

### Courage is a Matter of the Blood.

Without good red blood a man has a weak heart and poor nerves. Anemia means thinness of blood. It is common in men and young women and all those who work indoors, who do not get enough outdoor air and good oxygen in their lungs. There are too many white blood corpuscles in such cases, and there is often a peculiar sound in the heart, called a murmur, in cases of anemia. This heart murmur is caused by thinness of the blood passing through the heart. The murmur of anemia disappears when the blood regains its natural consistency and richness. It is not heart disease. Sometimes people suffer intense pain over the heart, which is not heart disease, but caused by the stomach. It is the occasion of much anxiety, alarm and suffering, for which its victim is dependent upon reflex disturbances from the stomach caused by indigestion. In the same way many bad coughs are dependent upon these reflex disturbances of what is called the pneumogastric nerve. To enrich the blood and increase the red blood corpuscles thereby feeding the nerves on rich red blood and doing away with nervous irritability, take Dr. Pierce's Golden Medical Discovery, which promotes digestion and assimilation of food so that the blood gets its proper supply of nourishment from the stomach. Get as near to nature's way as you can. A medicine made entirely of botanical extracts and which does not contain alcohol is the safest. Dr. Pierce's Golden Medical Discovery contains no alcohol or narcotics. Dr. Pierce's Pleasant Pellets are the best liver pills.

### POLO NOTES

"We are going to fight the Central League," said Manager Joe Fox of the Marion team Wednesday night after the game, "if a polo war is started it means the death of the game. I would like to fight and so would Mr. Henley but at the meeting Wednesday afternoon we decided not to. As things stand now the four clubs in the Western League have the cream of the polo players and if a war was started we would have everything to lose and nothing to gain.

"The press lately has published stories about Kokomo being tampered with by the Western League managers. I'll simply state that the only way Kokomo can ever join our league is in a legitimate manner. If Barnes can come to us and say that he wants to join the Western League and assures us that he has the consent of the other Central League managers to do so then his application will be considered.

"I have been censured by the Indianapolis press for tampering with Nick McGilvary and refusing to let Cohen have John Wiley. I will give you the straight concerning both. I'll admit that before the joint meeting of the leagues last Sunday I went to McGilvary and I told him that the Western League was considering putting me in Indianapolis with a polo club and I asked him to join me. He wanted to know what terms I could offer him and I told him a half interest in the club. Well after the meeting the Western League had another meeting at the Claypool Hotel and it was there decided not to enter Indianapolis. Why? Supposing I did establish a Western League club in that city. Necessarily it would have had to be a strong one and I would have to draw on the other clubs for my team. I would have taken Bone of Richmond, McGilvary, Farrell of Muncie, O'Hara and Bannon. Then I would have challenged the Central League club for a series of three games. But the result would have been the end of polo in the west and besides the other managers would have been reluctant to give up their star players.

"Now about Wiley. Last year I paid \$500 for McGilvary and gave Warner to Indianapolis. This season I was forced to give up Nick to Indianapolis because Cohen was roaring about having a weak team. I couldn't play Warner at Marion because of some unpleasantness and when Lafayette offered to trade Wiley Dawson for him and also to give me first claim on the services of Gavitt I accepted the offer. John Wiley was sixth man on my club and too good a player to play bench. Lafayette regretted the trade and wanted Wiley back but I told them that I would first have to see if any Western League club needed his services. I telephoned Cohen and he asked my price. I told him \$200 and he turned the offer down. Meanwhile Wiley asked me to release him to Lafayette because he could make better money there than at Marion but I told him he would have to wait. Then the manager of the Lafayette club called me up and said that Cohen had offered them Coggeshall for \$500 and wanted to know what kind of player he was. I told them he was not in the same class with Wiley. Shortly afterwards Cohen called me up and offered to pay \$200 for Wiley but I saw the Jew's game and told him he was not on the market at the same price Coggeshall was selling for and Cohen ended the deal by saying that the only proposition he would consider would be for me to get him Farrell of Muncie and I flatly declined to meddle with a player on any other club. I next asked Anderson if they wanted Wiley and was told that they did not then Durbin told me to sell him to Lafayette which I did.

"The day before the meeting where Cohen withdrew from the Western League he sold out to the Central League and he had the nerve to come to this meeting as a Western League franchise holder. After he quit, the Central League managers called us up and wanted to know what we would sell our franchise in Indianapolis for and offered not only to buy it but to continue in the Western League with a strong team.

In other words they tried to 'double cross' Cohen. We refused to sell. How long are a bunch of men going to work together on that basis? The Western League press is with us and if the public will only stand pat and be satisfied to see the same faces every other week but at the same time see the four best teams that were ever organized, we will be satisfied.

### HERE'S WHAT'S WANTED.

**A Citizen of Richmond Supplies the Information.**

Over half the complaints of mankind originate with the kidneys. A slight touch of backache at first, Twinges and shooting pains in the loins follow. They must be checked. They lead to graver complications. The sufferer seeks relief. Plasters are tried, and liniments for the back. So-called kidney cures which do not cure.

The long-looked-for result seems unattainable. If you suffer, do you want relief? Follow the plan adopted by this Richmond citizen. Martin Bulach, tailor, 101 West Second street, says: "I was subject to aching pains through my loins and in my kidneys with a tendency of the muscles to tire quickly. The kidney secretions were frequent, scanty and annoying. I was advised to try Doan's Kidney Pills and got a box at A. G. Luken's drug store. I took but a few doses when I felt their beneficial effects and in a short time my back felt all right. I can recommend Doan's Kidney Pills very highly to anyone suffering from their kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's and take no substitute.

The New Zealand drive begins at Auckland and terminates at the southern end of the south island at Invercargill. Steamer will be taken to Tasmania, and from Hobart a drive of 300 miles will be made. From Melbourne the Australian drive of two thousand miles will be started. ### Neuralgia And Other Pain.

All pain in any disease is nerve pain, the result of a turbulent condition of the nerves. The stabbing, lacerating, darting, burning, agonizing pain that comes from the prominent nerve branches, or sensory nerves, is neuralgia, and is the "big brother" of all the other pains.

Dr. Miles' Anti-Pain Pills rarely ever fail to relieve these pains by soothing these larger nerves, and restoring their tranquility.

Dr. Miles' Anti-Pain Pills leave no bad after-effects, and are a reliable remedy for every kind of pain, such as headache, backache, stomachache, sciatica, rheumatism and neuralgia.

They also relieve Dizziness, Sleeplessness, Nervousness, Car-Sickness, and Distress after eating.

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to obtain any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always cure my headache in five minutes time." FRED R. SWINGLEY, Cashier 1st Nat. Bank, Atkinson, Neb. ### Beware of Ointments for Catarrh That Contain Mercury.

Hall's Family Pills are the best. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
