The lovers of good clean comedy and Burlesque have a treat in store for them tonight at the New Phillips Theatre. Manager Murray announces the coming engagement of "The Broadway Burlesquers" with its grand array of talent culled from the front ranks of the vaudeville profession, among whom might be named the clever "Seymour Sisters," "The Gardner Trio" who introduce a novel comedy, dancing act, those well known travesty artists "Conley and Milton" burlesque strong men. Miss Lizzie Purell, the prominent female baritone, whose wonderful voice has created a furor both in this country and abroad. Then we have the German Comedy duo, "Ford and Willis," in one of the funniest Dutch acts that has ever been presented on any stage besides this grand Olio, there are presented two side splitting burlesques "Reiley's Reception" and the arrival of J. J. Corbett" in which the entire company are introduced, including a bevy of pretty and shapely girls. The costumes for this production are all especially designed and imported from Paris, everything is bright and new, in fact the show is new in its entirety, neither pains nor expense have been spared to make this one of the leading attractions on the road. A word to the wise is sufficient. If you want to spend a pleasant evening don't miss seeing "The Broadway Burlesquers." Seats can be secured in advance at Nixon's.
