WENT SKIDOO LIMIT BEFORE MAKING RUN

Locals Able to Score Sunday, After Failing to Do So For 23 Innings.

CONTEST A PRETTY ONE.

ATKINS TEAM OF INDIANAPOLIS PROVED TO BE SOMETHING OF A SURPRISE—HARD SCHEDULE FOR WEEK.

(By Tort.)

Richmond, 2; Atkins, 0.

After going the skidoo limit without a run—twenty-three innings—the gloomy hoodoo was kicked over the center field fence Sunday, and the mascot in the shape of a juvenile ball player, bedecked in a red uniform, which made him look as he entered the gate, like an animated strawberry sundae, came to the rescue. Whereupon in the sixth inning of the game between Richmond and the Atkins Saw works team, the locals awoke from their Rip Van Winkle and saved off two runs, any one of which would have won the game.

Just a fair crowd witnessed the proceedings Sunday, but everyone got his eye full. The Indianapolis outfit proved a surprise, playing splendid ball from start to finish with exception of the sixth inning, when two errors combined with two Quaker bingles lost the contest to them.

The game was a pitchers' duel. Nery Nat Fleming against Harry Milam, who pitched two excellent games for the locals early in the season. Nat had the large Indian sign working overtime on the visitors, whiffing twelve of them and allowing only three scattered hits. Milam breezed five Quakers and allowed only six hits.

Fought Hand to Hand.

Both teams fought hand to hand for five innings. The Quakers threatening to score in the first and second innings and the Atkins in the third. Finally came the delicious sixth. After Jessup had been retired on an outfield fly and Minzler had agitated the atmosphere, Cunningham came to bat and instantly smote out a single. Miller, with two hits to his credit, followed him to bat and Milam hurled him a high one, whereupon Mr. Cunningham did the rabbit to second. Here's where the Roman candles exploded. In an effort to waylay Cunney, Catcher Schissel made a heave to Scanton, but the ball went high over second to the feet of the center fielder, who in turn missed it and Cunningham came home.

Miller then lifted a high one to Right Fielder Meyer, who suffered an attack of drowsy, allowing Miller to perch himself on second and score when Wiltermood smashed a single to right. All of this Chicago Yellow American work was hard on Mr. Milam, but greatly appreciated by our run-famished athletes. Fleming ended the inning by breezing Score:

Gossip of the Game.

The Quakers have another big schedule this week. Today and Tuesday they play at Lebanon with Cap Rab Hare's outfit. Wednesday the team will have an open date, although Frankfort wanted them to play there. Thursday there will be two games at Athletic park, one in the morning and the other in the afternoon with the Dayton Shilohs, who appeared here on Decoration day. Friday and Saturday Decatur will appear here and Sunday, the Piqua, O., independent team will show at Athletic park.

The last three games played by the locals show conclusively that the team is badly in need of two heavy hitting players. The pitching staff is as good if not better than any independent team in the state can boast of and the team as a whole, is now playing a fast fielding game. However, no matter how well the pitchers keep the enemy in hand and how fast the support is behind them, games cannot be won until the Quakers have a better offensive department of play.

Minzler was on rap with his usual circus play. Running at full speed, the Pewee stabbed a hot grounder back of second base, then quickly recovering, threw his man out with a beautiful assist to Cameron. Here is

a lad with a bright future before him. Only twenty-eight men faced Fleming Sunday. He was responsible for thirteen putouts, while seven other outs were made on fly balls. The little fellow had everything that goes along with a winning pitcher.

Wiltermood, who has been dishing up numerous spectacular plays, furnished a surprise Sunday by dropping a fly that he did not have to move ten feet to get under. He made up for this mislay by a pretty running catch in left center, almost stepping on the toes of the indignant Mr. T. Rabbit Ritter.

There were only about 900 paid admissions to the game Sunday. The fan populace must give better support if they expect baseball to become a permanent fixture in this city.

Bud Lally was badly off in his umpiring Sunday. The locals get the hot end of the umpiring on the road and of late they have been receiving the same treatment at home.

