## "IT SAVED MY LIFE"

### PRaise FOR A FAMOUS MEDICINE

Mrs. Willadsen Tells How She Tried Lydia E. Pinkham's Vegetable Compound Just in Time.

Mrs. T. C. Willadsen, of Manning, Iowa, writes to Mrs. Pinkham:

Dear Mrs. Pinkham:—

"I can truly say that you have saved my life, and I cannot express my gratitude to you in words."

"Before I wrote to you, telling you how I felt, I had doctor for over two years steady and spent lots of money on medicines besides, but it all failed to help me. My monthly periods had ceased and I suffered much pain, with fainting spells, headache, backache and bearing-down pains, and I was so weak I could hardly keep around. As a last resort I decided to write you and try Lydia E. Pinkham's Vegetable Compound, and I am so thankful that I did, for after following your instructions, which you sent me free of all charge, I became regular and in perfect health. Had it not been for you I would be in my grave to-day."

"I sincerely trust that this letter may lead every suffering woman in the country to write you for help as I did."

When women are troubled with irregular or painful periods, weakness, displacement or ulceration of an organ, that bearing-down feeling, inflammation, backache, flatulence, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other female medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

For 35 years Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, has under her direction, and since her decease been advising sick women free of charge. Address, Lynn, Mass.

### ICEMEN ARE INDICTED CHARGED WITH CONSPIRING

Grand Jury at Washington, D. C., Gets In Its Work Along with the Many Other Investigating Bodies Over the Country.

[Publishers' Press] Washington, July 12.—The grand jury of the District of Columbia returned indictments against the American Ice company and the Chapin Sacks Ice company and their local officers on the charge of entering into a conspiracy to increase the price of ice. At the request of the district attorney the court immediately issued warrants for the arrest of the indicted officers.

In addition to the two companies named indictments were returned against Samuel A. Kimbly, local manager and agent, and George T. Hoover, superintendent of routes of the American Ice company, and Arthur A. Chapin, president, and Samuel C. Redman, secretary-treasurer of the Chapin-Sacks company. The proceeding is under the Sherman anti-trust law and the indictments charge "a combination and conspiracy in restraint of trade and commerce." The American Ice company and the Chapin-Sacks company transact 75 per cent of the ice business in the District of Columbia and while these two companies were formerly competitors, it is charged that April 20 they entered into a combination agreeing not to sell to dealers, who should sell ice at wholesale for less than 25 cents per 100 pounds, or at retail for less than 40 cents per 100. This combination is alleged to have had the effect of destroying competition not only between the two principal companies but also among the smaller dealers.

### WLL RACE AT LIMA

Richmond will be strongly represented at the Paddock of the Lima, O., race course next week. Dr. Zimmerman has his horse "Zim" in the training stables of the Ohio "Benings" and Lawrence Commons has a string of eight good starters there. "Doc" says that he will not do any driving this year as he is somewhat afraid of "Zim's" speed brake as he took an aerial trip over his head once. He has run across a good driver in Cosgrove whom he thinks can worry his horse under the wire for another purse.

### OLD OFFICERS RETAINED

### GOV. HARRIS'S REQUEST

Appointments of Former Governor Pattison at Ohio Penitentiary Are Rescinded and Republicans Remain in Control.

[Publishers' Press] Columbus, O., July 12.—Management of the Ohio penitentiary will continue as heretofore, the political change pending at the time of Governor Pattison's death having been set aside by the board of managers.

At the meeting a month ago Price Russell of Wayne county, was elected warden to succeed O. B. Gould, and B. E. Williamson of Columbus, was elected secretary to succeed Frank Cook. Since the death of Governor Pattison it was generally understood that this action would not be permitted to stand. Governor Harris let it be made known that he favored the retention of political control of the prison, through the restoration of Gould and Cook to their former places. Gould had not yet vacated, but was to be superseded by Russell after the acceptance of his bond. Russell took the oath and completed his bond for submission to the board at its meeting Thursday. But after consultation with political advisers he concluded he would make no effort to assume the wardenship, and notified the governor accordingly.

When the board met the election of Russell and Williamson was rescinded. Gould was re-elected warden and Cook was re-elected secretary of the board, both being installed at once.

### A FIEND DEFEATS CAUSE OF JUSTICE

N. M. Riggs Shoots Himself When Proof of Murder was Made Certain.

### CASE IS VERY STRANGE

DEAD MAN MURDERED WOMAN WHEN HE DID NOT NEED MONEY AND WAS KNOWN TO BE OF GOOD HABITS.

