DUNKIRK WORSTED IN SECOND CONTEST

Visitors Used Three Pitchers In an Effort to Hold the Quakers Down.

HAY LACKED IN CONTROL.

HIS VIOLATIONS OF THE ANTI-PASS LAW WERE COSTLY TO HIS TEAM—BUSH IS WONDERFUL BASE RUNNER.

(By Tort.) Richmond, 7; Dunkirk, 4.

Despite the fact that Dunkirk sicked three twirlers of note on us Sunday afternoon, Manager Jessup's reformed, reorganized team took 'em 7 to 4. The game started out to be a Quaker swat-fest and feast day, in fact Curis Carmichael was poked out of the box in the first inning, then Harry Hay was substituted and, as in the game Saturday, the lad with the submarine delivery had the locals up to the seventh, when Harry became liberal and began to holler for help. In that inning two hits, a fielders' choice and a base on balls made standing room only on the bags. Harry then walked another man, forcing in a run. Harry wanted to quit at this stage, but Wolfe coaxed him to remain on the firing line. In the eighth Burns led off with a hit, Johnson walked, Jessup sacrificed and Fisher breezed. With these two down Hay soared again and walked the next two men, forcing another run over the pan. Harry again became disgusted with himself and insisted on retiring. Gray went in the box and ended the inning by forcing Plummer to die on an out to first.

Would Have Won Anyhow.

Even had Mr. Hay not violated the anti-pass law, Richmond would have won 5 to 4. In the first the Quakers counted twice on a pass to Plummer and hits by Weaver and Parker. The inning closed in a pretty public play, pulled off by Romine and Willis, Parker and Burns being the victims.

In the second Johnson hit to third, but Willis missed the assist and Rolly wended his way to second. Jessup sacrificed him to third and the fellow counted on Fisher's out to Grey. In the first of the third with two down Dunkirk fell upon Mr. Fleming for two singles and a scorching three bagger by Grey. These hits counted for two runs. Dunkirk presented the Quakers two runs in the local third. Bush led off with a single, Plummer lifted a short one to left which Gray dropped. Weaver dumped a dinky to Hay and the fleet footed Mr. Bush brought the stands up howling by scoring from second by a remarkable sprint. This stunt agitated Mr. Hay and he heaved a high one which got past Wolfe and allowed Plummer to score. After this unfortunate Dunkirk braced and retired the side. A base on balls and Gray's second three bagger counted one run for Dunkirk in the fifth. In the sixth Dunkirk brought in their fourth and last tally on a base on balls and two singles.

Quaker Fielding Perfect.

The game was not an interesting one to watch, but it had some redeeming features, the most pleasing of which was the perfect fielding of the Quakers. Bush ran the bags like a wild man. He got to base every time up except once. In the field he took six chances without a wobble. Fisher made his initial bow before the populace, who were present in large chunks, as a first baseman. The southpaw was as kittenish as a yearling and ate everything that came his way. Mr. Johnson, the Quincy third bagger, was in the game and he performed more than satisfactorily. Big Gray, the I. O. league slugger, gave one of his rare exhibitions of beating up on the ball. The big fellow cracked out two bean triples, which brought in two runs. Score:

GIANTS WIN ANOTHER; HAVE SPLENDID RECORD

They Have Taken 21 Out of 25 Games Played.

Cambridge City, Ind., Sept. 23.—The Little Giants defeated the Lewisville team Sunday afternoon in an interesting and exciting game at the L. E. & W. park. Driscoll and Dillon were the battery for the Giants and had the visitors at their mercy all the while. This victory gives the Giants the distinction of having won 21 out of 25 games played.

BASEBALL GOSSIP.

(By Tort.)

Manager Jessup states that his team will be reinforced by the addition of Pitcher Yingling of the Dayton Central league outfit, who has been sold to the Detroit Americans. Yingling is said to be one of the most promising recruits that the Central league developed last season.

It was announced in the Palladium Sunday that the All Star American Association team would play here this week. This is a mistake. The team that plays here Tuesday, Wednesday and Thursday is the Cincinnati All Stars, a strong outfit made up of minor leaguers. This team will line up as follows:

Benny, first base.  
Bateman, second base.  
Barton, shortstop.  
Tiemeyer, third base.  
Praut, left field.  
Decker, center field.  
Maloney, right field.  
Nippert, catcher.  
Hollis, pitcher.  
Puttman, pitcher.  
Bushelman, pitcher.  
Turner, pitcher.

