WEBSTER

Palladium Correspondence:

Webster, Ind., Jan. 8.

The total amount received and donated to the church for the Christmas entertainment was \$6.25, the total amount spent was \$4, and the balance went to Mrs. Viola Wilcoxen, who is the janitor of the M. E. church. The Misses Vennie Whitmer and Grace Overman worked to make the entertainment a success. Mrs. Milton Adkins attended to the candy department.

There will probably be an Epworth League organized in the Sunday school at the M. E. church in the near future.

On account of the stormy condition last Thursday, the Aid Society adjourned to meet again next Thursday afternoon, January 11, at Mrs. Viola Wilcoxen's. New officers are to be elected for the year.

The series of meetings conducted by Mrs. Frances Luter, formerly missionary to Alaska, at the Friends' church will continue the rest of the week. So far the meetings have been a success.

(Palladium Special.)

Indianapolis, Ind., January 8.—John M. McIntyre, a traveling salesman for a Chicago house, while here stated that he spent a part of last summer at Genoa, Italy, with O. A. Baker, of Marion, better known as "Cigarette" Baker, lobbyist for the Tobacco Trust, who fled from Indiana last winter to avoid arrest on the charge of attempting to bribe Representative Baker, of Rochester, to vote against the anti-cigarette bill.

He says he met Baker going over on the steamer and that they became good friends living together at Genoa for several weeks. Baker seemed to be well supplied all the time with money. McIntyre says he did not know who Baker was until he came to Indianapolis.

The Legislature appropriated \$5,000 for the arrest and conviction of Baker, and Sheriff Sourbier, of this county, has a standing reward of \$1,000 for his capture.

CARNegie BEST TIPPER

"Steel Crowd Cheap" Declares

Waiter Who Has Served Many.

Cleveland, O., Jan. 8.—James McLean, a waiter in a Superior street restaurant, tonight talked of the prominent people he had served.

"Served a swell supper for young Rockefeller out at Lake City once," he said. "His bill was something like \$7, and he tipped me 20 cents. His father is somewhat better than that. He is so well known that he has to give big tips or he wouldn't get waited on at all."

"The most of those steel men in Corey's crowd are cheap skates. Don't know what Corey's reputation is, but the rest of them, as a rule, bear a bad name with waiters."

"Carnegie is a prince, though. Saw him give a man \$10 in San Francisco once. The head waiter always gives those men to the big ones on his staff, and the waiter usually divides afterward."

"J. P. Morgan is all right, too. He always tells the waiter to keep the change, no matter how big the bank note may be."

WATER FAMINE

May Result from Suicide in Madison

Reservoir—Factories in Peril.

Madison, Ind., Jan. 8.—The intake pipe of the City Waterworks became clogged with drift Sunday and it can not be reached on account of the high stage of the river. A tramway pump is giving a small supply of water that may fail at any time. Four feet of water in the city reservoir is being held for an emergency. The reservoir was drained because Willie O'Bannon committed suicide by throwing himself into it. Should the tramway pump fail, all the factories in the city will have to close down.

SUFFERED AGONIES FOR FOUR YEARS

Whole Foot Nothing But Proud Flesh — Tried Different Physicians and All Kinds of Ointments — Could Walk Only With Crutches — Ohio Man Says:

"CUTICURA REMEDIES THE BEST ON EARTH"

"In the year 1899 the side of my right foot was cut off from the little toe down to the heel, and the physician who had charge of me was trying to sew up the side of my foot, but with no success. When he found out that wouldn't work, he began trying to heal the wound with all kinds of ointment, until at last my whole foot and way up above my calf was nothing but proud flesh. I suffered untold agonies for four years, and tried different physicians and all kinds of ointments. I could walk only with crutches. It is sixteen months ago since I began using Cuticura Soap and Ointment for my limb and foot. The first two months the Cuticura Remedies did not seem to work, but I kept on using them both. In two weeks afterwards I saw a change in my limb. Then I began using Cuticura Soap and Ointment often during the day and kept it up for seven months, when my limb was healed up just the same as if I never had trouble. It is eight months now since I stopped using Cuticura Remedies, the best on God's earth. I am working at the present day, after five years of suffering. The cost of Cuticura Ointment and Soap was only \$5; but the doctors' bills were more like \$600. You can publish my name and refer any one to write to me about Cuticura Remedies. I will answer all letters if postage is enclosed. John M. Lloyd, 718 S. Arch Ave., Alliance, Ohio, June 27, 1905."
