

Do You Want to Know What You Swallow?

There is a growing sentiment in this country in favor of medicines of known composition. It is but natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public, and satisfied that the fullest publicity can only add to the well-earned reputation of his medicines, Dr. R. V. Pierce, of Buffalo, N. Y., has "taken time by the forelock," as it were, and is publishing broadcast a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery," the popular liver invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and outspoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely dispelled all harping charges who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, native, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated anti-bilious granules. They regulate and invigorate Stomach, Liver and Bowels. Do not breed the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor.

\$50,000 GIVEN AWAY. in copies of Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away \$20,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

THREE SWEEP OVER FALLS IN 24 HOURS

One By Accident and Two Because They Sought Death.

TWO MEN; ONE WOMAN.

Niagara Falls, March 30.—Three people have been swept over the falls in the past twenty-four hours. Shortly before noon an unknown man was seen to lose his life. He lost his footing and fell into the river. Late last night, a Japanese, T. Tania, leaped into the river from one of the Three Sister Islands, and was carried over the Horse Shoe falls. He left behind a note, giving his address as Brooklyn. Before making the leap he calmly folded his top coat as though preparing for a journey. About the same time an unknown woman about 40, jumped into the stream at Prospect Point, leaving nothing that could be identified.

WANTS CUPID TO DO SOME HUSTLING

County Clerk Penny Is Displeased With His Record.

FEW MARRIAGE LICENSES.

Cupid had an off month in this county during March. County Clerk Harry Penny, who represents the blind god in this county, has a large kick on the way his boss has acted. "Only seventeen marriage licenses were issued this month," said Mr. Penny, Saturday afternoon, with a sigh. The death-rate in the county during the month doubled the number of marriages—a record which is a most peculiar one.

Since the first of the year there have been 70 marriage licenses issued, an average of a fraction over one marriage in the county per day. This record is also a very poor one. During January there were 24 marriage licenses issued. During the month of February there were nine marriage licenses issued. Mr. Penny earnestly requests Cupid to wake up and get busy. This request is seconded by all the ministers in the county.

Pain

Wears Out the Nerves.

Do you realize that pain is weakening, and exhausts your vitality? Don't you remember how completely worn out you felt after that last attack of headache, neuralgia, backache, periodical or other spell of suffering? Nearly every case of inflammation, apoplexy, paralysis, epilepsy and insanity is directly due to the weakening influence of pain upon the brain nerves? For this reason every one who suffers from pain of any kind should not fail to get relief as quickly as possible.

You can do this by taking Dr. Miles' Anti-Pain Pills—others do.

"I have used Dr. Miles' Anti-Pain Pills for years, and can say they have never failed. I never keep them in the house, in fact I had rather be without sugar than the Pills. Previous to using them I had always suffered with sick headache, sometimes being in bed for three and four days. I had tried nearly everything I ever heard of, some would seem to help at first, but after a short time the effect would wear off. It is five years now since I began taking Dr. Miles' Anti-Pain Pills, and the results are as good as at first."

MRS. W. H. MARSHALL, Sparta, Colo.
Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit you. If it fails, he will return your money. 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

"The Time, the Place and the Girl."

The scene of "The Time, the Place and the Girl" is laid in the mountains of Virginia at a "rest cure" whither Happy Johnny Hicks, and his pal, Tom Cunningham, have fled from the result of an escapade of Cunningham's in a gambling house in Boston. The complexities of the plot occur while the rest cure is in a state of quarantine with the servants all absent. The guests are forced to do the work themselves—a condition that inspires mutiny among some of them. Of course there is a pretty love story. The production is unusually artistic, and the chorus, from the La-Salle Theatre, Chicago, is the liveliest and brightest crowd of girls that ever left that reservoir of feminine fascinations, Messrs. Adams and Hough.

are the authors of the play and the music is by Joseph E. Howard. Ned Wayburn is the stage manager. This production comes to the Gennett April 11.

North Bros. at the Gennett.
A lady orchestra is only one of the many features of the Great North Bros., comedians, who are to open a return engagement at the Gennett on Monday night. The company is headed by two of America's foremost leading repertoire people, Mr. Harry Chaplin North and Miss Virginia Goodwin.

High class specialties will be given between the acts by the two noted Dragons, Little Patti Seldon and Master Bobbie St. Clair.

The opening bill is "A Daughter of the South." Daily matinees begin on Tuesday. The prices are popular.

Repertoire at the Phillips.

Of the company to appear at the new Phillips this week, a Monongahela (Pa.) exchange says:

At the end of the third act last night of "The Confessions of a Wife," presented by the Ethel Desmond company, the audience showed its appreciation of the excellent acting by calling the stars—Desmond, Walter M. Ebel, her leading man, and Dottie Greene, who was playing the adventuress, and who had the great climax of this act in charge, before the curtain. It was one of the best plays seen in Monongahela this season.

The company will open in Richmond Monday afternoon in "Woman Against Woman," which runs through Wednesday night.

NO MORE PARTY TICKETS

Pennsylvania Issues an Order Cutting Them Off.

FOLLOWS OHIO EXAMPLE.

The Pennsylvania has issued an order to local ticket agents that hereafter no round trip party tickets shall be issued in Indiana. The round trip ticket heretofore has varied in price according to the number of persons in the party. A party of fifty could buy a ticket, with a limit for return not longer than three days from sale, for a rate of one and one-half cents a mile each way, for each passenger. Parties of two hundred could get the same ticket with the same return limit of three days, for one cent a mile for each passenger each way. The ruling against party tickets has prevailed in Ohio since the passage of the two cent law in that state.