[Publishers' Press] Minneapolis, Minn., July 12.—A search by the police of the house of N. M. Riggs, who killed himself at Elroy, Wis., after being arrested for the murder of Millie Ellison in Minneapolis, supplied enough evidence to convict him of the crime even had he not acknowledged it by his own act.

In Riggs' house the police found Miss Ellison's grip which has been fully identified, while in the furnace were found the half-charred fragments of the contents of the grip. Riggs was so well thought of at Elroy, Wis., that the village authorities hesitated to arrest him when requested by the Minneapolis police to do so. After he was nominally placed under arrest, he was allowed to go several miles out in the country to visit his wife and daughter who were staying with friends. He returned to Elroy, Wis., with them and was being kept at the hotel when he requested to go to a toilet room. Knowing the premises thoroughly he searched several rooms till he found a revolver with which he killed himself.

The police regard the case as one of the strangest on record inasmuch as Riggs did not need money and was in a position which called for steady habits and self-control.

## IS NOT A MISTAKE SAYS WM. SCHULTZ

President of Wayne Works Complains About the Excessive Pullman Fare.

### THE RATE VARYING ONE

HE SAYS THAT RATE FROM INDIANAPOLIS TO RICHMOND IS MORE THAN FOR SIMILAR DISTANCES ON PAN HANDLE LINES.

Relative to the complaints registered against the Pullman Company because of the peculiar difference in rates, as shown by the schedule effective between Richmond and Indianapolis and between Indianapolis and Terre Haute, the Palladium received the following communication last night:

Editor of the Palladium, Richmond, Ind.:  
Dear Sir:—The writer notices in the paper this morning, a statement from the Pullman Ticket Office at Indianapolis, implying that it is a mistake that the Pullman seat fare from Terre Haute to Indianapolis is 25c. In reply will say there is no mistake about this matter whatever. The seat fare in a Pullman car from Terre Haute to Indianapolis is 25c, a distance of over 70 miles, and you can retain the same seat, in the same car, and when you arrive at Richmond the Pullman Company collects 50c for 69 miles. Then again you can get off at Richmond, and take another Pullman Co. car for Cincinnati, a distance of 75 miles, and the seat fare is 25c.

There is no question as to the facts as set out in this statement and so far as affidavits would be concerned, there would be no trouble in getting any number of affidavits supporting these facts. The writer does not know who the Richmond man was that complained, but he does know his contention is correct, and if the Railroad Commissioners only required the affidavits to this fact in order to bring the matter before them, they will have no difficulty whatever in getting the affidavits necessary for that purpose. Very truly yours,  
W. W. SCHULTZ.

### IS THE GENUINE SCALE

Infected Limbs of Fruit Trees Inspected by the State Entomologist, Prof. Troop.

Wayne county citizens and other citizens of the state have recently sent to State Entomologist Troop, limbs of apple trees believed to be infected with the San Jose scale, and Mr. Troop says it is the genuine scale from which many orchards of the state are beginning to suffer badly. Some of the parties who sent in the infected limbs stated that the usual white oil soap failed to bring proper results, and Mr. Troop reminds them that repeated applications are necessary.

### Had Six Special Cars.

About five hundred members of the Bethel A. M. E. Second Baptist and Mount Moriah Baptist churches went to Dayton yesterday where they visited the oldiers' home and various other points of interest. The excursion was in the charge of the Sunday schools of the different churches. It took six special cars to accommodate the crowd.

### No Case Against Them.

Fred Freeman and Frank Hall, who were arrested here on a forgery charge from Madison, Ind., have been released as there was some difficulty in making out a case against them.

### Increase Over July 1905.

As a rule July and August are the "hooodoo" months for the shoe dealer the business being very quiet. The majority of the shoe dealers in Richmond, however, report an increase in their business over the month of July 1905.

### LICENSES FOR THE SPORTSMEN

Z. T. Sweeney, State Commissioner of Fisheries and Game, Has written a letter to the Palladium asking this paper to distribute application blanks for resident hunters' licenses among Wayne County Sportsmen. Under the laws of Indiana a license must be procured to hunt outside of the township in which a hunter resides. These application blanks will be received by the Palladium within the next few days and hunters who call at the office at any time after July 17 will be supplied.
