

## DIED SUDDENLY

## OF HEART DISEASE.

How frequently does a head line similar to the above greet us in the newspapers. The rush, push and strenuousness of the American people has a strong tendency to lead up to valvular and other affections of the heart, attended by irregular action, palpitation, dizziness, smothered sensations and other distressing symptoms.

Three of the prominent ingredients of which Dr. Pierce's Golden Medical Discovery is made are recommended by some of the leading writers on *Materia Medica* for the cure of just such cases. Golden Seal root, for instance, is said by the United States Dispensatory, a standard authority, "to impart tone and increased power to the heart's action." Numerous other leading authorities represent Golden Seal as an unsurpassed tonic for the muscular system in general, and as the heart is almost wholly composed of muscular tissue, it naturally follows that it must be greatly strengthened by this superb, general tonic. But probably the most important ingredient of "Golden Medical Discovery," so far as its marvelous cures of valvular and other affections of the heart are concerned, is Sene root, or *Cotinus* Com. Prof. Wm. Paine, author of Paine's Epitome of Medicine, says of it: "I, not long since, had a patient who was so much oppressed with valvular disease of the heart that his friends were obliged to carry him up stairs. He, however, gradually recovered under the influence of *Cotinus* Com. medicinal principle extracted from Sene root, and is now attending to his business. Heretofore physicians knew of no remedy for the removal of so distressing and so dangerous a malady. With them it was all guess-work, and it fearfully warned the afflicted that death was near at hand. *Cotinus* Com. unquestionably affords relief in such cases, and in most instances effects a cure."

Sene root is also recommended by Drs. Hale and Ellingwood, of Chicago, for valvular and other diseases of the heart. The latter says: "It is a heart tonic of direct and permanent influence."

"Golden Medical Discovery," not only cures serious heart affections, but is a most efficient general tonic and invigorator, strengthening the stomach, invigorating the liver, regulating the bowels and curing catarrhal affections in all parts of the system.

## EATON.

Eaton, O., March 12.—Miss Zenobia Brumbaugh left for New York Monday to be gone some time, as a student in an art school in that city.

Mr. and Mrs. F. P. Filbert entertained the members of the Ant. Weiderson club last Monday evening. After the usual game at euchre, the "spread" emblematic of the name of the club was served, after which the prizes were given out. Miss Edith Gould and Mrs. J. M. Gale won the ladies favors, which were silver spoons with an Easter design while C. F. Brooke and Wm. Hamblidge won silk suspenders, and neckties. The guests prizes, decks of cards, went to Miss Josephine Hunt and Mr. F. C. Filbert.

Mr. and Mrs. A. J. Hiestand entertained at six o'clock dinner, Tuesday evening in honor of Mr. and Mrs. Harry B. Fox, of Peru, Ind. Those privileged to enjoy this most delightful occasion were the members of the old crowd who spent so many happy times together before Harry's removal from this place.

Quite a number of fraternal brethren from Dayton were present at the inspection of Bolivar lodge, F. & A. M. Monday evening.

Fred C. Filbert is off the road spending the week with his wife.

Dr. R. V. Dickey, of Lima, O., transacted business here Tuesday and incidentally calling on old friends.

The members of the Preble County Fair board met again Tuesday and finished up the business begun on Monday. The premium list was revised and the contract given to J. B. Reesor, digging the well at the west barn. The grounds were rented to Dr. C. W. Conley for another year and various committees appointed, one of them being a committee to hire the band for the next fair, consisting of Geo. Bogan, Frank Mitchell and L. C. Reynolds.

Noah Siler, of West Manchester, this county, is serving as one of the petit jurymen on the U. S. jury at Cincinnati, and therefore was unable to attend the meeting of the fair board held here this week.

Mr. and Mrs. Harry B. Fox returned to their home in Peru, Ind., Tuesday, after a brief visit with his parents, Mr. and Mrs. B. Fox.

