

OTHER WORLDS.

Our sole knowledge of the people on other worlds and how far the people there differ from our inhabitants, can only be guessed by comparison with animal nature on this small sphere of ours. More important to us is a knowledge of ourselves. "KNOW THYSELF" was an old Greek thought. How to take care of one's own body is not so simple as some think; the human mechanism is a wonderful thing and requires watching.

One man who has done more to teach the American people how to care for their bodies than almost any other, is Dr. R. V. Pierce, of Buffalo, N. Y., the Author of the "Common Sense Medical Adviser." He says: It is not the quantity of the food eaten which produces strength and health (for some people can keep strong on a very meager diet), but it is how well it is absorbed and used by the blood and assimilated to nourish every organ of the body. It is therefore, vitally necessary for the body that the stomach be in a healthy state. If disease of the stomach, or what is called "stomach trouble," prevents proper nutrition then the heart, liver, lungs, and kidneys do not get proper food—they are not fed on rich red blood, and in consequence, begin to show signs of distress. Outwardly these signs may be pimples and eruptions on the skin, face, sleepless nights, tired, languid feelings, etc., by reason of the mucus not being fed on pure blood, the body becomes starved, and we receive a warning in the pain we call neuralgia. Rheumatism, too, is a blood disease. After years of practice and study Dr. Pierce found that an Alternative Extract, which he named "Dr. Pierce's Golden Medical Discovery," made from the extracts of several plants, invariably produced a tonic effect upon the system. It helped the process of absorption of the healthy elements in the food and increased the red corpuscles of the blood, as well as eliminated the poisons from the system.

Business is business. No time for headaches. Constipation causes them. Doctor Pierce's Pleasant Pellets cure them by curing the cause. Laxative and mild.

AMMSEMENTS

At the Gennett.

Another large crowd was present at the Gennett theatre last evening to witness the splendid vaudeville bill. Yesterday afternoon which was a bargain afternoon for the women and children, the house was almost filled by spectators, all anxious to witness the bill that is being so generally talked about in this city. Nothing but words of praise have been said of the bill that occupies the boards this week and without a doubt every commendatory statement is well deserved.

The three Nudos in their acrobatic sketch, The Frame of Life, put on a startling act and one that is equal to anything in the class. The singing of Miss Bonnie Gaylord is even better, if possible, than it was during her other appearances here. Humes and Lewis, the comedy acrobats, have an act that is original and they put it on in excellent style. Barington, the man who drives away sorrow by his company of wooden images, never fails to receive round after round of applause, as he is one of the best ventriloquists in the country. Ernest End continues to entertain by his illustrated songs and the work of Prof. Gus Fredericks, pianist, is unexcelled. The motion pictures are very entertaining.

IS Highly Praised.

"Black Crook, Jr." Company is one of those musical, mirthful burlesque-vaudeville amusements now so popular throughout the whole United States, and from all accounts, Manager Murray of the New Phillips has made a happy choice of entertainment for his patrons for Friday night, January 12. The title of the company is taken from the opening comedy-sketch and the closing burlesque is said to be equally as good as its predecessor. Both are full of catchy music, popular songs, handsome costume, brilliant scenic effect, and in the hands of a good management which has supported the enterprise with a large and able company.

Vaudeville at the New Phillips.

Those who are seeking a place to spend a pleasant evening this week should not miss the vaudeville bill that is being presented at the New Phillips, for it is one much out of the ordinary—clean, entertaining and meritorious. The program is sufficiently varied to please all classes of theatre goers, with music, acrobatic work, eccentric comedy, slight of hand, medleys, illustrated songs and motion pictures, to say nothing of the dog, Finnegan, who comes about as near talking as a dog can do. Those who have witnessed the bill thus far speak of it in the highest terms.

Shake off the grip of your old enemy, Nasal Catarrh, by using Ely's Cream Balm. Then will all the swelling and soreness be driven out of the tender, inflamed membranes. The fits of sneezing will cease and the discharge, as offensive to others as to yourself, will be cured when the causes that produce it are removed. Cleanliness, comfort and health renewed by the use of Cream Balm. Sold by all druggists for 50 cents, or mailed by Ely Bros., 56 Warren Street, New York.

All the leading hotels, restaurants, and dining cars serve Mrs. Austin's Pancakes for breakfast. Much better than others.

Every Niece and Nephew of Uncle Sam

should be deeply interested in what he has said about soda crackers, because they are the one food with which all of them are familiar.

Uncle Sam has given out figures showing that soda crackers are richer in nutriment and body-building elements, properly proportioned, than any food made from flour.

This is saying much for common soda crackers, and much more for **Uneeda Biscuit**, because they are soda crackers of the best quality. They are baked better—more scientifically. They are packed better—more cleanly. The damp, dust and odor proof package retains all the goodness and nutriment of the wheat, all the freshness of the best baking, all the purity of the cleanest bakeries.

Your Uncle Sam has shown what food he thinks best for his people. His people have shown that they think **Uneeda Biscuit** the best of that food, nearly 400,000,000 packages having already been consumed.

PERT PARAGRAPHS.

January is the month in which the sawdust very perceptibly leaks.

A woman will gossip about her own faults, but a man won't admit that he has faults.

Although two people in a quarrel may each be wrong, very seldom are they both right.

It is foolish to be silly, but sometimes it is so gratifying.

If you can't, don't; but sometimes, most emphatically, if you can, don't.

"After me the bill collector" seems to be both the motto and the plaint of a great number of people.

It appears to be a popular belief, or at least a working theory, that might makes money and money makes right.

To get ahead you not only have to do the best you can, but also must do the best anybody can.

Don't remember how you spent your money unless you have to, and if you have to don't spend it.

We appreciate a man after he is dead, unless he happens to die owing us money.

LADIES: I make from \$18 to \$30 per week and want all to have the same opportunity. The work is very pleasant and will pay you handsomely for even your spare time. I speak from experience, as I have frequently made \$5.00 in a single day. This is no deception. I want no money and will gladly send full particulars to all. Address,

Mrs. W. W. Mitchell, Box 10, Portland, Maine.

STOCKHOLDERS MEETING.

A meeting of the shareholders of the Second National Bank of Richmond, Ind., will be held at 1 o'clock p. m. at the banking house on Tuesday, January 9th, 1906, for the purpose of electing nine directors to serve the ensuing year, and the transaction of any other business that may come before the meeting.

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