THE FOURTH AT WHITE CITY

White City, Dayton's Newest Park, a fairland by the Riverside, is preparing for an elaborate celebration on the Fourth of July. A great feature will be the magnificent display of fireworks costing several thousands of dollars. There will be a number of interesting set pieces, besides a large number of rockets, bombs, balloons and many new things in fireworks display. The usual display of fireworks will not be given at the Soldiers' Home this year, thus giving every one the opportunity of seeing this magnificent display at the White City. Free vaudeville and band concerts are given afternoon and evening, every day, at this magnificent new park. Everybody goes to the White City. Cardinals and his Trained Lions will be the free attraction during the week of July 1st.

CROQUET BEE BUZZES STRONGER THAN EVER

Popular Game Holds a Large Number of Business Men In a Vice-like Grip.

ARE PROVIDING COURTS.

A CHALLENGE HAS BEEN RECEIVED FROM NEW HOPE, O., PLAYERS AND PROBABLY IT WILL BE ACCEPTED.

Croquet, which held a number of Richmond business men in a vice-like grip last summer, is again working on these same men, and a large additional number. The croquet bee is buzzing with such strenuousity that a number of the men are agitating the courts of building private courts. The courts all the time that many of those persons who have caught the fever in its most malignant form are in many instances required to sit on the "side lines" and nervously hammer the ground with their mallets, while the "sharks" skue around the courts. There are a number of very good players in Richmond. A party of six of these have constructed a fine court near the Hutton coffin factory at the corner of Twelfth and E streets. The Light, Heat and Power company has placed two large arc lights over the court that the men may play at night after business hours.

Last season it was no uncommon thing to see business men playing as late as eleven o'clock on the public play ground courts. The local players have received a letter from New Hope, written by two of the village players there, stating that if the local players wish to learn how to play croquet to come to New Hope and the boys will teach them the rudiments of the game and incidentally furnish them with a good country supper. The New Hope players received an unmerciful drubbing at the hands of the Richmond "fiends" last year.

KNOCKERS TOOK A HAND

They Aided in Defeat of the Little Giants.

Cambridge City, Ind., July 1.—The Little Giants received defeat at the hands of the Cambridge City casket factory team Sunday morning, in a warmly contested game played here. The score was 8 to 4. Several members of the former team stated that their defeat was due largely to a bad throw in the ninth inning, and the combined efforts of the "knockers' club" which was present. Batteries—Williams, Ingernman and Ingernman; Helms and Drischel.

GOOD GAME WITNESSED AT CAMBRIDGE CITY

Grays Won From New Lisbon By a Close Score.

DUE TO A TIMELY HIT.

Cambridge City, Ind., July 1.—In a closely contested game played here yesterday afternoon, between the Grays and New Lisbon's crack team, the latter suffered defeat by a score of 3 to 2. Up to the last half of the ninth inning the score stood 2 to 2, a safe hit over short allowing the home team to win. An excellent game was pitched by Schevedecker for the locals, and the support was unusually good. The game was witnessed by about 800 spectators, being the largest attendance on any game played this season. Batteries were Connor and Paul; Schevedecker and Riddle. The Little Giants will play one of the Richmond amateur teams on the Lake Erie and Western grounds on the fourth.

LEBANON 6; SHELBYVILLE 1

Shelbyville, Ind., July 1—Lebanon defeated Shelbyville Sunday by a score of 6 to 1. The locals were unable to connect with "Bunny" Hare's bend, while the local twirler was touched freely. SOME MARKET BOOTHS ARE NOT YET SOLD

Gardners Slow in Meeting the Increased Price.

FINE MARKET SATURDAY.

Owing to the fact that there are several gardeners who have heretofore displayed their stuff at the local south side market, but who still refuse to come in with the higher booth prices in vogue, all the market stalls are not yet sold but it is expected that within the next few days all will have been turned over to the gardeners. The market Saturday night was unusually successful. The gardeners completely sold out the hundreds of people who attended. The business was never better, even at a more advanced season. Market Master Waltermann is much pleased with this season's outlook. There will be a large quantity of strawberries on the east end market Tuesday morning.

LID WAS CLAMPED DOWN

Not An Arrest Made by the Police on Sunday.