SOME NOTES ON "ORIGINS."

"Humpty Dumpty Sat on a Wall," etc., has come down to us from the days of King John. "The Babes in the Wood" dates from the fifteenth century, being founded upon facts, an old house near Wayland Wood, Norfolk, having the whole story in carvings on a mantelpiece. "Little Jack Horner," "Little Miss Muffet," "Old Mother Hubbard," "Mother Goose" and "Goosey, Goosey Gander" are each traceable to the sixteenth century.

"Pussy Cat, Pussy Cat, Where Have You Been?" belongs to the reign of Queen Elizabeth. "Three Blue Mice" first appeared in a music book dated 1699. "A Froggie Would a-Wooling Go" was licensed to be sung as far back as 1650. "Boys and Girls Come Out to Play" and "Lucy Locket Lost Her Pocket" both hail from the period of Charles II. And last of all, "Cinderella," "Jack the Giant Killer," "Bluebeard" and "Tom Thumb" were published by their author, Charles Perrault, in the year 1697.—London Notes and Queries.

Miss Anna M. Town of Utica, N. Y., has invented an arrangement of electric lights of practical service to those who cannot hear the doorbell or telephone bell. When either bell rings a brilliant light flashes through the room, a difference in color distinguishing the two bells.

FIVE PLAYERS FOR LOCAL BALL TEAM

Jessup Has This Number in View But the Names Are Not Yet Announced.

SOME FAMILIAR FACES.

ELEVEN MEN WILL BE CARRIED, INCLUDING TWO PITCHERS AND A UTILITY MAN—READY FOR DATES.

Clarence Jessup, manager of the Richmond baseball team, stated Saturday that he has practically lined up five players for his team. He is not ready to announce who these players are at the present time. It is understood that one of them is Tommy Ritter, a fast outfielder, who played last year with the Muncie Interstate league team and who was signed last fall by the South Bend Central league team but released this spring without being given a try out.

Some Familiar Faces.

There will be three or four familiar faces on the Richmond team but the remainder of the team will be made up of youngsters who are strangers to the local fans. Pitcher Rodenbeck, who for the past two years has been the mainstay in the box for the Purdue University team, has applied for a job and it is probable that he will be taken on to assist Horn in the twirling department.

Will Carry Eleven Men.

Manager Jessup states that he will carry eleven men on the pay roll. He will do all the catching and besides the regular infielders and outfielders there will be two pitchers and a utility man. Manager Jessup is flooded with letters from players all over this part of the country who seek berths on the Richmond team.

Is Ready for Dates.

"I want to get dates with the best independent teams in this part of the country," said Manager Jessup, "and any team that wishes to book week day and Sunday games with the Richmond team will be taken on—that is if they are fast enough." The team will play Sunday games in this city and probably one or two week day games each week. When the team is not scheduled to play here it will play out of town games.

CHICAGO PAPERS NOW IN BITTER WORD WAR

Mayorality Candidates Placed In Background.

TRIBUNE VS. HEARST RAGS.

Chicago, March 30.—There are brain storms in Chicago and the peculiar form of insanity is increasing in erratic velocity. Political meteorologists predict that it will reach its height Tuesday night and by Wednesday the people will be calm again. The rival candidates for mayor, Postmaster Fred A. Busse, republican and Edward F. Dunne, democrat have sunk unwillingly into the background while editors are carrying on an old time war, the Tribune and Hearst's papers being the most bitter. The betting at the present time favors Busse the odds being 6 to 5.

Schubert, an aged German, who disappeared Thursday night, the police found the body of a negro which had been in the water for months. The body of Schubert was found near New York street this afternoon. He supposedly fell into the canal up stream and floated down. His age was 86.

NO INTERVENTION BY THE PRESIDENT

This Is Officially Denied by Two Representatives of The Government.

SITUATION IN THE STRIKE.

THE TRAINMEN ARE CITIZENS, WITH THE UTMOST RESPECT FOR THE LAW AND WILL NOT ACT HASTILY.

Chicago, March 30.—Chairman Knapp, of the interstate commerce commission and United States commissioner of labor, tonight officially denied that President Roosevelt intervened in any way to avert the strike of fifty thousand employes on western railways. Both government representatives refuse to make other statements. Three conferences were held in the rooms of the commission and many railroad men called. In fact all the roads interested were represented. At the close of the day no statement was issued.

It is announced that no satisfactory agreement has been reached by the railway union officials. After a second conference President Garretson said: "The trainmen are citizens; they have the utmost respect for the law, and will give their representatives every opportunity to exercise the fullest function."

ATTERBURY TO ADVANCE

He Will Become a Vice President by End of Year.

W. W. Atterbury, the general manager of the Pennsylvania railroad will become a vice president of the company before the end of the present year. He will likely be succeeded as general manager by W. Hayward Myers, of Williamsport, Pa., now general superintendent of the Erie division, or R. J. O'Donnell, now general superintendent of the Buffalo and Allegheny Valley divisions.

The question of the elevation of Mr. Atterbury to the vice presidency has been under consideration for several months. A new vice presidency will be created to make room for the advancement.

As at present constituted the official roll of the Pennsylvania road does not contain among its vice presidents a motive power man. Mr. Atterbury will fulfill this requirement.
