## CONFERENCE WILL BEGIN TOMORROW

Over One Hundred College Delegates Will Hear Peace Talk at Earlham.

### PURPOSE OF THE MEETING

LEADING THINKERS OF THIS COUNTRY WILL TRY TO PERSUADE COLLEGIANS TO TEACH PEACE IN SCHOOLS.

The Intercollegiate Peace Conference, which begins at Earlham tomorrow will probably be the second largest gathering of the kind in the United States. The Earlham conference will be patterned after the Mohonk Lake, (N. Y.) conference, which is the foremost body in America which advocates the idea of universal peace, brought about by civic diplomacy.

The main object of the conference at Earlham is to bring together the leading institutions of the middle west and discuss the peace movement in such a way as to influence the teaching of history in the colleges of the country. Heretofore history has been taught with the emphasis laid on wars of the world. The leaders of the peace movement would have the emphasis laid on the idea of universal peace in the teaching of history in the future, as this goes to shape the ideals of the youth.

Some of the most notable advocates of universal peace in this country have been secured to address the conference at Earlham. Edwin D. Mead, of Boston, one of the speakers, is recognized as the leader along this line. Dr. Mead will deliver his first address Friday night on "The United States and the United World." On Saturday night at 8 p. m., he will speak on the subject, "China's New Birth and the World's New Era."

The lectures by Dr. Benjamin F. Trueblood, will be very interesting. Dr. Trueblood is an old Earlham graduate, and is recognized as one of the foremost men in the East, who advocate the universal peace doctrine.

It was partly due to the efforts of Dr. Trueblood that President Roosevelt is now advocating another Hague Tribunal.

Dr. Ernest Richard, of Columbia University, one of the most eloquent and scholarly men in New York, will also address the conference.

The Richmond public is cordially invited to attend all the meetings of the conference. It is thought that at least one hundred college delegates will be in attendance.

## EXTEND THEIR SYMPATHY RESOLUTIONS ARE PASSED

Crypus Attacks Loyal League Feels That They Have Lost One of Their Most Honored Members in Death of Thos. Johnson.

The Crypus Attacks Loyal League has passed the following resolutions on the death of Thomas H. Johnson: Whereas, The Almighty God in his infinite wisdom has seen fit to take from our midst the deceased, Thomas H. Johnson; and

Whereas, We loved and respected him only for his excellent character and the high standard of citizenship which he ever maintained, but for the qualities of true manhood which he possessed; and

Whereas we believe the community has lost a loyal and worthy citizen, the church a devoted and earnest Christian, and the Crypus Attacks Loyal League an enthusiastic and honored member; and

Whereas he was always progressive and ever ready to encourage men in every worthy enterprise which had for its aim the upbuilding of the race and the community at large; and Whereas his life served as a worthy example of what thrift and enterprise may accomplish even in the midst of obstacles and reverses of which his early life was so characteristic; Be it Resolved that the members of the Crypus Attacks Loyal League extend to the bereaved family their heartfelt sympathy in the great loss which they have sustained; and be it further

Resolved that a copy of these resolutions be furnished to the family and be read at his funeral and also be published in the daily papers.

Walker secretary and I. S. Bowman treasurer. R. R. Brant was chosen superintendent of the speed department, and Charles Smith ring marshal with Mrs. Will Porter superintendent of Floral Hall. The fair will be held July 24-27.

## READY TO MAKE FIRST PAYMENT

Improvement Association Will Get Deeds to Beallview Saturday.

### WORK TO BEGIN AT ONCE

STREETS AND ALLEYS WILL BE LAID OUT AND A CAMPAIGN MADE TO GET SHOPS AND SELL LOTS.

The South Side Improvement Association now stands ready to make its first payment of \$15,000 to the Bank heirs for the Beallview Addition as soon as the deeds for the property are received. Cash Beall stated yesterday that he thought these deeds would be received by Saturday.

