AT THE THEATERS

"ROBIN HOOD" A GOOD SHOW IS PRESENTED AT GENNETT TO A POOR HOUSE.

Bostonians Carry a Chorus With Fine Voices and Their Principals Are Also Good—In spite of the Snow Many Attend the Vaudeville at the New Phillips—Samayoa is one of the Strong Features—"Pink Hussars" Tonight.

A small audience last night greeted "Robin Hood," one of the best comic operas Manager Swisher has yet presented at the Gennett. The company was an excellent one and the singing was an special feature. No better male chorus has ever been heard in Richmond and the principal parts were well taken. The stage setting was also commendable.

Vaudeville at the New Phillips.

Much to the surprise of Manager Murray the crowd in attendance upon the vaudeville performance last night despite the most discouraging weather possible that a great many would leave their homes to attend the theatre, but on the contrary there was no complaint to make. The bill that is being presented is a pleasing one and was well received. One of the features is the quite clever work of the Great Samayoa, who performs on the Roman rings. He has a splendid physique and the display of muscular work is really rather phenomenal. Clarence Barton, expert soft shoe dancer, was recalled. Macklin and Wilson put on a plantation sketch and J. Y. Lewis and Company a rural sketch. Lee Tung Foo, known as the world's only Chinese baritone received a warm welcome. He was recalled. Lee sings in English, German and Chinese. Cal Lankert is singing "I'm Longing for My Old Kentucky Home" and "In Dear Old Georgia" and they are two of the most pleasing he has yet given. The Philscope shows two films, "A Kentucky Fued" and "A Pastry Cook's Practical Jokes."

The local management is fortunate in securing Mr. F. C. Whitney's big company in the most popular musical comedy that has been in Chicago in a number of years, "The Pink Hussars of His Honor the Mayor," which recently finished its 200th performance at the Chicago Opera House and is now going on tour for the first time. It will be seen here in its entirety, just as it was produced during its famous run in Chicago. The company is headed by the well-known comedian, J. Clarence Harvey, and the Original English Pony Ballet, the most famous troupe of dancing girls in the world, and the remainder of the original cast, at the Gennett theatre tonight.

The announcement of the coming to the Gennett theatre next Friday night of Miss Eva Tanguay in "The Sambo Girl," will perhaps be received with more gratification by local theatre-goers than any similar announcement made this season. Miss Tanguay's methods and mannerisms are well known and her performance of the title role in her present vehicle is the most delightful piece of comedy acting revealed to theatre-goers in many seasons.

Mr. Herbert Kelcey and Miss Effie Shannon are to appear at the Gennett theatre in a new play entitled "The Lightning Conductor," next Thursday evening. The comedy was adapted by Harry B. Smith, from the novel of the same name by C. N. and A. M. Williamson. "The Lightning Conductor" is not a lightning rod agent of the happy "befo' the Wa," as might be inferred, or an idealized Marconi. Nothing so prosaic. He is a gentleman chauffeur touring France in a motor car. He runs across Miss Mollie Randolph, an American heiress, who is doing likewise, and through a series of adventures, more or less laughable, they come to travel in the same car; he as a salaried chauffeur under the unromantic name of James Brown, and she as his employer. That she falls in love with so humble a person as a mechanic is a terrible shock to the pride of the young woman as she has a proper respect for herself and exalted matrimonial aspirations. If the unique adventures they have together prove as laughable in the play as they are in the book, it is safe to predict a success for the new venture.

COAL PRICES REMAIN HIGH

IF STRIKE OCCURS ANTHRACITE WILL NOT BE REDUCED SOON.

PLAN TAX ON CONSUMERS

The Monopolistic Greed Will Show Itself in No Uncertain Manner If the Trouble Comes.

The threatened coal strike has aroused a large interest among the Richmond consumers. It is quietly admitted by the dealers that the probability of a drop in price after April 1 in the event of a strike is very small. That means of course that the price will remain \$7.75 or \$8 a ton throughout the summer. It has been the custom to sell coal at a low rate during the early summer months and hundreds of consumers with means have taken advantage to make contracts for their next year's supply at a dollar less a ton than the other consumers have to pay.

The dollar a ton is the tax exacted from the consumers of Richmond and the entire country because of the monopoly of the railroads which own the entire anthracite field and become the common carrier for their own output, thus charging any profit that satisfies their greed. The rate now pending in the senate proposes to make it a crime for a railroad to engage in the coal business.

The Indiana senators are supporting the bill and only those senators known to be representatives of railroad interests are opposing it. The bill has passed the house and will occupy the attention of the senate under the direction of Senator Tillman all next week.

Heart Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, 84 years old."

Starving to Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. A. M. H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets, I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can see this in behalf of suffering humanity."
