"For over thirty years," writes a gentleman in Los Angeles, "I have used Arbuckle's Coffee. Many times my family has tried other coffee only to come back to our old reliable, unchangeable Arbuckle's. No other coffee has this uniform never failing aroma, I care not at what price. I have often wished I could tell you this." Many other people have the same opinion. Arbuckle's was the first roasted packaged coffee, and its sales exceed all the others put

together. That it costs you less is due simply to our coffee business being so much greater than any competitors, in fact, it is larger than the next four largest firms in the world combined. We naturally can and actually do give better coffee in ARIOSA than anyone else can give for the price; Being the standard article it is sold at the narrowest margin of profit.

Some grocers will try to sell you instead loose coffee which the roaster is ashamed to sell in a

package bearing his name.

Don't take it, neither the looks nor the price indicate its cup quality. No matter where you buy Arbuckle's ARIOSA, or what you pay for it, it's the same old uniform Arbuckle's ARIOSA Coffee.

If your grocer will not supply, write to ARBUCKLE BROS., New York City.

## BUSSE ELECTED AS CHICAGO'S MAYOR

Once More William R. Hearst And His Yellow Newspaper Force Is Buried.

### THE CAMPAIGN STRENUOUS.

PERSONAL ENDORSEMENT OF REPUBLICAN CANDIDATE BY PRESIDENT ROOSEVELT LARGELY RESPONSIBLE FOR VICTORY.

Chicago, April 3.—Postmaster Fred A. Busse, republican candidate for mayor, was elected yesterday over Edward Dunne, democrat and municipal ownership, by over 13,000 plurality. The traction ordinance known as the "partnership" plan carried by 35,000, showing that the sentiment in favor of immediate municipal ownership is on the wane.

The total vote was: Busse, 164,839; Dunne, 151,718; Brubaker, prohibitionist, 5,875; Koop, socialist, 13,459; Busse's plurality, 13,121.

The campaign, which began with the single issue of traction settlement, degenerated into a bitter personal affair, in which mudslinging and libel suits were the principal features. The result is taken as marking the downfall of William R. Hearst's political pull in Illinois. The democratic campaign for the last two weeks was in full charge of the Hearst faction, nearly all of the old line leaders being ousted from active participation. Two years ago Dunne was elected over John M. Harlan by a plurality of 24,000. His defeat is attributed to a solid republican organization behind Busse and to the fact that many democrats voted against Dunne on account of his alliance with Hearst.

During the campaign many prominent republican leaders of the state, including Governor Deneen and Lieutenant Governor Sherman, took the stump for Busse and last Saturday President Roosevelt entered the campaign by endorsing Mr. Busse as reply to Hearst's attack. Hearst's vilification and mudslinging, under the direction of his New York managers, was carried on in a fashion new to Chicago. Postmaster Busse took no active part in the campaign, his injuries in the Altoona, Pa., wreck, confining him to his home.

## WEATHER FOR 36 APRILS

The Mean Temperature for Month Has Been 51.

WAS WARMEST IN 1896.

Data covering the months of April for the last thirty-six years, have been compiled by the Indiana Weather Bureau, but is not given out as a forecast of the weather conditions for this month. The mean or normal temperature for the last thirty-six Aprils was 51. The warmest April was in 1896 with an average of 60, and the coldest was in 1874, with an average of 46. The highest temperature was 87, April 16, 1896, and the lowest was 19, April 17, 1875.

The average precipitation for the thirty-six Aprils was 3.41 inches. The average number of days with .01 of an inch or more of precipitation was 12. The greatest monthly precipitation was 8.6 inches, in 1880, and the least was 1.27 inches in 1896. The greatest amount of precipitation recorded in any twenty-four consecutive hours was 2.62 inches, April 9-10, 1888. The greatest amount of snow fall recorded in any twenty-four consecutive hours (record extending to winter of 1884-'85 only) was five inches, April 9, 1897.

The average relative humidity was 72 at 7 a. m. and 61 at 7 p. m. The average number of clear days was 8; partly cloudy days, 12; and cloudy days 10. The prevailing winds were from the northwest, and their average hourly velocity was 12 miles. The highest velocity of the wind was 56 miles an hour from the northwest, April 26, 1902.

### A FRIENDLY GROCER

Dropped a Valuable Hint About Coffee

"For about eight years," writes a Mich. woman, "I suffered from nervousness—part of the time down in bed with nervous prostration.

"Sometimes I would get numb and it would be almost impossible for me to speak for a spell. At other times, I would have severe bilious attacks, and my heart would flutter when I would walk fast or sweep.

"I have taken enough medicine to start a small drug store, without any benefit. One evening our grocer was asking husband how I was and he urged that I quit coffee and use Postum, so he brought home a package, and I made it according to directions and we were both delighted with it.

"So we quit coffee altogether and used only Postum. I began to get better in a month's time and look like another person, the color came back to my cheeks, I began to sleep well, my appetite was good and I commenced to take on flesh and become interested in everything about the house.

