

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is, extracts from medicinal roots, prepared by processes brought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers, of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little Pellet is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y., Cloth-bound, 31 stamps.

The Giants will Play Muncie Shamrocks Tomorrow and German-town Monday.

The Richmond Giants will play the Muncie Shamrocks at the Athletic Park Sunday afternoon. Paving the Way.

"Why are you so anxious to have me pay this bill of \$1,000 this afternoon?" asked the business man. "Your propriety knows I'm good for it."

"I know it," replied the clerk, "but I'll tickle him so if he gets it before it's due, and I want to ask him for his daughter's hand tonight."—Detroit Free Press.

Landing Him.

"Miss Ethel," he began, "or, Ethel, I mean, I've known you long enough to drop the 'Miss,' haven't I?"

She fixed her lovely eyes upon him with a meaning gaze.

"Yes, I think you have," she said. "What prefix do you wish to substitute?"—Cleveland Leader.

The Truth of It.

Ascum—I understand that your minister has been devoting his attention to the higher criticism?

Church—Well, he has been complaining that his salary's too small, if that's what you mean by the "higher criticism."—Philadelphia Press.

Everything and Nothing.

Ella—The other day George called just as Fred was leaving.

Stella—You care for Fred, but you don't for George. Am I right?

Ella—Yes, I feel as if everything was going out and nothing coming in.—Houston Post.

Consolatory.

A correspondent of an English paper tells how some one visited a wild beast show and saw a countryman come in bearing unmistakable signs of having had a glass too much. A tiger scratched the back of the hand with which the man grasped a bar of the cage. The laceration was severe, and the pain was great. The sufferer danced about and twirled his shillalah, crying: "Let him out! Let him out! I have me will av him!" A companion tried to soothe the frate dancer, with this neat impromptu: "Never mind, Pat. Sure, he only wanted to scrape acquaintance wid ye."
