HUGHES DEFEATED HEARST FOR GOVERNOR OF NEW YORK

The "Yellow Journalist" Got His Deserts, But it Was Only by a Very Narrow Margin and Early Returns Looked Decidedly Blue for the Republicans of the Empire State.

HIS PLURALITY MAY BE 25,000

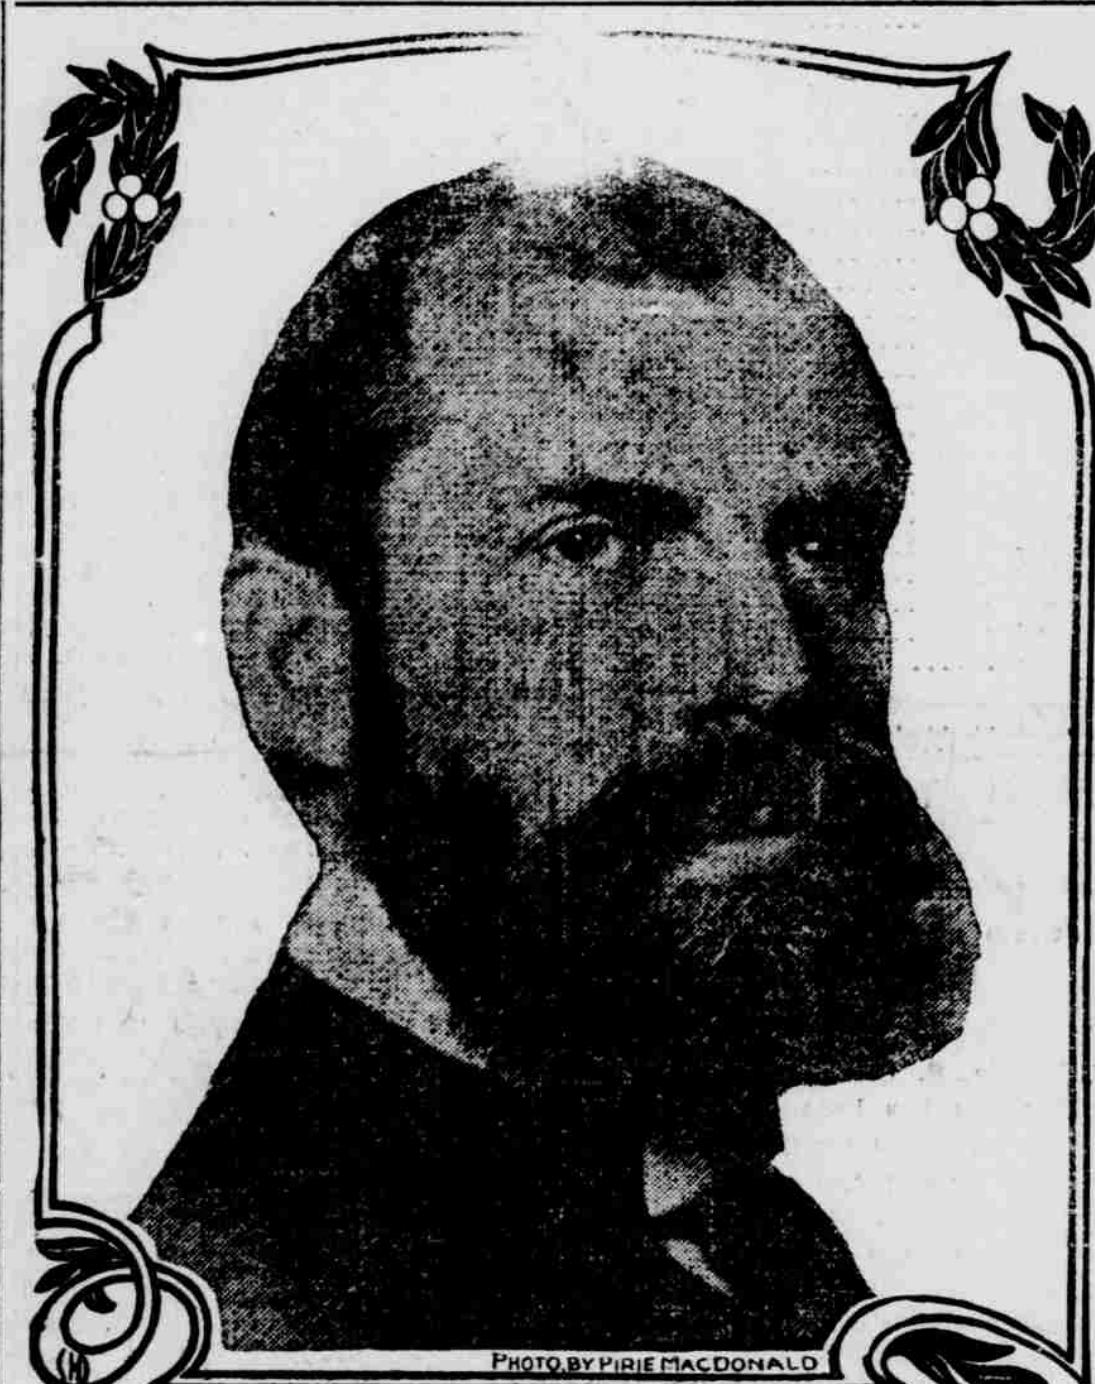

Greater New York Failed to Give Hearst Plurality Expected While the Up-State Districts Did Not Materialize as the Republicans Had Hoped--Generally Conceded, However, That Hughes Will be the Next Governor.

NEW YORK FIGHT CAUSED SURPRISE

Had Generally Been Believed that Battle Would Be One-Sided.

HUGHES MUCH GRATIFIED

IN INTERVIEW HE EXPRESSES BELIEF THAT HE HAD BEEN ELECTED, BUT WANTED TO WAIT FOR FULL RETURNS.

GOVERNOR-ELECT HUGHES.

Republican while the figures are not obtainable indications are that it will be sufficient to carry out any party legislation Mr. Hughes may desire to have enacted.

WOODRUFF'S CLAIM.

FAVORABLE TO HUGHES.

New York—The Times says indications are Hughes elected by about 30,000, but Democrats possibly elect balance of their ticket. 1,026 out of 3,013 election districts in New York state outside city of New York, Hughes 171,467; Hearst 139,751. Same in 1904, Higgins, 193,098; Herrick 145,128.

HUGHES STATEMENT.

New York—When seen at his home Hughes said "I am very much gratified if I am elected as now seems to be the case but not accustomed to speaking in detail on matters which may be any uncertainty. I understand however that my election is pretty well assured but what ever my plurality may be my feeling is not one of elation but one of responsibility."

INDIANA IN THE REPUBLICAN RANKS BY A LARGE VOTE

State Chairman Goodrich Thinks 40,000 is a Conservative Plurality on the State Ticket.

ATTENDANCE AT POLLS NOWHERE SATISFACTORY

Latest Returns from all the Congressional Districts Indicate that Many Republicans Had Hard Fight.

Indianapolis, Nov. 6.—Indiana has gone republican by a very substantial plurality. State Chairman Goodrich in an interview said:

"The returns as yet are too meager to permit of definite statement but I can say with perfect safety that we have carried Indiana by a plurality, that is decisive. I believe from the information that has come to me from various sources that our plurality will be in the neighborhood of 40,000."

One of the striking features of the election was the light vote. This was strikingly manifested in republican strongholds. State Chairman Goodrich and other republican leaders estimated the falling off in some sections of the state at fifty votes to a precinct as compared with the vote two years ago.

