

QUAKERS FAIL IN THE BATTLE WITH WABASH

Score of 35 to 0 Tells the Story of the First Defeat Administered to Earlham this Year.

THE LITTLE GIANTS PLAYED GREAT GAME

Earlham Made an Attempt at Place Kick in First Half that Frightened the Scarlet Followers.

Crawfordsville, Nov. 10. (Sp.)—The Wabash College "Little Giants" defeated the strong Earlham team, the secondary college champions, this afternoon in a fiercely played contest by a score of 35 to 0.

Although the scarlet completely outplayed and outlasted the Quakers, the visitors put up a nervy exhibition of football and fought every inch of ground in a manner that brought cheers from the Wabash rooters.

The size of the score does not indicate so much the weakness of the Earlhamites as it does the strength of the local eleven. The playing of Coach Cayou's men was a revelation and many who witnessed the struggle made the statement that the "Little Giants" are superior at this advanced stage of the season than any eleven in the state.

Eighteen in First Half.

Wabash scored eighteen of her points in the first half and the remainder in the second period. The scarlet put up such a strong defense in the first half that the visitors did not make a single first down and were forced to punt repeatedly.

On several occasions the Wabash line broke through and blocked attempts at punting.

The only time that the Scarlet goal was in danger was shortly after the kick off in the first half when Earlham made an unsuccessful attempt at placekicking. After bringing the ball out the Athenians raced the pigskin down the field in whirlwind fashion and made the first touchdown in a little less than four minutes of play. The Quakers fought desperately to advance the ball but all attempts at linebushing and end runs proved futile and the backs were often thrown back for a loss.

Carey Made a Run. Shortly after the opening of the second half Carey brought the Earlham delegation to its feet by punting the scarlet line for twenty yards. It was the first time Earlham had made first down in the game and Wabash then put up stone wall defense. The next best gain was made by King who negotiated a forward pass into fifteen yards, Earlham had nothing but praise to offer for the manner in which Wabash played and the friendliest feeling existed between the two elevens throughout the game. Secretary Shaw's Statement. Washington, Nov. 10. — Secretary Shaw has returned to the city from his campaigning tour. When asked if anything would be done to relieve the financial situation, he replied that unless conditions materially changed he would not refund, buy bonds, increase deposits, nor do anything else. The treasury, he says, holds \$25,000,000 that can be used as a last resort, but it will not be used until absolutely necessary. What has been done has been in response to business conditions. Unless business conditions are again disturbed, nothing further can be expected.

Youth's Confession. St. Petersburg, Nov. 10.—The man named Schekter, who threw the bomb at Police Captain Samsonoff of Bialystok, one of the terrorist acts precipitating the Jewish massacre there, was convicted and sentenced to 10 years at hard labor. The prisoner, who is a mere youth, said he joined the terrorist organization as a spy at the instance of the police in 1904, and served the police faithfully for two years. But he became converted to the theories of the revolutionists and determined to expiate his treachery by killing Captain Samsonoff.

Schism Dying Out. Rome, Nov. 10.—Archbishop J. J. Harty of Manila, who has just returned here from the Philippine islands, in conversing with high dignitaries of the church, gave the most satisfactory accounts of the situation in the Philippines, where the Aglipay schism is said to be dying out, being more of a political than of a religious nature. The archbishop said that the division of the money derived from the purchase of the friar lands by the United States as established by the vatican pleased the Filipinos, and the vatican is now investigating the needs of each Philippine diocese, in order to fix their respective yearly portion.

INDIANA NOW THE STATE CHAMPIONS

Notre Dame Aggregation Defeated Yesterday by the Bloomington Eleven.

FINE KICKING CONTEST

SPLENDID DEFENSE OF CATHOLICS WEAKENS IN SECOND HALF AND INDIANA SCORES—DETAILS OF GAME.

Indianapolis, Nov. 10.—Indiana won her state championship laurels for sure in the game against Notre Dame here today. By a score of 12 to 0 the Bloomington team showed easily its superiority on the gridiron. For pretty football no finer game was ever played on the local grounds. It was good, clean foot ball, well marshaled and the teams in spite of the score were well matched.

