FAT MEN SHOW THE FIRE LADDIES HOW

Heavy Weight Ball Players at Cambridge City Put Up A Fine Game.

THE SCORE WAS 22 TO 12.

WORK BY THE UMPIRE WAS PARTICULARLY "ROTTEN" AND HE WAS LUCKY TO ESCAPE WITH HIS LIFE.

Cambridge City, Ind., June 18.—One of the most interesting games that has ever been played on the L. E. & W. ball diamond, was witnessed by several hundred spectators yesterday afternoon. It was a bitterly fought contest between the heavy weights of the city, and the fire department nine in which the former won by a score of 22 to 12, which, as a bystander remarked, was like "taking money from a kid." Joe Groves, of Dublin, professional, umpired the game and was fortunate enough to escape with his life, although a delegation of rooters carried him bodily from the grounds after he had made a "rotten" decision, in the fifth inning. The occasion was enlivened by two itinerant musicians, who were enticed to the grounds by H. S. Beard, and were immediately requested to leave by several indignant players on the fatmen's team. Excepting a few errors, disagreements and mistakes on the part of the umpire, the game was well played. The teams lined up as follows:

Fat Men—Roy Jones, c., Paul Drischel, p., Herbert Taylor, ss., George Drischel, 2b., Boyce Rankin, 3b., W. B. Harris, 1b., Fred Shirley, cf., Frank Frohnape, lf., Chas. Merrick, if.

Fire Department—Frank Morgan, p., Albert Kelsey, c., Will Anstall, 1b., Lyman Dill, 2b., Joseph Moore, ss., Chas. Wheeler, rf., Frank Ingemann, lf., Edward Drischel, cf., Earl Barefoot, 3b.

OXFORD DEFEATS LIBERTY

Latter Organization Played in Poor Form.

Liberty, Ind., June 18.—The locals lost their first game of the season Sunday to the Sloanes of Oxford, O., through miserable fielding and an accident to Catcher Duvall who had a finger nail torn off in the third inning, necessitating changes which weakened the entire team. Liberty out batted the visitors, but their errors more than offset this advantage. Score:

R. H. E.
Oxford . . . 0 0 5 1 1 3 1 4 0—15 7 3
Liberty . . . 1 0 0 0 3 2 0 0 1—7 12 8

DUNKIRK PLAYS FAST BALL.

Club Has Made Good Showing and is After Championship.

Dunkirk, Ind., June 18.—The fast Dunkirk ball team has returned from a week's trip after winning a good bunch of games from some of Indiana's best clubs. Manager Frazee has a club which now looks like Indiana championship winners, and so far have won the series with each club they have met.

Out of six games with Portland the locals have taken five. Thursday and Friday the locals are at Frankfort, and on Saturday and Sunday they return for games at home with the Lebanon team.

Stewart, the fast little Indianapolis short-stop who is playing here, received a broken finger in the practice game at Kokomo on Saturday and will be unable to play for several days.

GREENSFORK IN VICTORY.

Hagerstown, Ind., June 18.—The baseball game Sunday between Hagerstown and Greensfork at L. I. C. C. park resulted 5 to 3 in favor of the visitors.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.

FAIR MUNCIE GIRL IN SECOND ROMANCE

Miss Sue Hemingray Will Soon Become Bride of Robert Scott, Jr.

LOVERS IN SCHOOL DAYS.

DAVY CUSICK, A POLO STAR, WON HER FIRST, BUT PAIR WERE DIVORCED AFTER ONLY A FEW MONTHS' TIME.

Muncie, Ind., June 18.—Miss Sue Hemingray, who eloped from this city with David Cusick, the former Muncie polo star and later divorced from him at Kokomo, is soon to be married to Robert Scott, Jr., of this city, in New York. The wedding will culminate a school-mate romance. Cards announcing the approaching wedding were received in Muncie yesterday morning and last night Mrs. Robert Scott, Sr., and daughter, Miss Daisy, left for New York City, to be present at the ceremony.

Miss Hemingray and Scott attended school together and paid much attention to each other but the "case" was broken up when David Cusick came here from the east to play polo. Miss Hemingray was infatuated with "Flaxen-haired Davy," and as Mrs. Anna Hemingray, her mother, opposed the suit of the polo player, the couple decided to elope and did it in a very romantic manner.

Went to Gotham, Instead.

Young Scott, who is the son of an East Main street hardware dealer, left Muncie a few months ago, telling his friends that he intended to spend some time in California. Instead, he went to New York, where Miss Hemingray has been living with her mother. The old friendship was quickly renewed and in a few days they will be married.

The bride was formerly a leader in society among the younger people and has a host of friends in Muncie. Her mother, who is a wealthy widow, is said to favor her marriage to Scott.

