

PROUD PURDUE IS BEATEN ONCE MORE

Notre Dame Gets Only Score in Game With Boiler Makers by Touch Back.

OTHER WESTERN CONTESTS

MICHIGAN WINS FROM VANDERBILT IN GREAT BATTLE WHILE MINNESOTA SHOWS STRONG AGAINST NEBRASKA.

[Publishers' Press] Lafayette, Ind., Nov. 3.—In one of the greatest gridiron battles ever witnessed in this city Purdue was once more forced to lower her colors, this time to Notre Dame. The score was 2 to 0, the only points being made in the first half on a touchback. It was a sorry day for the Boiler Makers. They fought desperately but to no avail and with the defeat Purdue sinks into fourth place in Indiana football as the season now stands.

All eyes are now on Indianapolis where Notre Dame and Indiana meet next Saturday. Indiana looks certain to win the game but the Catholics should give them a hard fight.

FURIOUS GAME AT ANN ARBOR. Ann Arbor, Mich., Nov. 3.—In a fast, furiously fought football game, Michigan defeated Vanderbilt this afternoon by a score of 10 to 4.

Michigan was consistently outplayed in the first half. The Southerners excelled the Wolverines in team work and only a fumble at the one yard line saved the latter's goal. Michigan scored by a drop kick and the half closed 4 to 0 in Michigan's favor.

The Commodores made their goal early in the second half, also on a drop kick, tying the score. A few minutes later, however, Garrels made a wonderful seventy yard run for a touchdown. The play was made on a fake kick.

The Vanderbilt halves, Craig and Blake, frightened Michigan nearly to death by their speedy end runs. Finally Blake outkicked Garrels in a rapid exchange, getting the ball on Michigan's 30 yard line. It looked like another tie when, with the pika skin in Michigan territory, Garrels broke loose for a seventy yard run on a fake kick, pushing the ball over the line just as he was tackled. Curtis goal.

MINNESOTA LOOKS STRONG. Minneapolis, Minn., Nov. 3.—Minnesota defeated Nebraska on the gridiron here this afternoon by a score of 13 to 0.

Nebraska started the game with fast play and at first gained easily. Minnesota's goal was never in serious danger, however, and the Corn Huskers wore themselves out by exertions during the first half, which ended nothing to nothing.

WISCONSIN OVERCOMES BAD START.

Madison, Wis., Nov. 3.—After being outplayed and scored against in the first half by the University of Iowa, Eleven, the Wisconsin team fought so tigerishly in the second as to beat the former in this afternoon football game by a score of 18 to 4.

THE AMENDMENT VOTE

Erroneous Impression Prevailed Which Might Lead Some Voters to Ignore and Give No Heed Thereto.

Underneath the ballots that will be voted at the election next Tuesday is printed the proposed constitutional amendment which the voters are to vote for or against. The vote on this amendment has caused some confusion to the electors as the impression exists that by voting a straight ticket precludes voting on the amendment without running the risk of having their ballots thrown out. If a voter wishes to vote a straight ticket and to vote for or against the amendment he must make his cross in the circle at the top of the ticket he votes and then place a cross in the one of the two squares opposite the amendment which are labeled "yes" and "no."

DIED IN SOUTH AFRICA

Word has been received by Mrs. Peter Mull, who resides west of Centerville, of the death of her daughter, Mrs. Minnie King, who was a missionary at Danville Imperial, South Africa. No particulars of Mrs. King's death were given. Mrs. King went to South Africa about two years ago.

Whenever you have any sympathy to bestow, direct it towards the young woman who never used Holli's Rocky Mountain Tea or Tablets, 35 cents.

FRANKLIN EASY FOR QUAKER TEAM

Top-Heavy Score Piled up Against the Visitors in Yesterday's Game.

EARLHAM 45; FRANKLIN 0

THE VISITING AGGREGATION NEVER A DANGEROUS PROPOSITION AT ANY TIME—GOOD CROWD WAS PRESENT.

Earlham, using a number of subs had an easy time with Franklin College yesterday afternoon, winning by a score of 45 to 0.

Only once was the Franklin team within scoring distance and then she reached Earlham's five yard line, only to be held for three downs without gaining a yard. The Quakers worked the double and triple pass to great advantage, making long and spectacular gains. King and Carey were the best ground gainers for Earlham although there was not a player on the Quaker eleven who failed to make headway with the ball. Twice Earlham crossed the Baptists' line only to lose the score on penalties. Once they did this by a good run of the part of Capt. Wann and at another time, King carried the ball seventy yards without a count. All seven yards were made by touchdowns not drop or place kicks being tried.