Indiana played a kicking game, often kicking on the first down. In the first half the ball remained on Notre Dame's territory at all times except when in kicking. Notre Dame was able to kick back beyond the center line. The first half ended without either side scoring. In the second half Indiana started in to win and Notre Dame, which had valiantly defended her goal in the first, seemed to go all to pieces. Kicking was resorted to by Indiana until the ball was within Notre Dame's 25 yard line and then Indiana started to bucking the line. It was effective, and at no time was Notre Dame able to hold the Hoosiers. Steele was put through for a touchdown in short order and goal was kicked. The same program was repeated immediately afterward. The second half ended with the score 12 to 0.

Hare of Indiana and Bracken of Notre Dame, were the particular stars. Hare showed better generalship and Bracken did more individual star playing. The crowd was immense—probably the largest that ever witnessed a local game. Eight thousand persons attended.

NEWCASTLE SHUT OUT

RICHMOND EASY WINNER

High School Team Administered Second Defeat of the Season to the Rose City Team—Allison Was the Particular Star of the Game.

New Castle, Ind., Nov. 10. (Sp.)—For the second time this season the Richmond High School football team administered a crushing defeat to the local high school eleven this afternoon, burying them under a score of 28 to 0.

From start to finish New Castle never had a chance to win but the locals played a better game in the second half than in the first half. R. H. S. executed its plays with lightning speed and ran their New Castle opponents completely off their feet, rolling up 23 points in the first half. In the second half New Castle took a decided brace and put up a magnificent defense against the Quaker onslaught, permitting only one touchdown to be made against them. The feature of the game was the spectacular 50 yard run of Allison, the crack Richmond end.

Averted Class Riot.

Richmond, Ind., Nov. 10.—By agreeing not to wear their brown corduroy trousers to school, boys of the senior class have averted class rioting in the Richmond high school. Matters were at a crisis over the school authorities' ban on the garments, when the seniors gave in. The trousers are the boys' class insignia, and they caused all sorts of class rushes. At first the seniors were inclined to rebel against their teacher's order, but finally agreed not to wear them to school.

MINNESOTA WON FROM CHICAGO

Stagg's Champs Lose a Most Remarkable Game of Football Yesterday.

ECKERSALL IS SHOWN UP

THE MARVELOUS QUARTERBACK WAS HAMPERED AT ALL POINTS—GOPHER ELEVEN WINS BY FLUKE KICK.

[Publishers' Press.] Marshall Field, Chicago, Nov. 10.—Minnesota's Giant eleven defeated the University of Chicago football team here today by a score of four to two.

The game was one of the most remarkable ever seen in the west. On straight playing the score should have been nothing to nothing. Both scores were flukes.

Minnesota's goal from placement, made by Right End Marshall, came after a fumble by Chicago almost under its own goal posts.

Chicago's two points were not obtained by the Maroon players but were given away by quarterback Larkin, who, although he had a clear field before him, chose to run behind his own goal for safety.

Rain fell throughout the contest, making the gridiron slow and muddy and hampering Chicago's runners, who might otherwise have been able to do better work. Neither team was able to gain consistently, either on end runs or through the line.

Steffen, Chicago's half back, of whom much was expected, was thrown behind his own line for a loss nearly every time he carried the ball. Eckersall was caught frequently before he was well under way by the marvelous work of Marshall and Itner, Minnesota's ends. He made only one sensational run. This was for 45 yards.

Larkin, Minnesota's quarter and field general, played a marvelous game. He punted fully as well as Eckersall and in nearly every instance carried the ball back as well as his Chicago rival.

Itner and Marshall had been trained to get Eckersall after each punt and they did. Their manner of getting down the field was positively sensational. They were on top of the Maroon quarter almost before he caught the ball.

The teams showed such speed and clean work that the game would have been a record breaker but for the wretched condition of the gridiron.

Stagg had trained his men to meet Minnesota as it lined up against Nebraska last Saturday and was consid-

erably disconcerted by the changes. Minnesota made its score toward the end of the first half. It was near the end of the second before Chicago made its safety.

YALE LUCK WINS.

New Haven, Conn., Nov. 10.—The gridiron warriors of old Eli have not this season met so stubborn a foe as did battle with them on Yale field today when the Browns eleven held them to a single touchdown and outplayed them at many points of the game. It was largely Yale luck that prevented the Brown eleven from crossing the Yale goal line and scoring in the first half and though once within two yards of the Brown goal the Eli's found their opponents standing like a rock and could not gain an inch. Score: Yale 5; Brown 0.

PENNSY SHUT OUT.

