360
1900	156,075	14,490
1901	141,075	15,000
1902	101,565	39,510
1903	87,865	13,700
1904	71,590	16,275

The saving in interest alone amounts to \$172,135 a year, \$14,344.58 a month, \$478.11 a day, \$19.92 a year.

IT MUST BE TRUE

Richmond Readers Must Come to That Conclusion.

It is not the telling of a single case in Richmond, but scores of citizens testify. Endorsement by people you know bears the stamp of truth. The following is one of the public statements made in this locality about Doan's Kidney Pills:

S. F. Thomas, of 203 North Nineteenth street, a member of Company B, 57th Indiana infantry during the civil war says: "I had constant aching pains through my loins; if I made the least move it caused sharp and piercing twinges to pass through my back so that I could hardly endure it and there was difficulty with the kidney secretions. Seeing Doan's Kidney Pills recommended, although all other medicines I tried failed to do any good, I thought they might help me and I got a box at A. G. Luken's drug store and began their use. They quickly relieved me. I never had a remedy to act so promptly and go right to the source of the trouble. My wife also used them with the best satisfaction."

WORMS

"I write to let you know how I appreciate your Cascarets. I commenced taking them last November and took two ten cent boxes and passed a tape worm 14 ft. long. Then I commenced taking them again and Wednesday, April 4th, I passed another tape worm 28 ft. long and over a thousand small worms. Previous to my taking Cascarets I didn't know I had a tape worm. I always had a small appetite."