GAMES ARE CANCELLED; GLOOM IN BALL CAMP

Neither Springfield Nor Portland Coming.

WILL TRY FOR OTHERS.

It appears at the present time that only one baseball game will be played in Richmond this week. Monday evening Manager Jessup was notified by the management of the Springfield Central league team that the exhibition game which was to have been played at Athletic park Thursday, was canceled. It was stated that on that date Springfield would play off a postponed game with Terre Haute. Later Manager Hunt of the Portland team notified Manager Jessup that his team would not be here Friday and Saturday. The loss of these three games, which would have attracted big crowds, is a hard blow to Manager Jessup and the fans. If some other team can be booked here for Friday and Saturday the fans will have baseball, but it looks like nothing doing.

UNITED BOYS' BRIGADE

One of the Unique Organizations of the City.

Company A, United Boys' Brigade of America, promises to be one of the most unique organizations in the city. It is composed of the boys of St. Paul's Episcopal church and is rapidly growing in membership. There was a large attendance Monday night when the regular weekly drill was executed. Uniforms will be ordered immediately, the cost of which will be defrayed by socials and entertainments given under the auspices of the boys.

SCHMITZ REMOVED; SUCCESSOR CHOSEN

Men Named in Bribery Graft Prosecution Now Control Municipality.

J. L. GALLAGHER IS MAYOR.

DEPOSED EXECUTIVE REMAINS IN JAIL—SWEEPING CHANGES ARE PROMISED BY THE REFORM INFLUENCES.

San Francisco, June 18.—Under orders of William H. Langdon, district attorney, the board of supervisors, last night adopted a resolution declaring Mayor Eugene Schmitz temporarily unable to perform his official duties and appointed Supervisor James L. Gallagher acting mayor.

The latter says he will assume the mayoralty at once and he denies that he has made arrangements with the district attorney or anyone to resign at demand, in order to make way for a reform mayor whose name is yet to be announced.

Deputy District Attorney Heney, Rudolph Spreckels and Mr. Langdon and their immediate associates in the bribery graft are by this move placed in actual control of the municipal situation.

Contest is Expected.

That they will be allowed to so remain without legal contest by the convicted mayor's attorney is not expected.

The first act of the reform mayor, if the prosecution's program is carried out will be to demand the resignation of practically the entire Schmitz administration, whose places will be filled with reform agents as fast as vacancies are created. Unless disturbed by courts, the new regime will endure until next January.

Schmitz in Jail.

Mayor Schmitz, convicted last week of the crime of extortion, remains a prisoner in the city and county jail. The resolution declaring the mayor's chair vacant and appointing Supervisor Gallagher to fill it was adopted after a fight on the floor. It was voted for by twelve supervisors, each of whose confessions to bribe-taking is transcribed in grand jury records.

As none of these has been indicted for bribe-taking the general opinion is that they are to escape punishment if they continue to do the bidding of the district attorney and his prosecuting associates.

HIGH SCHOOL STUDENTS ANXIOUS TO GET WORK

Places Employing Hands Have Many Applications.

DO NOT WANT TO LOAF.

This is the season of the year when manufacturers and shop owners of Richmond are besieged with multitudinous applications for positions in their establishments. It is the season of the year when high school and college boys are all in search of work and a large per cent of Richmond's school boys are at work in the factories and stores. The hot blasts in the foundry smelting rooms have no terrors to those who want to work. Aching backs are also secondary considerations. The majority of boys now out of school are at work. The wages in many cases are small but acceptable.

BUSINESS CHANGES ARE COMING IN BUNCHES

There Have Been Two in the Past Few Days.

A number of business deals have been consummated in Richmond during the past few days, two of the prominent business houses of the city being affected.

Paul Mount has been taken in half partner with his father, J. Will Mount, in the shoe business on Main street. Will Cunningham, who was formerly in the shoe business at the corner of Seventh and Main streets, has returned to the city from his farm where he has been for the past few years, and has bought a half interest in the Lahrman shoe store, also on Main street. Involving at this store is now going on. Mr. Cunningham will reside on North Eleventh street.

NO DIRECT EFFECT IN CASE OF STRIKE

Local Telegraphers Do Not Belong to Union.

LARGER CITIES INCLUDED.

Although a widespread telegraphers' strike may soon be precipitated, according to the announcement being given to the press at the present time, local employees of the commercial telegraph lines state that Richmond will not be affected directly, as local telegraphers are not members of the union. Telegraphers' unions have their stronghold in the larger cities and but few cities of Richmond's size have centralized organizations. Of course Richmond would be affected indirectly by transmission of messages into the cities affected by the strike, if it is declared. It is thought locally that the trouble will pass without a strike.
