WORK THAT TELLS

Plenty of it Has Been Done Right Here in Richmond.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine, you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Richmond. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Richmond sufferer longer doubt the evidence?

Dallas Cassel, employed at the Starr Piano Factory, and living at 711 South Eighth street, Richmond, Ind., says: "I think it was about fifteen years ago that I was cured by Doan's Kidney Pills. At that time I was working for the Richmond Casket Company and in the course of a hard day's work had quite a bit of heavy lifting which brought on severe backache and dizzy headaches. I had tried several remedies with but no effect. Finally I was induced to get a box of Doan's Kidney Pills at A. G. Luken & Co's drug store. After I had taken them for a short time the dull aching in my back disappeared and with it the headaches. Since that time I have not been troubled, and have recommended Doan's Kidney Pills to many other sufferers."

Boiled Alive.

An old admiral well known for his powers of exaggeration was at supper one night describing a voyage. "While cruising in the Pacific," said he, "we passed an island which was positively red with lobsters." "But," said one of the guests, smiling incredulously, "lobsters are not red until boiled." "Of course not," replied the undaunted admiral, "but this was a volcanic island with boiling lava."

Go French Did Ring.

"A dial ring," said the curio dealer. "A French dial ring of the eighteenth century. You can tell the time with it."

The ring of gold was beautifully chased, and where the stone sparkles usually there was set a tiny sundial.

"All you have to do," said the dealer, "is to stand in the right way, holding the dial so that the sun strikes it, and a tiny shadow will tell you the hour. Such a ring," he concluded, "is more curio than an accurate timepiece. It is only good in the locality it is made for, and even there unless it is set toward the right point of the compass, it will be several hours out of the way."

It Depends.

Dr. Johnson was once consulted by an old lady on the degree of wickedness to be attached to her son's robbing an orchard. "Madam," said Johnson, "it all depends upon the weight of the boy. I remember my schoolfellow, Davy Garrick, who was always a little fellow, robbing a dozen orchards with impunity, but the very first time I climbed up an apple tree for I was always a heavy boy—the bough broke with me, and it was called a judgment."

Expressed Nautically.

A certain admiral upon coming on board a ship was met by an old classmate with the salutation, "Hello, old fellow, how are you?" Observing that the admiral had carefully combed his back hair forward up and over to cover the bald top of his head he added, "Well, that's the first time I ever saw afterguard doing foretop duty!"

NO PLANS RECEIVED FOR SOUTH BRIDGE

Call for a Combination of Iron And Cement Across the Whitewater River.

PROBABLY TWO YEARS.

NOT EXPECTED THAT THE NEW STRUCTURE WILL BE ERECTED UNDER A YEAR AND IT MAY TAKE LONGER.

The county commissioners are in session. The commissioners expected to receive plans for a proposed bridge over the Whitewater river in the south end of the city but these plans did not arrive. These plans call for a combination iron and cement bridge and are expected to arrive by Tuesday. In case they do they will be placed on exhibition for the benefit of the public. Commissioner Wiley stated that it is doubtful if the bridge is built for a year or two yet as the commissioners are of the opinion that there is not yet enough money in the bridge fund to warrant the building of the bridge at the present time. Steps will be taken for the more rapid increase of this bridge fund.

A monster remonstrance, signed by residents of Milton against the issuance of the liquor license to Michael Paxton, was presented to the commissioners. The remonstrators were represented by two attorneys. After seeing the sentiment against the opening of a saloon in Milton, Paxton withdrew his application for a license. The action of the remonstrators means that Milton will be "dry" for two years more.

The commissioners issued liquor licenses to the following Richmond saloonists: William Haberkorn, E. H. Roser, Albert Stauber, F. B. Thompson and Hiram Wieland.

TOUR OF ARTMAN HAS PROVEN A SUCCESS

He Has Returned to His Home in Lebanon, Ind.

VISITED LARGEST CITIES.

Indianapolis, September 2.—Judge Samuel R. Artman, of Lebanon, who by a decision given a few months ago, regarding the constitutionality of the saloon license law, pronounced himself as being emphatically opposed to the liquor traffic, has returned from a lecturing tour of the West, South and East.

Judge Artman, in delivering his talk on the unconstitutionality of the license law, went forth as the representative of a number of Indianapolis business men who believe his decision is right. Judge Artman received no pay for his lectures.

C. E. Newlin, of this city, arranged for Judge Artman's lectures in different parts of the country. In the two months he was absent, Judge Artman lectured in thirty-five states. He stopped in Indianapolis an hour on his way to Lebanon.

Lectures were given in many of the largest cities of the country, beginning with St. Louis. Judge Artman feels that his tour was a success.

REMONSTRANCE IS FILED.

Liquor War at Milton Has Again Been Opened Up.

Milton, Ind., Sept. 2.—The old fight against saloons has been renewed. The town has been "dry" for two years, but Michael W. Paxson is now making application for a license. A remonstrance bearing 219 names has been filed, a majority of sixty-four in favor of the continued elimination of the saloon.

NEW PARIS BANK IS NOT LOSER OF CENT

Report Circulated in Richmond Is Denied.

LYNN BANK MAY LOSE.

It was reported here that the Farmers' bank at New Paris had been fleeced out of \$8,000 by a bogus letter of credit on the Lynn Deposit Bank. Officials of the New Paris bank say there is nothing in the story. A stranger they say cashed a check in Lynn, on the New Paris bank for \$800. The stranger had no money in the New Paris bank and if any one should lose by the deal it will be the Lynn bank.