But two men on Franklin's team put up a creditable game. There were Capt. Liedorf at right half and Boone at left tackle. Franklin's ends were very weak and Earlham rarely failed to make her plays around either side go well. The Quaker ends were invincible. It is on Guyer and Hancock that Earlham next Saturday pins her faith to stop the fast plays of Wabash. If there was any place that Earlham showed a weakness it was in the line. The visitors made all their gains through the line.

The victory today gives Earlham a clean record for the season and although Coach Wilson does not have the least hope of beating Wabash next Saturday he feels confident that his men will make a creditable showing. Earlham's football teams have always played a better game against the Presbyterians than any other school.

The line-up: Earlham Franklin
Guyer, Chambers R. E. Dill
Thistlethwaite R. T. Overstreet
Barrett R. G. Boyer
Allee L. G. Devore
Carroll, Stanley L. T. Boone
Wann (Capt.) L. E. Wolford
Hancock L. E. Wolford
Wilson, Grimes, Beebe Q. B. Bryan
Elliott, Birch R. H. Liedorf (C.)
King L. H. Van Riper
Carey F. B. Douglas

Score—Earlham 45, Franklin 0.
Touchdowns, Carey 3, King 3, Elliott 1, Hancock 1. Time of halves—25 minutes. Goals, Carey 5.

Referee—Pierce of Amherst. Umpire, Sellers. Timers, Brunson and Spaulding. Linesmen, Hauck and Butler. Attendance 600.

CITY AND COUNTY

Deaths and Funerals.
McANARA—Alicia McAnara, aged 20 years, died suddenly last evening about 10 o'clock after a long illness at the home of her mother, Mrs. Bridget McAnara, 88 Butler street. Funeral arrangements will be announced later.

TIGERS SWAMPED DARTMOUTH TEAM

Princeton Uses Forward Pass Effectively and Opponents Don't Get a Show.

OTHER GAMES DOWN EAST

YALE HAS HARD TIME IN DEFEATING WEST POINT WHILE HARVARD WINS BY SMALL SCORE FROM BROWN.

[Publishers' Press] Princeton, N. J., Nov. 3.—Before a crowd of six thousand people Princeton swamped the Dartmouth eleven here today by a final score of 42 to 0. At no time was Princeton's goal in danger. Princeton started the game with a vivacity that was in marked contrast to the way she started the game in New York and scoring was fast. Forward passes succeeded to a degree better than in any game previous showing perfection which has been obtained by experience. Only once did Dartmouth succeed to any extent with its play when Sterns broke through for 25 yards at the close of the second half. Princeton alternated her end runs by using McCormick and Bulon Miller as battering rams, both men proving as effective as Harlan and E. Dillon.

Constant following of the ball, coupled with speed and aggressiveness was responsible for the high score. Dartmouth's fumbling proved costly, resulting directly in two of the seven touchdowns. The remainder of the scoring was made equally by the forward pass and straight line hammering.

YALE BEAT WEST POINT. West Point, N. Y., Nov. 3.—Yale beat West Point here today but while the final score was ten to six, the victory was not entirely a very creditable one for the New Haven collegians. Their play was ragged, their defense weak and their offensive plays very poor. Yale and the army were about equal in punting, but the soldiers were always stronger in close work all along the line. The fact that Roome, Yale fullback was compelled through injury to keep out of the game, weakened the collegiate team, but Captain Morse proved a good substitute in that position.

All through the first half, which was of 25 minutes duration, there was several exchanges of punts and several gains through the line for the local men. For the first fifteen minutes the game was pretty even. The first score made by the soldiers was secured within the last five minutes of play of the first half.

CONTEST WAS SPECTACULAR. Cambridge, Mass., Nov. 3.—Ten thousand enthusiasts this afternoon saw a game abounding in long runs, spectacular forward passes and quarter back kicks in which Harvard beat Brown 9 to 5, as much by Brown's carelessness as by her own good fortune.

NAVY WAS SHUT OUT. Annapolis, Md., Nov. 3.—Penn. State College administered defeat to the Midshipmen eleven by the score of 5 to 0. The Annapolis aggregation was without the services of four of the regular and strongest men. State completely outplayed the Sailor lads at all stages of the contest.

OUTWEIGHED AND BEATEN

DAYTON BEATS RICHMOND

Local High School Lads Make Creditable Showing Against Heavy Rivals at Dayton Yesterday—Allison Was the Star.