"Finally I was able to do all my own work without the least sign of my old trouble. I am so thankful for the little book, 'The Road to Wellville.' It has done me so much good. I haven't taken medicine of any kind for six months and don't need any.

"A friend of ours who did not like Postum as she made it, liked mine, and when she learned to boil it long enough, her's was as good as mine. It's easy if you follow directions." Name given by Postum Company, Battle Creek, Mich. Read the little book, 'The Road to Wellville,' in packages. 'There's a reason.'

### Tonsiline Cures Sore Throat

The throat is one of the most delicate parts of the body. It is also one of the most important, and should be given the best possible care. The throat is the gateway to the body. The air we breathe, the food we eat, the liquids we drink, all pass through it. It is very easily affected by cold, strain, exposure, etc., and Sore Throat is therefore one of our most common ailments. Strangely enough, it is also one of the most neglected.

Sore Throat is a very serious matter, for the whole system is in danger in consequence of it. Every Sore Throat patient is a candidate for Tonsillitis, Quinsy, Diphtheria and other serious or fatal diseases, all of which can positively be prevented by the timely cure of the Sore Throat by the use of TONSILINE. If taken in time a dose or two will do it.

TONSILINE is made to cure throat diseases and nothing else. It is the one remedy for this purpose sold largely in the United States. Every user endorses it; every physician, knowing its virtues, commends it.

The one most important thing to remember about TONSILINE is the fact that it really does cure Sore Throat. All druggists, 25c and 50c bottles. The Tonsiline Co. Canton, Ohio.

## BUYS A FINE STALLION

D. Commons Gets Major Print, Trotter, 2:30.

### NOW HAS FINE STRING.

L. D. Commons attended the Indianapolis horse sale last week and bought a very fine stallion, Major Print, 2:30, a trotter of 16 hands and sired by Imp. Print, he by Onward, the sire of Anderson Wilkes. Major Print is a full brother to Fred M. 2:12 1/4, a consistent race horse, that was raced several years by Curt A. Gosnell, Cambridge City, Ind. This with Gale Gamaleon, 2:15, and Electra, Hal, a promising young horse by Hal Dillard, are recent additions to Mr. Commons' training string. All of them appear to be better timber than was ever trained on the Commons Stock farm, before, and that is saying a great deal.

### POLO REFEREE IS LET OUT.

Ruling of Bush Does Not Please Club Owners.

Marion, Ind., April 3.—George Bush, of Logansport, is no longer a referee in the Western Polo league. He was released at a meeting of polo magnates in this city in which the four cities of the league were represented. In his place Thomas Kilgara is named to complete the season. Kilgara was formerly a referee in the Central Roller Polo League and lately officiated in the Interstate league. The action of Referee Bush in forfeiting the game between Kokomo and Marion in this city Saturday night to Marion was not regarded as a judicious bit of refereeing by the polo magnates. Captain Lyons, of the Kokomo team, said that his players intended to return to the floor and were surprised when the referee declared the game forfeited. The Kokomo captain says the game was forfeited without warning. Decision was reached to throw the forfeited game out of the standing and play it over in the local rink Monday evening, April 8.

### FIRST GAME OF BALL FOR THE HIGH SCHOOL.

It Was Played Tuesday Night at Earlham College—Dues for Athletic Association Come in Well.

The first game of base ball in which the high school boys took part, was played Tuesday evening after school at Earlham. The score was 14 to 9 in favor of Earlham. It was practically a practice game for the high school and considering it was the first, the boys showed up remarkably well. Several more games will be played before any out-of-town games are taken on.

The pupils are paying up promptly in their dues for the new athletic association. The committee will soon arrange for some kind of an entertainment to be given for the benefit of the association.

The last number of the lecture course—James Francis O'Donnell—was given at the Masonic hall Monday night, concluding a successful course of five excellent numbers. Mr. O'Donnell presented a faithful portrayal of "The Sign of the Cross," an English drama of three acts, taking the parts of each character, himself without disguise or make-up of any description. He concluded his program with several comic characterizations, which evoked hearty applause. Subscription blanks for next year's course were distributed before the lecture and were collected at the close of the entertainment. The amount subscribed on each will be counted by the committee and if the fund is sufficient, the numbers for next year's course will be booked as soon as possible.

Mr. and Mrs. O. O. Wheeler entertained to 6 o'clock dinner Monday evening Mr. C. G. Smith and daughter Ruth of Connersville.

### THE ELDER HILL RESIGNS

His Son Made President of Great Northern.

St. Paul, Minn., April 3.—J. J. Hill has resigned as president of the Great Northern and will be chairman of the board of directors. L. H. Hill, his son, is now president.

The following was given out at Mr. Hill's office:

"At a meeting of the board of directors, the organization of the company was enlarged by the election of a chairman of the board of directors. J. J. Hill was elected president and Frank H. McGuigan, first vice president. Mr. McGuigan will have direct charge of the operating department. The other officers of the board remain as at present. The company's business has doubled in the last five or six years, which renders necessary the increase of the operating staff."