The South Side Improvement Association desires to raise \$20,000 and of this amount \$17,000 has already been secured and the remaining \$3,000 has been promised. As soon as the property has been formally deeded over to the Association, an active campaign for the sale of the lots for factory and home sites will be started and the indications are that they will sell rapidly.

The first part of the summer the work on making the streets and alleys through the addition will be started by the city and pressure will be brought to bear on the street car company to extend its south Eighth street line from South H street to the Lutheran cemetery. This would be of great advantage to the residents of Beallview and would be a paying line for the company.

Mr. Beall stated yesterday that already one factory, the name of which he withheld, had opened up negotiations for a site in Beallview and that many people had made inquiries with the end in view of building homes in the new addition. Mr. Beall says that the outlook for Beallview is all that could be desired.

### An Easter Market.

Easter Market and Apron Sale, Saturday, April 14, by Ladies Aid Society of South Eighth Street Friends' church, will be held in the Julian building, corner Eleventh and Main streets.

### Will Discontinue Choir.

After the Dedication Day services, there will be no regular choir at the United Presbyterian church, and it is probable that for the time being, the quartet now at the church, will be retained. It is the hope of the congregation to later organize a full choir, with a large number of voices.

## RICHMOND AT CONVENTION.

Billy Blodgett in the Indianapolis News has this to say of Richmond persons at the state convention. Charles Lindemuth, who once served in the Indiana Legislature from Wayne county, is among the boomers from Richmond who are looking after the interests of Judge Comstock.

Isaac A. Gorman, of Richmond, who has the distinction of being born in the same Ohio county as Senator Beveridge, is enjoying the sights. But the fact that he and Senator Beveridge are fellow-Buckeyes, does not get Mr. Gorman anything.

Col. W. J. Robie, of Richmond, is limping about the hotel with the aid of a cane. Mr. Robie got tangled up with a small-sized cyclone the other day and was thrown against a telephone pole and hurt his right leg. But at that he is getting around rather lively.

John L. Rupe, of Richmond, resembles a twin brother of Henry W. Marshall, chairman of the Tenth district Yesterday, while mingling in the crowd, C. W. Smith, of this city, met him.

"Hello, Marshall," said Smith extending his hand, "how are you? Let's see, is it Whiteley or Kosciusko county you are from?"

"Neither. My name is Rupe, and I am from Richmond."

"Why, of course, or course," blushed Smith; "certainly, I know you. I was thinking of Tom Marshall, of Whiteley county, when I spoke."

Later Mr. Rupe was in another crowd and George Parker, of Anderson, grasped his hand.

"Glad to see you, Marshall," exclaimed Parker, but Rupe got away.

"If there is any inquiry about me at the convention," said Mr. Rupe, "you tell them I have had all the honors I care for, and have gone home."

### Mott Issues a Letter.

In a public letter, Supt. Mott, of the Richmond Public schools, sets forth the work of the enumerators and at the same time, urges the residents to make plain their statements to the enumerators. All persons between the ages of 6 and 21 years are listed as school children, or at least as entitled to secure a public school education, and for that reason it is necessary to get all the names so that the proper amount can be drawn from the state treasury. Any person who makes a wrong statement to an enumerator is liable to arrest and fine.

### An Exciting Runaway.

A horse belonging to Elmer Hodgkin, became frightened yesterday morning on West Second street, and ran away. Mrs. Hodgkin, who was in the buggy, jumped out, but her husband worked with the fractious animal and finally brought him to a stop. The buggy was slightly damaged.

## BOARD ORDERS CEMENT WALKS

### THREATEN REMONSTRANCE

DELAY IN PROPOSED IMPROVEMENT OF SOUTH TWENTY-FIRST STREET—OTHER ROUTINE MATTERS.

At the session of the Board of Public Works yesterday, it considered the matter of the improvement of South Twenty-first street, by the construction of cement sidewalks and cement curbs and gutters. The same action was taken in reference to the construction of cement sidewalks on the east side of South Thirteenth street.

The resolution for the construction of cement sidewalks on the east side of South Ninth street, from South E street, to South H street, was confirmed.