Senator Beveridge in commenting on the light vote said: "I predicted several weeks ago that Indiana would go Republican by 75,000 votes. I still believe that our plurality would have been fully that large if our men had gone to the polls. The victory, nevertheless, is very gratifying."

From all over the state come reports of an unsatisfactory attendance at the polls. Fred Sims, republican candidate for Secretary of State seems to have a favorite in running

The canvass of the returns continued throughout the night and will be concluded some time this forenoon. Many of the inspectors were late, and others did not show up at all. They will report early this morning.

KUHN'S BATTLE WAS GREAT ONE

He Cut Into Watson's Richmond Vote in Merciless Manner.

OTHER COUNTIES LOYAL

WHAT WAYNE VOTERS FAILED TO DO, THE REPUBLICANS OF HENRY, RUSH AND FAYETTE DID FOR THEM.

Congressman Watson has been re-elected to Congress from the Sixth district by the smallest plurality the district has ever given, but considering the vicious fight made upon Watson in Wayne county, the victory is a great one.

Wayne county being the banner republican county of the district could under ordinary circumstances be looked upon to roll up a plurality of from 2,500 to 3,000 for congressmen, but as a result of the Richmond fight upon Watson he was unmercifully cut in almost every precinct in the city and fell behind in many of the country districts. What Wayne county was unable to do, several other counties in the district did for her and according to District Chairman Carr's estimate made at 2 o'clock this morning, Congressman Watson will win by a plurality from 1,000 to 1,500. Wayne county's contribution to the plurality of the district will be less than 400, according to Chairman Gardner's estimate. At 2:30 this morning there were several precincts yet to be heard from, but the result at that hour made it certain that Watson's lead over the Rev. T. H. Kuhn would not be greater than 400, and possibly will be less. Union, Fayette and Decatur counties all gave pluralities for Kuhn ranging from 200 to 1,000.

A close analysis of the returns could not be made at the hour of going to press, but it was evident that while a majority of Republicans who went to the polls voted the State ticket straight, they did more or less scratching on
