

## THE GRAND JURY IS ANNOUNCED

THOSE WHO ARE TO SERVE FOR  
TERM OF COURT

### PETIT JURY IS NOW NAMED

October Session of Court Begins on  
Monday—There Are Many  
Cases.

The grand and petit juries for the October term of the Wayne circuit court have been drawn and the venues of both were announced yesterday.

The grand jury is composed of the following:  
Walter Commons.  
Henry Meyers.  
John Macy.  
Joseph O. Barber.  
Joseph J. Dickinson.

Meeting will be held at Whitewater  
October 30.  
Whitewater, Indiana, is making preparations for one of those best meetings. It will be an old-fashioned gathering of Republicans. The date of the big meeting is October 10 and the hour is 10 o'clock a. m. At that time the Hon. J. Frank Hanly, candidate for governor, will speak, and previous to that time one hour a Republican pole will be raised.

The speaking will take place in the grove. Ample provision has been made for the entertainment of man and beast.

Quite a number of Richmond Republicans will attend.

There will be plenty of good music and a general good time.

### Many Mothers of a Like Opinion.

Mrs. Pilmer, of Cordova, Iowa, says: "One of my children was subject to croup of a severe type, and the giving of Chamberlain's Cough Remedy promptly, always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children." For sale by A. G. Luken & Co., and W. H. Sudhoff, corner fifth and Main streets.

One of nature's remedies; cannot harm the weakest constitution; never fails to cure summer complaints of young or old. Dr. Fowler's Extract of Wild Strawberry.

### GARFIELD NOTES.

Members of the Athletic Association assembled in room 14 yesterday afternoon at the last period to elect the officers for the present term. The officers are as follows:  
President—N. C. Heironimus.  
Treasurer—O. M. Brunson.  
Rec. Secretary—Marguerite Rush.  
Finance Secretary—Mabel Reller.  
Executive Committee—SA—Lucile Townsend, Ben Lawrence.  
SB—Eleanor Chandlee, Raymond Steinkamp.  
7A—Earl Spangler, Charles Clawson.

The boys polo and basket ball teams have been organized. There are enough boys wishing to play to compose four teams of the former and three of the latter.

It has been noticed that the usual policy of the school is again to prevail—the encouragement of as many pupils as possible take the opportunity for exercise afforded by the games and not an effort to limit the participation to those already expert.

## COAL INDUSTRY IS HAMPERED

SHORTAGE OF CARS FOR SHIP-  
MENT OF DOMESTIC COAL

### OVER SUPPLY STEAM COAL

Big Four's Embargo on Sullivan and  
Greene County Fields Still  
Continues.

(By Associated Press.)

Terre Haute, Ind., October 2.—Indiana coal mining industry is peculiarly hampered. There is a shortage of cars for shipment of coal for domestic use on account of the large number of cars on the tracks in large cities loaded with steam coal. There is an oversupply of steam coal, says President Kolsen, of the Indiana Coal Operators' Association, both due to the unusually large output and to the falling off in demand. The Big Four's embargo on coal from the Sullivan and Greene county fields continues. For two weeks no fewer than one hundred cars of coal destined for Indianapolis and the gas belt have been accepted by the Big Four at this point. Several days ago the Big Four took 25 cars of coal from Southern Indiana for the first time in two weeks. The shipment of coal billed to northern cities and eastern cities in Indiana by the Southern Indiana railroad to West Port, its eastern terminal and thence north on the Big Four and the Pennsylvania has been of slight relief. This route is also declared to be unsatisfactory because the charges are heavier than if coal was sent by way of Terre Haute on the Vandalia. However, this route has been taking coal daily from Evansville and Terre Haute and from southern Indiana to Indianapolis and the gas belt.
