Bluffton, Ind., Aug. 9.—Richmond showed complete reversal of form in the game yesterday afternoon and Fleming, by wonderful pitching, backed with gilded support, took the Cliff Dwellers into camp by a score of 2 to 0. The only thing the locals could do with Fleming's delivery was to knock up sickly pop flies. It was not until the sixth inning that a Bluffton base runner penetrated as far as first base and only one Blufftonite reached second base, this event being pulled off in the ninth when Thomas was allowed to roost there a few minutes on an assist to Morris, which was too high to handle properly.

The first run made by the Quakers came in the fifth. Morris singled and was advanced to second by Jessup's sacrifice. Wiltmood then hit a hot infield drive as Morris was running toward third. Passing third base Morris kept right on toward the plate and scored before Wiltmood was thrown out at first.

In the seventh Richmond made its second run. Weaver started the merry-go-round by lacing out a neat single. Weaver then started for second and Vogel threw high over Donovan's head to catch "Stokes." Before Johnson son in center field could recover the ball Weaver was rounding third with full steam on for home. Johnson threw to catch the speeding "Stokes" but the ball hit the latter in the back, allowing him to cross the pan in safety.

**Game a Pretty One.**

The game was a pretty one to see. Hull was in the box for Bluffton and he pitched almost as good ball as Fleming. Only three hits were made off Hull and not a Richmond base runner reached first until the fifth inning. Umpire Thompson distinguished himself by putting decisions, the visitors suffering the most from his yellow work. Richmond was robbed of several hits and perhaps runs by his rank base decisions. When Ryan was called safe at first in the eighth after being thrown out six feet by Fleming, Cameron took to the war-path and attempted to remove Thompson's head by heaving his mit at him. This resulted in Cameron being benched. The score:

**B. Hare Sees Firework.**

Decatur, Ind., Aug. 9.—In a game replete with free hitting and rotten plays, Kokomo defeated the locals by a score of 10 to 8. Kokomo started out like winners, securing eight runs in the first inning and knocking Engle out of the box, and the locals came back in their half and secured seven runs, knocking Hare out of the box. Both Way and Lacey, who pitched the remainder of the game, did excellent work. Lacey proving the more steady in pinches. Engle secured his release immediately after the game. The umpiring of Burke during the series has been excellent and he made a decided hit with the fans by his clever work. Errors were responsible for six of Kokomo's ten runs and for two of Decatur's runs. Score:

**BASEBALL GOSSIP.**

(By Tort.)

Chief Jessup and Tribe returned Thursday evening from Bluffton where that afternoon they participated in the scalping of the Bluffton bucks. The team is now disputing with Decatur at Athletic park over the leadership of the I. O. league. There will be another argument with the Commodores Saturday afternoon. Sunday afternoon the Kokomo Wildcats will be the attraction. President King notified Manager Jessup while in Bluffton that Kokomo would play here instead of Decatur the coming Sunday owing to the inability of the Kokomo management to secure its park on that date. Kokomo has just been strengthened by the addition of Rab Hare, general utility man, and

Collins, the hard hitting outfielder, both of the defunct Lebanon outfit. Hare probably will pitch the Sunday game here.

**Needs a Twirler.**

Manager Jessup is still in search of an additional twirler. Before leaving on the Bluffton trip he wired Pitcher Wentz to join the locals at Bluffton but the big fellow failed to show up. Manager Jessup now thinks that Wentz will never put in an appearance. Jessup has been trying to locate Pitcher Laxon and Shortstop Stewart of the Lebanon team but has been unsuccessful. These two valuable players would round out the Quakers nicely.

**Jim Was Rebellious.**

Jim Cameron furnished a spectacular feature of the game Thursday at Bluffton by being chased out of the game by Umpire Thompson. Cameron caught a base runner in the eighth a mile off first, even tagging him before he touched the bag, but Thompson declared the man safe. Jim strode out to his Ump and in picturesque Rhode Island language drew a word picture of Mr. Thompson which the Umpire resented. He ordered James to ramble benchward. This irritated our first bagger and he heaved his glove at Thompson but the latter side stepped it. Weaver finished the game on first and Cunningham went to right field. Cunny annexed one of the three hits made off Hull.

