

### WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhea, Female Weakness, Erythema, or Falling of the Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"I was a great sufferer for six years and doctored all the time with a number of physicians but did not receive any benefit," writes Mrs. George Segden of 641 Bond Street, Saginaw (South) Michigan. "I had given up all hope of ever getting better. I thought I would write to you. When I received your letter telling me what to do I commenced to take your 'Favorite Prescription' and follow your advice. I have taken ten bottles in all, also five vials of the 'Pleasant Pellets.' Am now regular, after having missed two years and suffered with pain in the head and back. I was so nervous, could not eat or sleep. Now I can thank you for my recovery."

Don't hesitate to write to Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., if you want good medical advice from a fully qualified physician as to your personal good health. Such letters are always answered free of charge and confidentially.

A medicine which has outsold all others for women in the past third of a century and being recommended by all those who have used it, is a good remedy to tie to. Dr. Pierce's Favorite Prescription is purely vegetable and does not contain a particle of alcohol to destroy the blood corpuscles and weaken the system. Do not permit the dealer to insult your intelligence by suggesting some other compound which he recommends as "just as good," because he makes it himself.
