

READ AND YOU WILL LEARN
That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung diseases (except consumption) accompanied with severe cough. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Blackberry root, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of the University of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann M. College, Chicago, and scores of other equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisons, or harmful agents, and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

SAILORS MUTINY; SOLDIERS CALLED
English Jack Tars Refuse to Obey Order of Their Officer to Kneel.

BUILDINGS ARE WRECKED
MUTINEERS WERE FINALLY SUPPRESSED BY AN OVERWHELMING FORCE, WHICH CHARGED WITH FIXED BAYONETS.

[Publishers' Press]
Portsmouth, England, Nov. 5.—A mutinous outbreak on the part of 500 to 600 sailors necessitated the immediate mobilization of the entire force in the naval barracks here in order to prevent the affair from developing into a serious mutiny.
The men had assembled in the gymnasium when the senior officer, a man of short stature, wishing to administer a reprimand for breach of discipline, ordered the front ranks to kneel so that he could see the men in the rear. The order was resented and some of the sailors who refused were arrested.
Their comrades, aggrieved, ran amuck, wrecked the canteen and other premises, started to break out of barracks with the intention of wrecking the quarters of the obnoxious officer, and were only prevented from so doing by the fixed bayonets of an overwhelming force. A number of the men who attempted to break out of barracks were arrested.

SENATOR KIRKMAN REPLIES TO UNWARRANTED AND MALICIOUS ATTACK MADE UPON HIM
In a Splendid Statement He Bares His Past Record and Sets Forth His Reasons for Asking a Re-election.

Senator Roscoe E. Kirkman.

Before entering the booth to vote today every person with the right of suffrage should seriously consider the step he is going to take. There are always two sides to every question. Attacks have been made on Senator Kirkman from an irresponsible source. Weigh carefully what you know about the source from which the attacks have come and then consider what you know of Senator Kirkman's past and with that as your judge listen to what he says about the future.

SENATOR KIRKMAN'S STATEMENT.
Last night Senator Kirkman authorized the following statement to be made to the voters of Wayne county:
It is charged that I belong to a machine, that I am controlled by a political boss. The charge is false and without foundation, as I have always been a free lance in political life.
In the session of 1903, as Republican caucus chairman of the House, in the most terrific fight of the session I threw all my influence against the famous Ripper Bill, which was defeated and which was said to be backed by Governor Durbin and the State machine. In 1905 I opposed several measures which were called machine measures.
In local politics I have always claimed the same privilege accorded to every other citizen; that of supporting the candidates of my choice. In the future as in the past, in my legislative work, I shall represent my entire constituency without fear or favor.

MY MORAL CHARACTER HAS BEEN ASSAILED.
I have heretofore made no public denial of any reports attacking my character because the frequency of these unwarranted reports has been equalled only by their malignity and falsity. To have denied them, each in turn, as they appeared would have required a newspaper built on the order of a gnatling gun. I have contented myself in the firm belief that the militant and irresponsible manner in which these reports were circulated would be their own condemnation. I have not been free from fault. But a mole hill has been magnified into a mountain.
What little cause there was for just criticism has been removed long since and for all time. I have had threats conveyed to me for more than a year past from those now attacking me that this attack would be made if I did not withdraw from public life. This was done before I stood for the nomination last February. If I had feared it I should have declined to stand for public office. If I must submit to either I prefer political defeat to intimidation. If this system of intimidation and indiscriminating attack is to prevail in this community no man is safe.
AS TO THE LIBEL SUIT.
It has been stated that I would file a suit for libel against one of our city papers, for political effect, but the statement is without authority from me. When I file a suit for libel it will be for something more substantial than for a political effect. One thing is certain no man or newspaper of financial responsibility dare make the charge of corruption against me in any of my official acts.
A UNITED STATES SENATOR TO ELECT.
If I am returned to the Senate I will have a vote for United States Senator in 1909 to succeed Hemenway. I am not pledged to support any man. I will however vote for a REPUBLICAN and for the man who is the choice of my constituents. My opponent, if elected would undoubtedly vote for a Democrat for that place. This makes it highly important that a Republican state senator be elected at this time. I am now by reason of good health and past experience better able to serve the people of Wayne and Union counties, in the Indiana Legislature than at any previous time.
I beg for no man's vote but with malice toward none, I only ask that each voter apply the Golden Rule.—"Do unto others as you would that others should do unto you."
Signed, ROSCOE E. KIRKMAN.

MINOR MATTERS DISPOSED OF BY THE CITY COUNCIL LAST NIGHT

Attorney William H. Kelly was allowed \$50 for legal services in connection with the Clifford tax case.
The financial report of the city controller for the month ending November 1, showed a balance in the treasury of \$5,762.71. The receipts for the month, which include a cash balance October 1, of \$9,168.09, were \$24,243.27. The expenditures were \$28,243.56.
Council passed a resolution endorsing the postal savings bank system and "Urging" on Congress the necessity of the speedy enactment of a law which will bring about such a system.
The ordinance which provides for all high tension wires of telegraph, telephone and electric light to be placed under ground within one year from the date of the passage of the ordinance, was read for the second time last night and went over for two weeks under the rules.
Councilman Osborn called council's attention to the condition of the floor on the bridge which spans the West fork of Whitewater and also to the bad condition of North F. street from Gaar, Scott & Co's plant to the Richmond Roller Mills. Both matters were referred to the Board of Works.
Amendments to the "Pole Painting" ordinance were read last night and went over to the next week. One amendment is that painting of the poles shall be done within six months from the date of the passage of the ordinance; another that the poles must be painted olive green, excepting the butts, which are to be given a coat of black. Fire alarm poles, which bear alarm boxes, are to be painted vermilion red at the butts, the upper portions to be of olive green. A penalty clause is attached falling to comply with the provisions of the ordinance shall be fined \$5 for each day that such violation continues.