Bateman will be well remembered by the local fans. He played here in the palmy days of Bill Earle's Entre Nous team. Nippert has also been seen here frequently. He is now playing in the O. P. league. Benny is the manager of the Medicine Hat team, Canadian league champions. Barton is the shortstop on the Baltimore Eastern league team. Tiemeyer played the past season with the St. Paul American Association team. Maloney was with South Bend this season. Decker and Praut are well known minor league stars. Puttman was formerly with the New York Nationals but last season he pitched for Louisville in the American Association. The other three twirlers are minor leaguers. It can be seen that the All Stars have a fast lineup and there will be some great base ball at Athletic park Tuesday, Wednesday and Thursday.

Manager Jessup hopes to secure the Connorsville team as the attraction at Athletic park the coming Sunday. It is quite probable that this fast team will be secured. Connorsville played here early in the season and took the locals in a hard fought extra inning game.

THE GRAYS DEFEAT

Won the Contest in First Inning With Four Runs Secured on Errors.

HARD FOUGHT AFTERWARD.

CAMBRIDGE TEAM DID NOT SEEM TO BE AT ITS BEST—MITCHELL CAUGHT FOR THE NEW LISBON BUNCH.

Cambridge City, Ind., Sept. 23.—The Grays met with their first defeat at the hands of New Lisbon yesterday afternoon, New Lisbon clinching the game in the first inning by bagging four runs on errors. With the exception of the initial inning the game was a hard fought battle, both teams playing good ball; score 7 to 2. Boyd, the Greensfork twirler, was in the box for the locals and pitched good ball, striking out 5 men, but did not get proper support. He was forced to retire in the seventh to right field, on account of an injury to his limb somewhat over a week ago. He was supplanted by Murrey, who held the visitors down for the remainder of the game. He struck out three men. Fink, formerly of Canton, Ohio, was the star player of the game. The visitors seemed to be afraid of him as they let him walk after his first time at bat. Paul seemed to be off in every respect, as he did not cover the home plate with his usual agility and was only able to cut off one man at second. The other members of the Grays played their usual game and the contest was lost by their not being able to place the ball when at bat.

Mitchell, of the Richmond Giants, caught a good game for the visitors, and his noodoo of walking around the batter seemed to work. Conner, ex-Quaker, was their second sacker and protected in a professional like manner, making several good stops and whipping the ball to first in time to cut off the runner. In several instances Cambridge was successful in getting three men on bases, but each time they died there.

QUIGLEY AND BABYLON TEAM TO NEW CASTLE

Will Attempt to Take Measure Of Krell-French.

TO PLAY CAMPBELLSTOWN.

Sunday, September 29, the Quigley and Babylon team of this city will go to New Castle, where the aggregation will again proceed to take the measure of the Krell-French baseball team, supposed by New Castle fans, to be about the best in Indiana. The local aggregation defeated the Krell-French team a few weeks ago in an extra inning contest by the score of 2-1. The Richmond team will go to New Castle Sunday expecting to meet a reinforced team, for the messages being received from the "City of Roses" indicate that there will be "tall diddies" in the office of the manager of their team during the present week, to load on several crack players, preparatory to the onslaught of the Richmond bunch.

The Quigley and Babylon team will probably meet the Campbellstown, O., team in the near future as well as the strong team at Connorsville. Manager Babylon said this morning that games would be scheduled as long as it was possible to play baseball.

A bowling team confident of its prowess, and desiring the gore of any other team in the city which may be organized within the near future, and desiring particularly to meet the old Entre Nous team, has been organized and gives promise of finishing the oncoming season with an exceptionally good record. It is composed of Fred Hoover, Harry Parry, Ed Hunt, Bert Martin and Roy Carmen. All are good bowlers and good scores are expected.

CITY'S LIGHT AND WATER PLANTS UP

Financial Troubles Arising From Them Stir Up People Of Knightstown.

PROVING TOO EXPENSIVE.

COST MUST BE CUT AND AT THE SAME TIME IT IS DEMANDED THAT THE REVENUE BE MUCH INCREASED.

Knightstown, Ind., Sept. 23.—Unless the financial difficulties of the city electric light plant and the water plant are speedily adjusted some of the councilmen will be glad when their terms end and will not likely seek re-election. The financial troubles of the two plants have been the cause of vigorous contention for several weeks and some of the councilmen have been the target of much criticism.

It is obligatory upon the city to decrease the expenses of the two plants and at the same time to increase the income from them, which for some time has been running low. Officials having the electric lighting plant in charge report that it has been running steadily behind during the fiscal year and that something must be done to keep it in operation. There is at present not adequate power for the dynamo and a new engine is needed.

Those who originally favored municipal ownership, fixed the rates too low to please the citizens and it is now found that they are so low that an additional rate in the form of taxes is being taken from the people. The present council, owing to the plants' financial difficulties, has had much trouble keeping them going and only by liberal loans from the city's general fund, have they been able to do so. As this takes money needed for other purposes there is much complaint and the councilmen have a problem on their hands.

