

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.
Fill a bottle of common glass with your water and let it stand twenty-four hours. A sediment of earthy matter will settle at the bottom. If it stands your urine it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

What to Do.
There is comfort in the knowledge so often expressed that Dr. King's Swamp-Root, the great kidney remedy, will cure you in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It is a powerful diuretic to hold water and excrete it in the urine. It, or bad effects following use of liquor, wine or beer, and overcome that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

WHY RAILROADERS LOST JOBS

LIED ABOUT THEIR AGES TO PENNSYLVANIA

RECENT PENSION SYSTEM

Of the Company Effected by the Incident—A Very Serious Matter.

A determination to enforce strictly the Pennsylvania railroad pension system is the cause of the recent discharge of a number of employees of the company's western lines out of Pittsburg. Speaking of the change and its causes an official of the road said:

"There has been no sweeping discharge, as reports intimate. It was discovered that through misrepresentation some men had been employed who were more than thirty-five years old. They have been discharged, just as a dozen or so men taken on by the Pennsylvania railroad were laid off about a year ago for the same reason."

Under the terms of the pension system on the Pennsylvania railroad "no person who is over thirty-five years of age shall be taken into the service, except in certain specified cases where the interests of the company clearly require it." The board of directors alone can authorize employment of a man who has passed the age limit.

The pension system was adopted by the Pennsylvania in 1899. At seventy every employee of the company from the president down is pensioned.

The Great Pain Destroyer.

The wonderful success of Phen-a-mid Tablets in the curing of pains and aches is owing to the fact that they are founded upon right principles.

It was only after years of patient research by a well known chemist that this logical remedy was discovered. Physicians at once tested it in their practice. It did what was claimed for it—relieved and permanently cured pains and aches. Hundreds of testimonials from well known physicians prove this.

Phen-a-mid Tablets are a household treasure—a valuable thing to have in the house. They are absolutely harmless. They do not depress the heart nor upset the stomach. But they do cure pains and aches by destroying those injurious elements in the blood which cause irritation to the nerves and produce pain. By thus getting right at the root of the trouble, Phen-a-mid has never failed to make a cure.

Used by physicians and in many of the large hospitals throughout the world, Phen-a-mid Tablets are a household treasure—a valuable thing to have in the house. They are absolutely harmless. They do not depress the heart nor upset the stomach. But they do cure pains and aches by destroying those injurious elements in the blood which cause irritation to the nerves and produce pain. By thus getting right at the root of the trouble, Phen-a-mid has never failed to make a cure.

Suffering

Will Not Help Your Disease, but Will Weaken Your Nerves.

Folks who think it is better to bear pain than soothe it—are wrong. Old-fashioned doctors used to say it was better, because they had nothing with which to ease pain but dangerous, heart-paralyzing drugs.

But now, that a safe remedy has been found, Dr. Miles' Anti-Pain Pills, it is wrong to suffer, for nothing can be gained but weakened nerves.

A safe rule to remember is: When in pain, take an Anti-Pain Pill.

This will soothe your quivering nerves. Dr. Miles' Anti-Pain Pills relieve pain by restoring the natural secretions, in which they differ from opium and similar narcotic drugs, which relieve pain by checking the action of the glands.

They are sure and harmless, and are the latest medical treatment for the cure of Headache, Neuralgia, Backache, Rheumatism, Dizziness, Toothache, Stomachache, Menstrual (Monthly) Pains. Also nerve irritations like Sea-Sickness, Car-Sickness, Sleeplessness, Indigestion, etc.

Pleasant to take, quick in results. "I have used Dr. Miles' Anti-Pain Pills for sick, nervous headache, and have received the best results. I heartily recommend their curative properties, for they are successful."—REV. RAY A. WATROS, D. D., Iowa City, Ia. Sold by druggists, at 25c. Money back if first box does not help.