SENT TWO CARLOADS OF POULTRY DOWN EAST
Cambridge, City, Nov. 5.—(Spl.)—Barefoot Bros. shipped two carloads of fancy poultry to Chas. Hawk & Co., New York, Saturday. Two more cars will be shipped the later part of this week to the same firm. One car will contain 720 ducks of the Perkin variety. This is one of the largest shipments made for several months from this city.

Services at St. Paul's.
To correct another notice, it is announced that there will be no evening service in St. Paul's Episcopal church during this week until Friday at 7:30. However, Dr. Elliott will speak every morning in St. Paul's Parish Building, at 10 o'clock, until Saturday.

BUT ONE "E" MAN FOR BASKET BALL
Earlham's Prospects in This Branch of Sport are Not Very Glowing.

IS BUT TWO WEEKS OFF
FOOTBALL SEASON WILL END NOVEMBER 17 AND THE PRACTICE FOR THE INDOOR GAME WILL THEN BEGIN.

A little less than two weeks remain for Earlham's foot ball season and the basket ball enthusiasts are beginning to think about their winter athletic sport. Capt. Chambers is the only member of last year's team in school, and the rest of the team will have to be picked from second team men or new material. Chambers is a fast player and stars at center. Newcomer played as substitute in several games last year and has a good chance of making the team this year. Genn may not enter this season. He failed to show up in as good form last year as was expected and couldn't keep a place on the first team. Among the new men, Kerlin, Birtsch and Hancock are expected to develop into good players.
Practice will begin after the 17th of this month. The Quakers play their last foot ball game of the season on that date with Miami. Graduate Manager Wilson and Student Manager Calvert are working on the schedule and promise a series of interesting games.

INDIANA SCORED HEAVY
DEPAUW AN EASY VICTIM

State University Team Defeated
Greencastle Players Yesterday Afternoon at Bloomington, by a Score of 55 to 0.

Bloomington, Ind., Nov. 5. (Spl.)—Indiana University piled up a score of 55 to 0 against DePauw this afternoon on Jordan Field. Clark, the speedy little halfback of the Indiana team, made six touchdowns. The game served little better than a practice contest for the University players. A number of plays which Sheldon has been trying in practice worked admirably and Indiana is now confident of winning by a good sized score from Notre Dame next Saturday at Indianapolis.

MAY PLAY E. C. FRESHIES

HIGH SCHOOL WANTS GAME
If the Quaker First Year Players and the High School Lads Do Meet a Good Contest May Be Expected—New Castle Saturday.

At the end of Earlham's football schedule, a game will probably be arranged between the Earlham Freshmen and the High School team. Some of the Freshmen of Earlham are on the first team and if the game comes off, the high school lads will give them a hot race although they expect to be beaten.
The High School team will practice faithfully this week, so that when they return from New Castle next Saturday night, the story of the game and the score may be told in their favor. So far 17 points have been scored against them while they have scored 37.

STRUCK TWO MEN
Iron Column, Weighing Eight Tons, Falls Distance of 60 Feet.
New York, Nov. 5.—An iron column 40 feet long and weighing eight tons which has just been placed in position on the second floor of the new Grand Central depot in course of erection at Forty-fifth street and Lexington avenue, toppled over and crashed its way through heavy iron girders to the basement, a distance of 60 feet. It fell it struck a workman named Peterson, killing him instantly, and seriously injured a second man, name unknown, who was thrown from a cross girder on the second floor to the floor beneath. John Statter, foreman, and John Wolf, who were in charge of the crane which caused the accident, were arrested.

The music at the Kuhn-Johnson meeting, held last night in the Coliseum, was furnished by a quartet composed of Messrs. Wood, Cox, Garver and Walters. The Richmond City band also gave a concert.

ONE DOZEN OVER THE COVETED MARK

Hans Wagner, of Pittsburg, the Premier Batsman of National League.

HIS TOTAL AVERAGE .339
OF THE CLUBS CHICAGO LEAD IN STICK WORK AND BOSTON CAME LAST—THE REDS WERE FIFTH.

[Publishers' Press]
New York, Nov. 5.—Only an even dozen of the National League ball players succeeded in maintaining a 300 batting clip through the season just closed. Of these the official averages just announced by President H. C. Pulliam, give the mighty Hans Wagner, of Pittsburg, who in times past has held the Premier laurels in stick work, the first honors for 1906.
The agile Hans leads the National League batsmen with a total average of .339. This is the result of participation in 140 games, during which Hans went to bat 516 times, made 175 hits and scored 193 runs. He made but two home runs, six sacrifice hits, but stole 53 bases.
The batsmen who follow Wagner in the 300 class are as follows: Ferguson, New York, .333; Steinfield, Chicago, .327; Lumley, Brooklyn, .324; Mowrey, Cincinnati, .321; Chance, Chicago, .318; Strang, New York, .318; Donlin, New York, .314; Kling, Chicago, .312; Lobert, Cincinnati, .310; Clarke, Pittsburg, .309; McCarthy, Brooklyn, .304.
"Cy" Seymour, who led the list last year, finished sixteenth the past season, with an average of .286.
The official team averages in batting are as follows:
Team Hits Per C.
Chicago 1316 .262
Pittsburg 1313 .261
New York 1217 .255
Philadelphia 1183 .241
Cincinnati 1198 .238
Brooklyn 1156 .236
St. Louis 1195 .235
Boston 1115 .226
Brooklyn led the league in home runs, the players of that team having made 25. Chicago was next with 20 home runs.