## PALLADIUM WANT ADS PAY.

Owing to the increased traffic on the Pennsylvania, and the number of night trains run, that road has opened night telegraph offices at Camden, Somerville, Collinsville and Sevenmile all between Eaton and Hamilton.

## It Costs Nothing

To find out for a certainty whether or not your heart is affected. One person in four has a weak heart; it may be you. If so, you should know it now, and save serious consequences. If you have short breath, fluttering, palpitation, hungry spells, hot flushes; if you cannot lie on left side; if you have fainting or smothering spells, pain around heart, in side and arms, your heart is weak, and perhaps diseased. Dr. Miles' Heart Cure will relieve you. Try a bottle, and see how quickly your condition will improve.

"About a year ago I wrote to the Miles Medical Co. asking them if I was suffering with heart trouble, and had been for two years. I had pain in my heart, back and left side, and had not been able to draw a deep breath for two years. Any exertion would cause palpitation, and I could not lie on my left side without suffering. They advised me to try Dr. Miles' Heart Cure and Nerve, which I did with the result that I am in better health than I ever was before, having gained 14 pounds since I commenced taking it. I took about thirty bottles of the two medicines, and haven't been bothered with my heart since." Mrs. L. E. THOMAS, Upper Sandusky, Ohio.

Dr. Miles' Heart Cure is sold by your druggist, and will guarantee that the first bottle will benefit. If it fails he will refund your money. If it fails he will refund your money. If it fails he will refund your money.

## HUGE ICICLE KILLS A NIAGARA MOTORMAN

Falls on His Head from Cliffs of the Gorge.

## OTHERS ARE BADLY HURT

Niagara Falls, N. Y., March 12.—A huge icicle dropped from the cliffs of the Niagara gorge on to a trolley car of the Gorge road this afternoon as it was passing the whirlpool rapids. The motorman was killed. Dr. and Mrs. H. B. Nerry, of Sioux City, Ia., and Miss Nerry were struck on the back and badly bruised, and S. C. Lindsay and wife, of Pittsburgh, were injured, the former having his hand mashed. The injured were taken to the Prospect House.

## INTEND TO RUB IT IN

## A STATEMENT BY REEVES

Head of the Anti-Tuberculosis Society Tells High School Students and Teachers of Plans for Fighting Consumption.

Jesse S. Reeves, of the Wayne County Anti-Tuberculosis society, made a short address in chapel at high school Monday in regard to the work of that society. He says they intend to rub it in on the people of Richmond until they are so tired of hearing of it that they will take action, which is just what is wanted. His first "rubber" was Dr. C. S. Bond, city health officer, who gave them a dose they will remember for some time. He had a very fine collection of slides to illustrate his work and with these he was able to make a very forcible impression of the awful havoc that dread disease is working. He had slides showing the diseased organs of people of this city who had died in the last year. In his talk he drifted from the tuberculosis in the human body to the effect it has on animals. The pupils were greatly astonished by the numberless ways in which the disease can be contracted. Under death rates he showed that when a person committed suicide there was always a long story in the paper, while when there was a death from tuberculosis only the little short death notice that is required, is inserted. Also that when there is a case of smallpox, which is not nearly so dangerous, the people go wild with fear and in the other case they think practically nothing of it.

## Fight is Coming On.

In regard to meat and milk, he told the students that this summer there would be a very interesting fight going on in this city when the health officers required all meat and milk to bear the government inspection as this would mean a loss of a few dollars to a few people who care more for the almighty dollar than they do for the health of the community. This, he says, will only be helped by council making a law that will have to be obeyed. There will also be changes made in the matter of grocers allowing fruits and vegetables to stand outside uncovered where the flies, breeders of disease, can walk all over them.

## Want New Street Sweeper.

They are also making arrangements with a manufacturer to make the city street sweeper that will take up all the dust in the machine. There is no machine made now that will do this, so Dr. Bond is working hard to have one perfected.

## ATHLETIC PARK IS LEASED BY HUCKINS

Manager of the Dayton Shilohs Will Furnish Fast Article of Baseball.

