Shot by Negro.

[Publishers' Press.]

Chicago, Nov. 26.—Two men were fatally shot in a revolver battle on the street, which grew out of a controversy over Senator Tillman's proposed anti-negro speech. A third man was arrested after a crowd attempted to visit violence upon him. Arthur Teho, white, 21, was fatally wounded as was Malcolm Bradus, colored, 31. John Flemming, colored, is held. It is alleged he shot both men, having hit Bradus while aiming at Teho.

Didn't Burn.

Hamilton, O., Nov. 26.—Workmen removing debris from the Behm building came across all the papers and books of the sinking fund trustees, kept in a wooden box, and thought to have been destroyed. A safe belonging to J. E. Musey, containing \$6,000 in notes, was taken out in good condition.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and saps ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child, too often, if the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and immediate effect of Swamp-Root is realized. It is sold by druggists, in 50-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

MOTHER OF THE WOMAN SAYS THAT SHE KNOWS OF NO REASON WHY HER DAUGHTER SHOULD SUICIDE.

[Publishers' Press.]

Salem, Mass., Nov. 26.—Mrs. D. G. Chittenden, mother of Mrs. James Scott Mitchell, who was found dead beside her husband's body in a rooming house at Bellevue, O., Nov. 25, has been in this city about two weeks, conducting a palmist's parlor under the name of Grace Courtlandt. She said she lost track of her daughter about five years until a few weeks ago, when she received a letter from Mrs. Mitchell, who was at the time in Chicago. Since then she received several letters from her daughter. Mrs. Chittenden said there was nothing in these letters to indicate any possible cause for suicide. She stated that Mrs. Mitchell was about 30 years old and traveled with her husband as a palmist under the name of Ollie Courtlandt. The permanent home of the Mitchells, she said, was in New York city.

Bellevue, O., Nov. 26.—When James Scott Mitchell and wife of Salem, Mass., were found dead in a rooming house here a strong odor of formaldehyde gas was detected. Coroner Vermilya gave his verdict as double suicide. Investigation revealed facts which tend to show that Mitchell drugged his wife and committed suicide by the same means. The two were traveling together. Mrs. Mitchell being a palmist, going under the name of Ollie Courtlandt.

Mr. and Mrs. W. F. Rice, of Decatur, Ind., have returned home after visiting P. W. Smith and family for a few days.

BEAR TALES FROM PENNSY

ONE DEAD, ANOTHER HURT

Hunters Failing to Kill the Bears They Shot Were Turned on by Infuriated Animals—Thrilling Fight of One Man.

[Publishers' Press.]

Pittsburg, Pa., Nov. 26.—Deaths and narrow escapes from hunting bears are reported here. A party of hunters arriving from Elk county brought an account of the death of John Dicht, 18, who was killed by a bear Saturday. Dicht shot the bear and attempted to bleed it, thinking it dead. The animal, however, was apparently only stunned, for it arose from the ground

and snowed light. In the struggle the bear tore off one of the young man's arms and disemboweled him.

From Tidoute in Warren county a thrilling encounter with a large bear was reported, in which the hunter narrowly escaped. Henry Bradley of East Pittsburg, who is connected with the Westinghouse Electric company, while hunting shot a bear in the flank. Maddened by the pain, the bear rushed toward Bradley, who emptied his repeater at the animal as it descended on him, five of the bullets taking effect, but only tending to increase its fury. Just as the enraged bear reached him and prepared to strike him Bradley threw away his gun and drew his hunting knife. Plunging it into the animal's side to the hilt, he reached the heart and the animal dropped dead at his feet. Bradley escaped with a few scratches.

TROUBLE IN DISARMING.

Governor Magoon is Fast Becoming Convinced That Cubans are Unfit for Self Government—Annexation Sentiment Grows.

[Publishers' Press.]

Washington, Nov. 26.—Secretary Tait received the following dispatch from Governor Magoon at Havana: "Band from Cienfuegos was overhauled by detachment of rural guards under command of Captain Landa, taken into custody, disarmed with difficulty and brought to Cienfuegos. The band was composed of eight

The provisional government is seriously concerned over the disturbances in Cienfuegos and Pinar del Rio. Conservative Cubans and Americans declare it is folly for the United States to think of evacuating the island with the threat of an outbreak always confronting the people.

Governor Magoon is being slowly forced to the conclusion that the Cubans are unfit for self rule.

The annexation sentiment is growing. Others favor a protectorate. Hardly any one believes that there will ever again be an absolutely independent republic.

Small armed bands are operating in different parts of the island. The men demand arms, steal horses, menace villages and have looted a store.