**Van Wert Strengthens.**

The Van Wert team has been given another reorganizing. Kelly is dropped as second baseman and field captain and made assistant manager. Purdue is now field captain. Purdue, an old time pitcher and infielder, who played on the defunct Dunkirk team, was signed to cover second base. It is given out that Kelly will be used as utility infielder and will be charged with caring for the club's financial affairs when on the road.

**FIRST ROUND IN THE GOLF**

It Will Be Played at Country Club Saturday.

The first round for the gold championship of the Richmond Country club will be played off Saturday afternoon. The pairings for this event were made after the qualifying round was played last week and these pairings have been published. All of the best players in the club are in the fight for the club championship. Dudley Elmer is playing splendid golf this season and appears to be the favorite.

**LEBANON PLAYERS' JOBS.**

Nearly All Members of Disbanded Team Get Positions.

Lebanon, Ind., Aug. 9.—Nearly all the members of the Lebanon baseball team, which disbanded the first of the week, have secured good positions elsewhere. "Bunny" Hare signed with Kokomo in the I. O. league. Pitcher McCormick and left fielder Collins have signed with the Newark (O.) team of the Ohio-Pennsylvania League; Laxon, pitcher; Rains, catcher, and Stewart, second-baseman, go to Kokomo in the new Indiana-Ohio League; Wilson, shortstop, goes to Terre Haute; Engle, pitcher, goes to Decatur, and Hicks, first-baseman, probably will accept an offer from Richmond.

**PLAY AT CAMPBELLSTOWN.**

Ohio Team Recently Defeated the Beavilview Aggregation.

Campbellstown, O., Aug. 9.—The base ball boys who went to Richmond last Sunday and played the Beavilview team, defeating it 7 to 3, will meet the Dublin team next Sunday.

**Amusements****Vaudeville at the Phillips.**

No act in recent weeks shown at the New Phillips in vaudeville has attracted so much interest as "Creo," which, it must be acknowledged is exceedingly clever and mystifying. How the performers get the wooden tripod and plaster case turned into a live, moving and talking woman, remains a complete mystery and is so well done that it baffles solution. There is still ample opportunity to see this week's bill. The evening performance is continued from 7:30 to 10:15. There will be a special matinee for the children on Saturday. A bill of unusual interest will be announced for next week.

**"Buffalo Bill" is Coming.**

After touring Great Britain and Continental Europe for the past four years, Buffalo Bill's Wild West and Congress of Rough Riders of the World is home again. Arrangements have been perfected for the exhibition to appear in this city August 30, exactly as given in Madison Square Garden, New York City, when the show opened its tour this spring, the performance will be presented without curtailment or changes of any sort.

Buffalo Bill has been abroad so long that his homecoming affords what is practically a novelty in arena entertainment. During his absence the little folks have grown into youths and young ladies and those of us who saw the exhibition years ago will take equal interest in seeing it all over again. There will be real novelty provided in many features of the programme and for the homecoming tour of this foremost among arena institutions, two spectacular features have been prepared as special attractions.

**An Extra Attraction.**

The Gennett will throw open its doors Monday evening, August 12th, Ye Colonial Stock company being the opening attraction and will present for the first time in this city "The Struggle Between Capital and Labor." It is a dramatic gem, of great power and beauty. Its pathos moves the heart with its tender emotion and there are a number of amusing comedy scenes interspersed through the play that serve to brighten the intense situations upon which the drama is founded. Between the acts many new and up-to-date specialties will be introduced.

**Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors.**

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by A. G. Luken &amp; Co.

The champion "lady shaver" of the world, as she was known in London, is dead. Miss Nellie Wick was only twenty years old, but as she had been a barber since she was four years old, she had done almost a lifetime's work. Her father was known as the "Whitening barber" and taught his daughter the art of shaving almost as soon as her fingers were long enough to twine around the handle of a razor. Her record performance was the shaving of twenty-one men in as many minutes.

**For an Impaired Appetite.**

To improve the appetite and strengthen the digestion try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H.