Philadelphia, Nov. 10.—Despite the fact that Pennsylvania showed marked improvement in its play today, yet they were played to a standstill by Lafayette and the game ended without a score on either side. Three times in the first half it looked as though Pennsylvania would score, and once they were on the two yard line, but Lafayette held firm and each time won the ball on downs. Dietrich's punting was brilliant, and the adherents of Pennsylvania saw promise of a good punter in the kicking of Hollenback. Neither goal was in danger in the second half.

NAVY VICTORIOUS.

Annapolis, Md., Nov. 10.—Swarthmore College, of Pennsylvania, was defeated by the Annapolis Midshipmen today by the close score of 5 to 4. Annapolis scored a touchdown but failed to kick goal, while the best that Swarthmore could do was kick a goal from the field.

YOUNG ELIS WIN.

Princeton, N. J., Nov. 10.—The Yale Freshmen defeated Princeton here this afternoon by the score of 14 to 0. Yale outclassed Princeton in kicking and in defensive work. The game was raggedly played through out, fumbling and penalties for off side play being prevalent.

IN THE SURF

Seven Men Perished, Eight Comrades Reaching Dry Land.

Charlottetown, P. E. I., Nov. 10. — Many of the thrilling features that attended the wreck of the full-rigged Finnish ship Sovinto on Carews reef, on Tuesday night, were told by the survivors, who endured much suffering. Seven of the crew lost their lives. When the ship struck three or four men went by the board, tearing open her decks. Almost simultaneously the big ship snapped in two like a pipe stem, throwing the men into a panic. The men on the forward section of the ship succeeded in launching a lifeboat, into which 18 scrambled. Though the distance between ship and shore was less than 200 yards, the boat swamped, all being thrown into the surf. Eight men reached land, seven went to their death and three returned to the ship, afterward being rescued.

TIGERS DEFEAT CADETS

PRINCETON SHOWS FORM

A Drop Kick and a Place Kick Wins for Tigers in Hard Fought Game Against the Strong West Point Team.

[Publishers' Press.]

West Point, N. Y., Nov. 10.—Princeton defeated the Cadets at football here today by a score of 8 to 0. The scores of the visitors were made from a drop kick and a placement in the first half. It was clean open football all the way, but to the experts it looked as though Princeton did not show her entire strength and ability, holding out the fine points for the big test against Yale next Saturday.

Rulon-Miller's first kickoff went over the goal line and Montford kicked from the Army's 25 yard line to the center of the field.

The army blocked a quarter back kick, but Princeton recovered the ball cleverly. On a quarterback run Dillon carried the ball around the right end to the army's ten yard line from which Harlan stepped back to the 25 yard line and for a drop kick made a beautiful goal, the ball falling right between the posts for Princeton's first tally. Hoagland made a good snatch of a forward pass from the army's 30 yard line after ten minutes additional play and carried it within five yards of the army's goal.

At this stage of the game Smith was replaced by Moore at the army's full back position, and the ball was kicked to Harlan, who helped for a place kick on the army's 43 yard line, at which distance he kicked a splendid goal from placement, making Princeton score 8 points.

INDIANS LOSE GAME.

Soldiers' Field, Cambridge, Mass., Nov. 10.—Before the largest crowd that ever attended a non-championship game in the stadium, estimated at nearly 30,000, Harvard this afternoon defeated the Carlisle Indians in two halves of 30 and 25 minutes each, by a score of 5 to 0. Harvard's sole touchdown was made by Wendell after two rushes and a fifty yard run around the Indian's right end.

In many respects the game was disappointing, the dangerous formations expected of the Red Men, not materializing, though end runs and forward passes were numerous. Harvard, too, showed little that was new. Her only touchdown was made on straight football.

MINCK MAXIMS

Most persons in these enlightened days of pure food agitation endeavor to know something about the beer they drink.

It's not the price always that insures the best, either in beer or in any other article of food or drink.

Nothing hinders the selling of low grade beer at a high price or high grade beer at a moderate price.

Cautious people do not let price regulate their purchases. It's quality regardless of cost that prompts most of us.

Keeping informed as to scientific methods of brewing insures the ability to discriminate between the good and the bad.

Some Richmond people use a certain brew of beer; some others use other brews, but most everybody uses Minck's.

Boasting never gave a beer its popularity. But if has down-right merit, even "knocking" can't injure it.

Every home in Richmond, with but few exceptions, in which beer is used at all, has a case of Minck's on hand.

Even pure beer is not always wholesome. Minck's beer combines wholesomeness with purity and in the highest degree.

Rest assured that when you buy Minck's Richmond Export you are getting the best in matter of quality.
