

Courage is a Matter of the Blood.

Without good red blood a man has a weak heart and poor nerves. Anemia means thinness of blood. It is common in men and young women and all those who work indoors, who do not get enough outdoor air and good oxygen in their lungs. There are too many white blood corpuscles in such cases, and there is often a peculiar sound in the heart, called a murmur, in cases of anemia. This heart murmur is caused by thinness of the blood passing through the heart. The murmur of anemia disappears when the blood regains its natural consistency and richness. It is not heart disease. Sometimes people suffer intense pain over the heart, which is not heart disease, but caused by the stomach. It is the occasion of much anxiety, alarm and suffering, for which its victim is dependent upon reflex disturbances from the stomach caused by indigestion. In the same way many bad coughs are dependent upon these reflex disturbances of what is called the pneumo-gastric nerve. To enrich the blood and increase the red blood corpuscles thereby feeding the nerves on rich red blood and doing away with nervous irritability, take Dr. Pierce's Golden Medical Discovery, which promotes digestion and assimilation of food so that the blood gets its proper supply of nourishment from the stomach. Get as near to nature's way as you can. A medicine made entirely of botanical extracts and which does not contain alcohol is the safest. Dr. Pierce's Golden Medical Discovery contains no alcohol or narcotics. Dr. Pierce's Pleasant Pellets are the best liver pills.

A NEBRASKIAN FOR CABINET

RUMORED D. E. THOMPSON IS TO SUCCEED MR. HITCHCOCK.

AS SECRETARY OF INTERIOR

Mr. Thompson is Now United States Minister to Brazil.

Washington, D. C., Dec. 6.—There is renewed talk here to the effect that some important changes are pending in the President's Cabinet, among which is the early retirement of Secretary of the Interior Hitchcock. It is not the desire of Mr. Roosevelt that Secretary Hitchcock should resign, it is understood, but Mr. Hitchcock is believed to be tired of public life and the great responsibilities attached to his office. If he decides not to resign, it is said that he will be succeeded by the Hon. D. E. Thompson, now United States Minister to Brazil. Mr. Thompson is a resident of Nebraska and a millionaire, having large insurance and gas interests. He was one of the hardest workers in the recent campaign. Even should Mr. Hitchcock be persuaded not to retire, it is said that Mr. Thompson will get an important post possibly the ambassadorship to Mexico, succeeding General Powell Clayton.

Beware of Ointments for Catarrh That Contain Mercury.

Hall's Family Pills are the best. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle.