Richmond High school lost to the Steele high school at Dayton yesterday by a score of 12 to 0. The local lads put up a creditable game, being considerably outweighed. It is asserted that Steele high school used players whose right to play in a high school contest would hardly bear close inspection.

Allison was easily the star for the local eleven. He made a spectacular fifty yard run on which he was called back however, as it was claimed that Cain held in the line.

Artificial gas, the 20th Century fuel. 10-11

THE WEATHER PROPHET.

OHIO AND INDIANA—Fair Sunday; Monday fair in south; rain in north portions; fresh east to southeast winds.

NOVEL STUNT OF A HORSE THIEF

(Continued from Page One.)

department has dished up in many a day. The discovery that the outfit had been stolen from Main and Ninth streets was made probably within a half hour, the owner at once notifying the police. A fairly good description of a stranger who had been seen to drive away with the outfit was furnished the police and several officers were soon started in pursuit.

The thief, however, evidently knew what the probable result of the discovery of his act would be, and so instead of keeping his direction to the south, he planned a coup, which worked to the disadvantage of the police for a time, but which finally proved to be his own undoing. Crossing the river near the old Test woolen mills, the thief proceeded south to Abington, thence proceeded toward the east, thinking that he would soon be across the State line. Toward evening he found himself along the State line, stopped at the home of a farmer, bought his supper and then started out again, but instead of proceeding east, he became mixed in directions and an hour afterwards drove into Richmond.

He proceeded north across the railroad, hitched the outfit on Twelfth street near F and there offered to sell the horse. The police were notified and the man said to have been the one who drove up in the rig was arrested. This man was Huffman, as stated above, but he made a most positive denial of the charge. Supt. Bailey, however, feels confident that he has the right man in the toils and declared that Huffman's story of not being the thief is too ridiculous to be considered. Huffman came to Richmond yesterday morning from Hamilton, O., and according to his own story was on his way to Chicago.

Shortly after Huffman's arrest, a rig owned by Sam Danner, of Middleboro, which was hitched on North Twelfth street near the railroad, was taken. The matter was reported to the police and a search begun. A half hour later the rig was returned to the spot from which it had been taken.

PRAYER CURED PASTOR'S WIFE

A Friends Congregation United in an Appeal for Woman's Recovery.

THE CASE REMARKABLE

MEMBERS OF INDIANA YEARLY MEETING OF FRIENDS ARE INTERESTED IN CASE AT PORTLAND.

[Publishers' Press] Portland, Ind., November 3.—What is alleged to be a remarkable cure by the power of prayer and faith alone is that of Mrs. Thomas Williams, wife of the pastor of the Friends' church, of this city. For the last three years or more Mrs. Williams has been a sufferer from kidney trouble. During all of this time she was able to be about the house a portion of each day, but when she appeared on the streets it was always in an invalid's chair. During the recent revival meetings at the Friends church, conducted by Mrs. Daisy Barr, it was announced that at a certain time all the members of the church, wherever they might be, were to pray that Mrs. Williams be healed. At 6 o'clock on the evening selected, she was cured instantaneously, it is alleged.

In an interview she said that since her remarkable cure she has attended the first services at the Friends church since her husband became pastor, more than a year ago. Mrs. Williams is now able to do her own work and says she feels that she is getting stronger every day. The other day she walked twelve squares without being fatigued.

Granted Power to Call Strike. St. Paul, Minn., Nov. 3.—The members of the Switchmen's Union of North America, employed on the six lines of railroads entering the Twin cities, have been polled on the question of granting the grand lodge full power to declare a strike. The result of the vote, now in the possession of R. J. Martin, chairman of the adjustment committee, is practically unanimous in favor of granting this power.

Gas Explodes. Painesville, O., Nov. 3.—The home of Henry Frank at Madison, this county, was destroyed by an explosion of gas while a daughter was attempting to light a stove. Martha, aged 19 months, who was asleep in an upstairs room of the house, was burned to death.

LOCAL ACTORS SCORE SUCCESS

Delightful Presentation of two Comedies at the Gennett Last Night.

LARGE AUDIENCE PRESENT

"A HAPPY PAIR," AND A "BOX OF MONKEYS" WERE THE OFFERINGS—BOTH WERE EXCELLENTLY DONE.