That the lid was clamped down tight in Richmond, Sunday, was proven by the police court docket. Not a single arrest was made during the entire day, while reports from various parts of the city tended to show that a crow bar of no mean proportions could have budged the lid a single inch.

NEED OF NEW AMBULANCE

PREVIOUS EXPERIENCE HAS PROVEN NO BAR

William Deter and Cora I. Wallick Married.

HIS SECOND; HER THIRD.

County Clerk Harry E. Penny has issued a marriage license to William Deter, age 39 years and Cora I. Wallick, aged 44 years, whose occupation of late, according to the application paper, has been "living at ease." Both Deter and Mrs. Wallick have been living at the same place, 307 North Thirteenth street, and it is said he wooed and won her across the boarding house table.

Her union with Deter is Mrs. Wallick's third sally into matrimony. When eighteen years of age she married husband No. 1, from whom she was divorced. Her second husband died sixteen years ago. This is Deter's second matrimonial experience. His first wife secured a divorce from him in another county January 18 of this year, on the grounds of cruel and inhuman treatment.

Cupid had a fairly busy time of it last month, during which time forty-three June brides pledged their troth to the same number of June bridegrooms. Cupid now realizes that he will have to devote more attention to Wayne county than he has in the past to keep on even terms with the divorce court, which has been, figuratively speaking, buried under a landslide of complaints filed by happy lawyers on behalf of unhappy clients.

NO ONE IN THE CITY JAIL

Unusual Condition Prevailed For Four Hours.

For the first time in two months the city jail was empty for four hours Sunday. There have been very few times in the past few years, when the jail contained no violator of the law, and an empty jail always creates a flurry of excitement among the police officers.

Bubble Blowing.

The mother who has lost the art of bubble blowing has indeed denied her little ones one of life's pleasures. Although the soap and water kind are but very fleeting pleasures, yet large and lasting ones may be made by using a piece of soap mixed with glycerin. Beautiful pink bubbles may be made by adding a few drops of strawberry juice, and to make yellow ones put in a little orange juice.—Exchange.

NICHOLSON BOYS ARE STILL AWAY FROM HOME

No Clue Has Been Found to Their Whereabouts.

MOTHER IS VERY ANXIOUS.

It is said that Mrs. Nicholson, mother of Paul and Clyde Nicholson, the twin boys who mysteriously disappeared from Richmond last week, is now very desirous that the boys be sent to the reform school when they are caught, as she fully realizes that this is the best mode of procedure in their cases. Although nothing definite is known in regard to the boys' whereabouts, it is thought they are in the company of two men, supposed residents of Richmond, who are both crooks, one of whom has served time for thieving.

Mrs. Nicholson is very anxious about her sons' welfare, but not the slightest clue has been found to their whereabouts. The police are making an endeavor to locate the boys.

The mysterious disappearance of the boys is causing much speculation among the residents of the West Side. In case the boys return home and give the names of the men, if they have been with men, who enticed them away from home, it is probable the latter will be roughly dealt with. The opinion is generally expressed by those who know the boys that they will return to Richmond in a short while.

A Sharp Rebuke.

Lord George Bestwick did not like a deluge. When dining once in his club, he noticed a man whom he knew as a defaulter also dining there. The latter called for his bill. As the waiter was bringing it Lord George interposed and, in his commanding, incisive tones, said, "Waiter, bring that bill to me." Coolly casting his eye over its items, Lord George said, in a voice heard all over the room and with a severity of tone which made his unfortunate victim wince, "Before Captain — orders such expensive dinners he should pay his debts of honor."

SIGNED FOR TEN YEARS.

Rome, July 1.—The Russo-Italian commercial treaty has been signed for ten years.

Wife Appreciated It.

They have just "blown themselves" for a new bed, an old fashioned, colonial sort of bed, that looks as though it might have been in somebody's family for a hundred years or so, and they think a great deal of it. They have discussed its many merits time and again, but it remained for the young wife to discover one feature of the new bed that had never appealed to the husband.

"There's one thing I like about the bed," said she, "about the sideboard, and the way it's put on."
"What's that?" asked he.
"It's so low I don't believe a man could crawl under it," said she.—Indianapolis News.
