STORIES WISE AND OTHERWISE

William Allen White, author of "Whats The Matter With Kansas" and other literary gems has been cowhided—he is now a full fledged editor. The following is the dispatch that was sent out from Emporia, Kan., regarding the adventure: "Mrs. Delta Meffert, divorced wife of Dr. William Meffert of Emporia, Kan., horsewhipped William Allen White, editor of the Emporia Gazette Thursday night.

Dr. Meffert's license was revoked two years ago for improper conduct. The Supreme court of the United States this week sustained the Kansas court which passed upon the case.

Horsewhip For the Editor

Editor White's paper has been against Meffert and his news stories and editorials lately have included comment about Meffert's divorced wife. Thursday as Mr. White was leaving his office, Mrs. Meffert and a woman friend approached him, and as he stepped aside Mrs. Meffert began striking at him with a whip. White immediately started to run and the whipping was not effective, as only one blow landed.

Foiled Readers by Printing It.

Mr. White printed a short version of the affair in his paper Friday night. The article, written by Mr. White himself, follows:

"Here is an item that you thought would not be in the paper.

"Last evening at dusk, as the editor of the Gazette was starting for home, a few yards from the office door, he met Mrs. Delta Meffert, divorced wife of William Meffert, of whom mention was made in these columns recently. She was accompanied by a lady friend, and as the Gazette man started to pass, Mrs. Meffert pulled from her cloak a small but effective looking whip.

"The editor of this paper side-stepped and, what every true gentleman would do, ran forty yards like a white tailed buck to the office by the back door.

Cannot Box With a Lady.

"That calm, dispassionate communion which a man holds with a situation in the sixteenth part of a second convinced the man in question that when a lady challenges a gentleman to an athletic contest of any kind he cannot win a sparring match with any grace nor be the victor in a wrestling match with a lady with any credit at all.

But Can Run Like a Rabbit.

"But a footrace is one event in the sporting calendar in which any gent may vie his prowess with any lady. And how he did run! Shooting the chutes, leaping the gap, or looping the loop, are clumsy dilatory tactics compared with the way that fat old codger hiked the hike around the back door of this office.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va., says, "I had a severe case of bronchitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by A. G. Luken & Co., druggists. Trial bottles free. Regular sizes 50c and \$1.00.

What The Earth Produces.

The earth has nourished us through unknown ages of human existence. Is it not true that the earth supplies us with everything that we really require for existence? Have you ever thought that it is probable that the earth supplies us with the means to keep our bodies vigorous, our health, if we only knew it? The animals know by instinct what is good for them and will search until they find in some plant what they need for correcting indigestion or constipation, etc. Is it, therefore, not possible that there are roots and herbs supplied by nature which will cure the diseases that afflict human kind? That is why Dr. Pierce, of Buffalo, N. Y., has such faith in his "Medical Discovery," and after the use of nine bottles I was cured. I can heartily recommend the "Golden Medical Discovery" to any one suffering from stomach trouble. My husband was also greatly benefited by its use.

Dr. Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and nutrition and enabling the perfect digestion and assimilation of food from which flesh and strength are made.

"I was all run down, very nervous, and suffered terribly from stomach trouble, which the doctors pronounced indigestion," writes Mrs. Wm. Morey, of Marshall, Mich. "I doctored for a year without permanent relief. Was advised by a friend to try Dr. Pierce's Golden Medical Discovery, and after the use of nine bottles I was cured. I can heartily recommend the 'Golden Medical Discovery' to any one suffering from stomach trouble. My husband was also greatly benefited by its use."