An audience that almost completely filled the Gennett theatre last night, was highly entertained by perhaps the most finished dramatic productions ever acted and staged entirely by home talent. "A Happy Pair," a curtain raiser and the more elaborate presentation, "A Box of Monkeys," were the offerings of the evening. In the first comedy, Mrs. Guy S. McCabe and Mr. J. D. Taylor, Jr., gave excellent portrayals of the characters, Mr. and Mrs. Honeyton. The spirit of the delightful little comedy was well brought out and the interpretation of the parts excellently done.

In "The Box of Monkeys," Mr. Frank Watt, Mr. J. D. Taylor, Miss Edith Tallant, Mrs. Guy S. McCabe, and Miss Mary V. Shiveley, carried the parts, and without exception all were excellently done. The large audience showed its appreciation of the work of the local artists and received them cordially. Applause was frequently bestowed. The productions were both beautifully staged. The proceeds of the entertainment will be used toward the construction of a swimming pool at the public play grounds.

NEW YORK'S RESULT STILL IN DOUBT

Republicans and Democrats Claim Victories by Varying Majorities.

BARRELS OF MONEY READY

IT IS CLAIMED THAT BOTH SIDES WILL USE CORRUPT PRACTICES IN "ENGAGING" VOTES ON ELECTION DAY.

New York, Nov. 3.—With the election in the state of New York only 3 days off there is still great doubt and uncertainty as to the final result. Both sides claim to be confident but the very fact that all hands are planning to keep everything turned up to a concert pitch until the very morning of election day rather belies the predictions of the interested leaders.

Discussing this phase of the situation a former governor of the state said to the correspondent of the Publishers' Press tonight:

"I have been interested in politics for many years, even more than I care to admit, but there are ends to the present election that puzzles me. So far as I can see, tonight, the two parties will poll their ordinary normal vote on next Tuesday. There is however, a greatly growing element in this state that tries to be independent. I mean the men, who, when they go into the voting booth, draw the curtain tight around them, look carefully to see that they are not observed, and then mark their ballot.

When they turn the ballot over to the inspector of election they stand and watch until it is deposited in the locked ballot box. These are the men who will decide this election and I cannot forecast what they will do. My own opinion is that the result will be in doubt until a large portion of the total vote is counted and my personal belief is that it will be well after midnight before definite figures are obtained."

This statement seems to entirely sum up the situation. Both sides are claiming tonight that they will use no money to buy votes next Tuesday but there are protestations are "not on the level."

A fact that the republican organization never before had so much money at its disposal as at present, and it hardly seems likely that the democratic organization can be bankrupt. By virtue of the Corrupt Practices act of the last legislature, it is now a felony to buy votes but when that act was passed some wise politician had the penal code so amended that it is not possible for a political leader to "hire" as many poll workers as he desires to work for from one election day. This is the way the money is to be paid out on election day. All purchasable voters will be "engaged" on election day by the workers of the two parties and therefore it is altogether likely that the actual money expended will aggregate much more than normally.

OPEN AIR CROWD WAS A LARGE ONE

Dr. Elliott Addressed Many People at Main and Tenth Street Last Night.

MASS MEETINGS TODAY

GATHERINGS ARE FOR BOTH MEN AND WOMEN—GREAT CROWD EXPECTED AT THE GENNETT THEATRE.

Probably five hundred people assembled at the corner of 10th and Main streets last night to hear Dr. Elliott address the open air meeting. The meeting was the first of the kind that has been held by the churches of the city in many years, and it was largely through the solicitation of the eminent evangelist that the churches of the city consented to hold an open air service. Dr. Elliott maintained that the open air meetings originated in the New Testament times and were the real foundation of our churches today.

The address by Dr. Elliott last night was one of the best although perhaps the briefest that he has delivered since he has been in the city. Throughout the course of his remarks he was listened to with interest and a great number of people present. Many of the people who attentively listened to Dr. Elliott, were those that have not heard him in the pulpits of the city and they were charmed with his simple appeal.

Mr. Rykert who has made himself felt in religious circles of the city, by his sweet gospel solos, sang an appropriate number at the open air meeting.

Closing the meeting on the street, a procession of church workers marched to the First Baptist church where additional services were held. The service at this point rivaled the one Friday night in the point of interest that was shown.

Probably the two greatest mass meetings that will have ever been held in this city will be conducted this afternoon by Dr. Elliott and his singer at the First Presbyterian church and at the Gennett theatre. The women's mass meeting will be held at the First Presbyterian church at 2 o'clock and Dr. Elliott will take for his subject "A Great Woman." Although the men's mass meeting held at the Gennett theatre was conceded the largest mass gathering of the kind ever held in Richmond, it is thought by
