"I tried all kinds of blood remedies which failed
to do me any good but I have found the right thing
at last. My face was full of pimples, and black-
heads. After taking Cascarets they all left. I am
continuing the use of them and recommending
them to my friends. I feel fine when I rise in the
morning. Hope to have a chance to recommend
Cascarets."

EXCURSION FOR FARMERS

OCT. 11 TO PURDUE EXPERI-
MENTAL STATION.

TEN THOUSAND DOLLAR BARN

Many Interested in Agriculture Will
Make the Trip.

On Tuesday, October 11, a farm-
ers excursion to Purdue University
at Lafayette will be run from Rich-
mond and every town of importance
in the state. The object of the ex-
cursion is to show everyone interested
in farming the Agricultural experi-
ment station at the University.

The forenoon will be devoted to
an inspection of the work and equip-
ment of the School of Agriculture
and the Experiment station. The
noon hour will be occupied by a bas-
ket dinner on the campus. At 1
o'clock ex-Governor Hoard of Wis-
consin, a speaker of national reputa-
tion, will deliver an address on
"Light vs. Darkness" in Eliza Pow-
ler Hall. After the address visitors
will have an opportunity to inspect
the other buildings and laboratories
of the university.

Those engaged in agriculture will
be particularly interested in the fine
\$10,000 barn which is nearing com-
pletion on the university farm.

Other points of interest will be:
the fields and orchard of the Station,
where a great variety of experiments
with farm crops and fruits are being
conducted, the live stock, including
typical well bred animals of a large
number of breeds, the Dairy labora-
tory with its splendid equipment of
testing apparatus, separators, churns
and other appliances used in the mod-
ern up-to-date dairy, the Soil Phys-
ics, Veterinary and Botanical lab-
oratories, with their special equip-
ment for work along these lines and
the State Chemist's laboratory where
the fertilizer control work is done.

The Central Passenger Association
has granted an open rate of one fare
plus twenty-five cents for the round
trip, from all railway points in the
state, except those from which the
one way fare is less than one dollar
in which case the twenty-five cents
will not be added.

The Special Rate Tickets will be
on sale October 10, 11 and 12, 1904,
and will be good to return until
including October 14, 1904. Tickets
will be good only for continuous pass-
age in each direction.

DEFEATS MIAMI

Ohio State Trims Earlham's Rival 80
to 0 on Saturday.

While Earlham was holding Pur-
due down to the small score of 28 to
0 on Saturday afternoon Ohio State
University beat Earlham's old rivals,
Miami University 80 to 0. By this
score it can be readily seen that Ear-
lham should put it all over Miami this
year as there is no doubt but what
Purdue is in the same class with
Ohio State. Of course, it is early to
begin to figure up the "dope" sheet
but still there is a chance for the
wise ones to figure out a few things.

MORPHINE

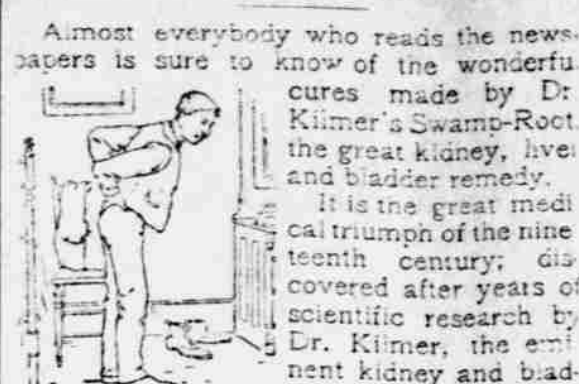

What is to Become of the Constantly
Increasing Number of Drug
Victims?

Can They Be Cured?

This question is agitating the minds
of the best ministers, doctors and
thinking men of today. There are
over a million drug users in the United
States alone, and the number is
rapidly increasing. All unite in say-
ing that a reliable cure is the only
salvation. This is no ordinary dis-
ease and yields to no ordinary drugs
or methods of treatment. We now
offer our treatment which we guaran-
tee will cure any case of Morphine,
Opium, Laudanum, Cocaine or other
drug habit or refund your money. To
any person suffering from this dread-
ful disease we will send a trial pack-
age of our treatment absolutely free.

velopes. Address, Manhattan Thera-
peutic Association, Dep't B, 1135

NOTE HOW WE GROW

BUILDING OF ALL KINDS ON
THE BOOM

OVER FIFTY NEW HOUSES

Built on the West Side Alone—Fall
Work Just Starting Now—
Handsome Residences.

Building of all kinds has been on
the boom in Richmond during the
past year. Over fifty new houses
have been built on the West Side
alone and about the same improve-
ment is noticed in other parts of the
city. Fairview has been very lucky
in this respect. Besides a number of
new residences and small buildings
two new factories have been built in
that section of the city. The new
furniture factory will soon be under
good headway as the concrete founda-
tions have been completed and it
will be but a short time until active
building preparations will start.

The new factory of the Border Bolt
and Lock Nut company is now finish-
ed with the exception of the engine
room, which is now being equipped
with engine and boilers. The switch
from the Pennsylvania railroad is
completed and the railroad company
is building one to the new furniture
factory. It is astonishing the num-
ber of new and handsome residences
which have been built in Richmond
during the past summer and a number
more will be built this fall. Out of
town people claim that Richmond is
the most compactly built town of its
size in the United States.

Fall building is just starting and
the planing mills have contracts for
finished work that will take them
up until the first of the year to com-
plete.

There is more Catarrh in this
section of the country than all other
diseases put together, and until
the last few years was supposed to be
inevitable. For a great many years
doctors pronounced it a local disease
and prescribed local remedies, and
by constantly failing to cure with
local treatment, pronounced it incur-
able. Science has proven catarrh to
be a constitutional disease and there-
fore requires constitutional treat-
ment. Hall's Catarrh Cure, manufac-
tured by F. J. Cheney & Co., Toledo,
O., is the only constitutional cure on
the market. It is taken internally in
dozes from 10 drops to a teaspoonful.
It acts directly on the blood and mu-
cous surfaces of the system. They
offer one hundred dollars for any case
it fails to cure. Send for circulars
and testimonials.
