

SOLD UNIFORMS TO SECURE BEER

Sailors in Navy Yards at Philadelphia Mutiny After Getting Intoxicated.

TEN ARE UNDER ARREST

A GENERAL FIGHT TOOK PLACE BETWEEN THE OFFICERS AND MUTINEERS IN WHICH SOME WERE INJURED.

[Publishers' Press] Philadelphia, Aug. 8.—Five marines are in doubt from the board the receiving ship Lancaster at the League Island navy yard and ten sailors are under arrest as the result of a mutiny in which two of the mutineers were badly injured. A boat party, consisting of Privates Burnett, Kenzy, Haggerty, Alderson, Erbe and Nowland left the navy yard. They went to Gloucester and, it is alleged, sold their uniforms. With the money thus obtained beer was purchased, and when the men returned they had two half barrels of beer in the boat. This they smuggled into camp and about a score were soon under the influence of the intoxicant. While in this condition the men attempted to leave the yard, and when halted attacked the corporal. The alarm whistle was sounded and the men of the Lancaster quickly responded. A general fight ensued, during which several shots were fired. Burnett, one of the ringleaders, had his throat cut, and Kenzy's right arm was fractured. After nearly an hour of fighting the mutineers were subdued and the principals placed under arrest.

Nephew of Russell Sage. Canton, O., Aug. 8.—Augustus Hendley, a carpenter residing at East Liverpool, says he is a nephew of the late Russell Sage, and through an attorney has filed his claim with the trustees of the estate for \$25,000, the portion which was bequeathed to each of the nephews and nieces of the financier. Hendley says his mother was Sage's sister.

Depredations of Terrorists. Warsaw, Aug. 8.—The terrorists are continually attacking and robbing postoffices, government spirit shops, treasuries and the mails. The governor general has ordered henceforth the inhabitants of villages, communities in or near which such crimes occur, shall pay the losses resulting from such robberies.

No Danger of Mob Violence. Madisonville, Ky., Aug. 8.—All danger of mob violence in the Cushmanberry case seems to have passed. The negro was taken to Henderson and he will not be returned before the September term of circuit court.

[Publishers' Press] New York, Aug. 8.—The New York National baseball club made a complete backdown this afternoon, and just before the game with Chicago, admitted Umpire Johnstone, who was barred out yesterday, to the grounds. Johnstone and "Bob" Emslie went into the Polo Grounds together. The man at the ticket gate who told Johnstone yesterday he could not enter had been instructed not to prevent the umpire going in.

Both umpires went to the grounds with Harry C. Pulliam, president of the National League. Pulliam went up with the judges of play to see that they got in, and after the umpires gained admittance to the grounds the president left.

Pulliam declares that yesterday's game stands officially recorded as forfeited to Chicago and that he will resign if the other league officials don't uphold his decision.

President Brush, of the local club, replied with a statement in which he declared that his team was in the right and that he will fight Pulliam to a finish before the baseball or civil courts.

As for the game today, it was a close contest, the Chicagoans defeating the Giants by one run. The New Yorks made a feeble rally in the ninth and came within one run of tying the score.

REDS DID NOT PLAY. Brooklyn, Aug. 8.—Rain caused a postponement of the game today between the Cincinnati and Brooklyn Nationals.

RAIN AT PHILADELPHIA. Philadelphia, Aug. 8.—The game between the St. Louis and Philadelphia Nationals was postponed on account of rain.

Would Disfranchise Mormons. Coeur d'Alene, Ida., Aug. 8.—The Idaho Democratic convention, headed by William J. Bryan for president in 1908, nominated Fred T. Dobeis for United States senator and C. O. Stockslager for governor, and declared against polygamy. The anti-Mormon plank of the platform as adopted pledges the Democratic party to secure the enactment of legislation necessary to make operative the "test oath" provided by the constitution of Idaho, which in effect would disfranchise all faithful Mormons.

Maud Gonne Granted Separation. Paris, Aug. 8.—The civil tribunal of the Seine confirmed its decree granting Mrs. Maud Gonne MacBride (known as the "Irish Joan of Arc") a judicial separation from her husband, Major MacBride, but the tribunal refused to grant her an absolute divorce on the ground of her Irish nationality. Mrs. MacBride was awarded the custody of the child. The major's cross bill was overruled. Major MacBride served in the Irish brigade of the Boer army during the South African war.

Fitzgerald Indicted. Barvorsville, Ky., Aug. 8.—The grand jury reported indictments against Fitzgerald and Mrs. Henson for the murder of Mrs. Broughton. The prisoners will be brought here under protection of troops. The judge directed the grand jury to inquire into the mob of last week, and to bring indictments against any who can be found to have participated in the riotous proceedings.

