### Games Friday.

Van Wert at Richmond.  
Bluffton at Kokomo.  
Portland at Decatur.

Van Wert 10; Richmond 0.  
Van Wert, O., Aug. 2.—Before a crowd of 700 fanatics, Richmond was slaughtered Thursday afternoon by the locals, Fleming was in the box for the visitors, and the crack pitcher was maulled all over the lot, eleven singles and three doubles being made off his delivery. The fast Quaker infield took an off day, Morris and Minzler between them perpetrating three errors, while the reliable T. Ritter in center is also charged with a miscue. Manager Jessup relieved Meredith behind the bat and his appearance on the field was the signal for the big crowd to hand him a round of hoots, cat calls and hisses. Local fandom is extremely sore over the action of the Quakers in refusing to play Wednesday's game. Wilmerdort and Fisher played good fielding games for the visitors.

"Buck" Moore was on the firing line for the locals and the Hoosier boys were unable to hit this whirlwind southpaw" being humiliated to the extent of getting three hits, only one of which was hardly worth the mention. Richmond never got a man round the diamond further than to the second sack. Moore was supported well by every player in the field for Van Wert and the game was not won by sheer luck, but by excellent playing upon the part of the local players. Every player of Van Wert got in his knocks and Richmond team was kept busy using the ball as it bounded to all parts of the field. There are no kickers now and the enthusiasts are of one accord in their praise for the local team. Great work can be expected from the Van Wert team in the future.

## ROASTING RICHMOND FOR ITS CONDUCT

Van Wert Bulletin Thinks Forfeited Game Should Have Been Played.

POOR JUDGMENT IS USED.

WENTZ WILL NOT BE USED BY  
EITHER TEAM UNTIL THE CON-  
TROVERSY HAS BEEN SETTLED  
BY KLING.

Speaking of that second game at Van Wert which the locals forfeited to the Buckeyes because Pitcher Wentz, claimed by both teams, was in the box for Van Wert, the Van Wert Bulletin has the following to say:

Richmond announced that Wentz had accepted the terms offered by Manager Jessup and had by telegraph agreed to report for duty. On the other hand Van Wert holds an acceptance from Wentz, in form of a letter dated one day prior to the day the telegram was dispatched. No argument would cause the visitors to change their position and the fans who journeyed to the park, amid most unfavorable weather conditions, were compelled to forego the pleasure of witnessing a game. Umpire Chew officially declared the game forfeited to Van Wert by the score of nine-naught. Van Wert declined to pay Richmond the guarantee of thirty-five dollars exacted by the league rules, and here the controversy was permitted to rest until it can be passed upon by the league's board of general managers.

At best the action of Richmond can result in but one thing—an injury to the new league. The course pursued by Richmond was totally devoid of good judgment and did not bear even the semblance of common sense, but was rather the following of a decision formed by a manager of little, if any reasoning power. The business like way, the way in which the interests of all concerned, could have best been served, was for Richmond to have played the game under protest, and then carried on its arguments on the matter in the privacy of the league councils. Richmond, as well as every other club of the league, should bear in mind that the public never assemble to hear oral arguments by ball players, history proves that there are few really good stump speakers among them.

President Kling, of the Indiana-Ohio league, has issued an order to the Van Wert and Richmond teams to the effect that neither team shall use Pitcher Wentz until the controversy over the right of his services is determined. The evidence in the case will be submitted to the chief executive.

## DECATUR LOSES ITS FAST MAN, RAILING

Pitcher Has Been Bought by  
Michigan Team.

INTEREST IN THE LEAGUE.

Decatur, Ind., Aug. 2.—The local management, after thinking that they had everything finely fixed and the team placed for the remainder of the season, received a severe jolt when Railing showed them a message from Tecumseh, Mich., informing him to report at once, as they had purchased his release from Dallas, and he was now free from that team and was their property. Tom seemed rather disappointed, but as his base ball future depends upon his own actions, he will report to Tecumseh today. This will necessitate the securing of another pitcher.

The new league is creating no little excitement and every evening the local bulletin boards, where the returns are received, are eagerly scanned by the hungry fans who try to figure out the dope. The teams have all so far shown that they are evenly matched and that the patrons of the Indiana-Ohio league will see some very fast baseball in the near future. From all appearance the league is bound to be a success and will prove most satisfactory in the end. The most trouble that President Kling is experiencing at present is the matter of selecting umpires who can stand the gaff and who will stay with the job regardless of the taunts and jeers of the crowds.

### QUARTERLY MEETING SERVICES.

East Germantown, Ind., Aug. 2.—Dr. Fisher, of Kokomo, will conduct quarterly meeting here Sunday. Since the Evangelical church is undergoing repair, the services probably will be held at the Lutheran church, which has been tendered them. ## JENKINS CHAMPION IN TENNIS SINGLES

Defeated Reller, Thursday, in  
Hard Contest.

AUGUST TOURNAMENT ALSO

The final match of the July tennis tournament in singles was played Thursday afternoon when Will Reller and Will Jenkins met. The two "Billiams", both of them good tennis players, cavorted around the courts in pretty fashion and four sets were played before the match was declared finished. Jenkins won his match through the inability of Reller to meet the rapid and fierce volleys sent over the net. Both men played in good fashion, however. Jenkins secured the first set by the score of 6-3, Reller the second by the score of 6-2, while Jenkins won the last two sets by the score of 6-3, 6-1.

Another tournament will be held in the month of August, but owing to the fact that many of the tennis players will take their vacations the earlier part of the month, will not be started until the latter part. Jenkins stands as the champion in singles for the July tournament, while Campbell and Harrington are the champions in the doubles.

### HIDDEN DANGERS.

NATURE GIVES TIMELY WARN-  
INGS THAT NO RICHMOND  
CITIZEN CAN AFFORD  
TO IGNORE.

DANGER SIGNAL NO 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy or thick red ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Richmond proof:

William W. Fry, teamster, of 830 North Twelfth street, Richmond, Ind., says: "For a long time I was uneasy on account of a severe kidney trouble. The secretions were of a bad odor and contained a sediment like brick dust. Many nights I had to get up out of bed five times to pass the secretions. My back ached intensely and there was hard pains around the kidneys. Looking about last winter for a cure for my trouble I was advised to use Doan's Kidney Pills. I got a box and began taking them as directed. Being relieved, I continued the treatment until the malady left me. I give Doan's Kidney Pills my earnest recommendation."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