## SEASON TO OPEN MAY 5

DIAMOND TO BE IMPROVED AND A GRANDSTAND ERECTED—LOCAL CAPITAL IS INTERESTED IN PROJECT.

Harry E. Huckins, of Dayton, yesterday leased the Athletic Park of Henry E. Roberts, and as soon as the weather will permit he will commence putting it in shape for baseball. Mr. Huckins last season was manager of the Dayton Shilohs, the fast baseball aggregation which defeated the Giants five games out of six. Yesterday afternoon he said that he intended to secure an even better team than the one he had last season, and would give Richmond an exhibition of baseball as fast as that seen in minor leagues. He intends to play his team each Sunday afternoon, and perhaps he may try one week day game.

The venture of Mr. Huckins into the local baseball world is made at the solicitation of a number of business men, who see the advantage of Richmond having a good baseball team, which will tend to keep those loving a good game of ball from going to Cincinnati, Dayton and other cities on Sunday. When Mr. Huckins was here last fall with his Dayton team, he made a most favorable impression with those who like to see baseball conducted on sportmanlike lines. The members of his club were young fellows of good behavior, and played a wonderfully intelligent game of ball for amateurs. Their caliber was shown when they repeatedly defeated the local colored team, a nine which seemed to bear a charmed life when they played at home.

## Hard to Get the Park.

Mr. Huckins had much trouble in securing the Athletic Park. Manager Dennis, of the Giants, was very anxious to secure the grounds again, as was also a manager from Cincinnati. It was not till yesterday afternoon that the lease was finally signed and the money paid over. The transaction was made at the Union National bank.

Mr. Huckins will commence at once to arrange his schedule, the first game to be played Sunday, May 5. A grandstand, seating between 1800 and 2000 people, will be erected, with protection from the rain and sun.

The diamond will be put in much better shape than ever before; a new backstop will be built, and in fact, everything in connection with the park will be improved. Mr. Huckins said yesterday that he hoped to be able to arrange with the teams in the Saturday Afternoon league, so that they would play their games at the Athletic park. This arrangement will be very satisfactory to the youngsters, who last year were prevented from using the park by the Ammerman. The move of Mr. Huckins to favor the Saturday Afternoon league will no doubt prove a popular one. The members of Richmond's amateur teams did all possible to knock the Giants last year, because of their hostility to the young league.

Mr. Huckins is not a professional baseball manager. He is a foreman in the Kinnard Manufacturing company at Dayton. He follows baseball because he loves the game, and it was this reason more than any other that caused local business men to invite him to come here. It will require quite a sum for Mr. Huckins to carry out his plans, and he has interested local capital in the project with him.

## Schaefer Real Wizzard.

Chicago, March 12.—With the score 432 to 346 against him Jake Schaefer gathered a century run, assumed the lead and defeated George Sutton by 500 to 448 in their 18.1 balk line championship game at Orchestra hall last night. When Jake went to the table for the thirty-first time, and with eighty-six points behind, his most ardent admirers did not give him a chance to win, and this, despite the fact he had, prior to that inning, scored the largest breaks. His gameness and his tenacity to keep plugging away until the last shot had been scored out of the fire were well known to his adherents, but he had bumped against so much hard luck during the game, getting "lineup" after "lineup," and failing to keep control of the spheres, they had given up all hope.

## JUMPED THEIR CONTRACTS

Cunningham Sr., and Barney Doherty Return to Their Homes in the East—Many Changes.

Youngstown, O., March 12.—So many changes have been made in the personnel of the Interstate clubs this season that the fans are at a loss to know just what players really belong to the clubs in the respective cities. George Cunningham, Sr., has jumped Beaver Falls and has taken up his position with an Eastern railway as claim agent. Cunningham returned to New Haven, Conn., and Lee Taylor, of Anderson, Ind., is rushing regularly for his team, the club now being without a utility player. Barney Doherty has jumped Sharon and returned East.