Total Abstinence Union. Providence, R. I., Aug. 8.—The national convention of the Catholic Total Abstinence Union of America began here when a majority of the 800 delegates assembled in Music hall for the formal opening exercises. The delegates represent a membership of about 100,000 in the United States, and they are headed by Bishop J. F. R. Canavin of Pittsburgh, Pa., as president.

CAPT. WANN AFTER FOOTBALL PLAYERS

Resigns His Position at Kankakee and Starts Work for Earlham's Team.

DIRECTOR WILSON HOME

RETURNS FROM MICHIGAN UNIVERSITY WHERE HE SPENT PART OF SUMMER WITH OTHER FOOTBALL COACHES.

If Earlham does not have a winning team in football this year it will not be the fault of Capt. Wann for he is leaving no stone unturned in order to find new men, who are willing to come to Earlham this fall and play the great college game. He has for the past year been employed at the hospital for the insane at Kankakee, Ill., but he resigned his position there recently that he might have more time to devote to the search of new men. Capt. Wann is an able football player himself and although he will labor under the difficulty of not having played under the new rules he will no doubt adapt himself to the game quickly and make one of the best captains Earlham has ever had.

While Earlham will be laboring under the disadvantage of not being acquainted with the new rules their opponents will also be in the same boat and the first few games of the season will be anybody's games until the different teams become accustomed to the new style of playing.

The game of football as it will be played this year will be a revolution to the old men, who have been used to the rough and tumble mode of warfare in the past. All mass plays used in the past have been barred. The new rules requires that only six men be on the line and the ends will have to play in an entirely different manner from the way in which they have played in the past. In fact but very few men on the whole team will be played in the usual manner.

Walter Wilson who is director of athletics at Earlham has but recently returned from the University of Michigan where he attended summer school, and was in touch with several other football coaches of the West. While there Mr. Wilson and these coaches made a careful study of the new rules which were furnished them by Spalding. They worked out several new plays which they will use with their teams this fall.

The Earlham schedule just completed calls for the following games: Oct. 13—Rose Polytechnic at Terre Haute.

Oct. 20—Cincinnati University at Richmond.
Oct. 27—Wittenburg at Springfield, Ohio.
Nov. 3—Franklin College at Richmond.

Nov. 10—Wabash at Crawfordsville.
Mr. and Mrs. Scott Herd and J. W. Holland, of Cottage Grove, were in the city yesterday. They are arranging for a trip to Northern Michigan next week.

[Publishers' Press] Cleveland, Aug. 8.—The Boston Americans again proved a hoodoo for the Clevelanders today, the former champions defeating the Blues in both games of a double header. Bunching their hits in the third inning gave the Bostonians the first game, while Cleveland's errors permitted the "pie eaters" to score the only run of the game in the second inning of the last contest. Score: First Game.

WAS A PITCHERS' BATTLE.

St. Louis, Aug. 8.—In a battle of pitchers the St. Louis Americans defeated the New Yorks in a ten inning contest. Orth was effective until the eighth when the Browns tied the score and consecutive hitting in the tenth won the game. Score:

	R. H. E.

St. Petersburg, Aug. 8.—Notwithstanding the improvement in the situation produced by the collapse of the strike, the Novoe Vremya announces that it is still the intention of the emperor to place Grand Duke Nicholas Nicholasavitch in immediate command of the whole army, concentrating the direct authority over the troops composing each separate corps and division in his hands. The paper says the announcement of his appointment may be expected in a few days, and adds that this will not make the grand duke a dictator, as the administrative functions will remain in the hands of the minister of war.

Pope to French Bishops. Paris, Aug. 8.—A rumor is prevalent here that instructions from the pope to French bishops relative to the law of separation of church and state have been received in Paris. It is declared in a well informed quarter that the vatican considers the enactment of the law to be a dead letter and does not recognize the principle that lay associations shall govern churches. The vatican overcomes the difficulty, however, by permitting for this purpose the formation of Catholic societies under the bishop.

GERMAN GLEANINGS.

In Germany stray dogs are captured in a fashion that appeals strongly to the humanitarian. Instead of being lassoed with a noose they are scooped up in a huge dip net.

Three German cities, Frankfurt, Rostock and Cologne, have public parks covering about half their area. Berlin, on the other hand, has less than 6 per cent of its area taken up by parks.

By way of celebrating the seventieth birthday of the eminent chemist, Adolf von Baeyer, his friends and pupils have brought out a collection of his scientific papers in two volumes of over 2,000 pages.

A Food to Work On

Work! Work!! Work!!!

Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.

The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.

Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means **Uneeda Biscuit**—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.

That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. Truly the food to work on.