A Richmond minister not long ago was asked to perform a marriage ceremony by a young negro couple. As he had employed the groom for a year or two, he consented, knowing what prestige would come to the couple by reason of having been married by a white minister. At the appointed time the happy pair arrived, and the ceremony proceeded:

"Do you take this man for better or for worse?" the minister asked.

For all her shyness the bride spoke up bravely.

"No, sah; Ah don't," she said. "Ah'll take him just like he is. If he was ter get any better I's afraid he'd die, an' if he was ter get any wuss Ah'd kill him myself."—Harper's Weekly.

AMERICAN ASSOCIATION'S GOOD YEAR

Season Just Closed Proved to Be the Best in History of The Organization.

PROFITS WERE VERY LARGE.

TREASURER'S REPORT SHOWS A BALANCE OF MORE THAN \$255,000 FOR THE WORK OF THE SEASON.

Chicago, Sept. 23.—American Association magnates met here Sunday to wind up the affairs of the season.

President O'Brien said: "The American association has just completed the most prosperous season any minor league ever had. The attendance was big in nearly all of the cities and the earnings of the various clubs were far above the mark set last year. Complete harmony prevailed, and I do not think there is a happier baseball family in the country than this league. Prospects for next year could not be brighter."

Practically all of the business was of a financial nature and the earnings of the league were shown to be enormously large. Toledo, Columbus, Indianapolis and Minneapolis had exceptionally profitable seasons.

The report of the treasurer of the association showed a balance of more than \$255,000 for the season's work.

The managers decided to give Columbus the pennant at the regular annual meeting to be held in Chicago during the holidays. It was also agreed to allow the Columbus club to play a series of games with the Toronto club, winner of the Eastern association championship. Games will be played in Toronto Sept. 25, 26 and 27. The remainder of the series will be played in Columbus.

ADMINISTERED A DEFEAT

Beallview Put Campbellstown Out of Business.

Campbellstown, O., Sept. 23.—Beallview defeated Campbellstown Sunday by a score of 24 to 5. It was the most severe beating ever received from an out of town team. Beallview simply outclassed and out played Campbellstown. There were many features on the part of Beallview. The home run hit by Allison, the pitching of Bulla, who allowed but two singles and striking out ten of the Buckeyes, and above all, the heavy hitting of the Beallviews, who knocked out three Campbellstown pitchers. Beallview is by far the fastest team that ever played on the local ball grounds. The score:

Campbellstown	00100220-5 2 7
Beallview	151361450-24 16 4
Batteries—Campbellstown, Bittelow, Pugh, Shafer and Frautz; Beallview, Bulla and Rohe.	
Base on balls—Off Bittelow 2; off Pugh 4, off Shafer 4, off Bulla 2. Struck out—By Bittelow 2, by Pugh 2, by Bulla 10. Earned runs—Beallview 15. Stolen bases—Beallview 8; Campbellstown 1. Left on bases—Beallview 11; Campbellstown 5.

THE SACRED LOTUS.

Sentiment of the Orient about the Fruit of Destiny.

Concerning the rich fruit of the lotus, which grew luxuriantly in the Nile, many charming legends have been told. It was believed that it was so delightful that those who ate of it would never leave the spot where it grew, but for it would abandon home and friends to spend their lives in a dream of serene delight. Homer, in the Odyssey, mentions the lotus eaters who lived on the northern coast of Africa and records their attempts to detain the followers of Ulysses by giving them the fruits of the lotus to eat, so that they should never wish to leave the spot where it grew.

The same poetical idea is known to the Arabs, who call it the "fruit of destiny," which is to be eaten in Paradise, and it is on this foundation that Tennyson built his charming poem of the "Lotus Eaters." This mythical lotus has been identified by several botanists with that indigenous to Tunis, which is a thorny shrub, with berries the size of an olive.

Mungo Park found a species of lotus in Central Africa bearing berries of a delicious taste, which on being dried and pounded made wholesome and pleasant bread. The lotus fruit found in Tunis has a stimulating, almost intoxicating, effect, and it is therefore probable that this plant furnished the foundation of the ancient legends.

WHEN WAGES WERE LOW.

And a Turkey Dinner For Six Cost Only 17 Cents.

"Columbus," said an antiquary of Chicago, "got a salary of \$320 a year—less than a dollar a day. His captains got \$180 a year apiece. His crew got \$2.25 a month. To equip the expedition that discovered America cost \$2,800. The total cost of discovering America was \$7,200.

"Lawyers nowadays, especially corporation lawyers, think nothing of earning a million a year. In the reign of Edward IV. a baronet entered in his diurnal, or diary:

"Paid to Roger Fylpott, learned in the law, for his counsel, 3 shillings, with fourpence for his dinner."

"Ministers often make today \$20,000 or \$30,000 a year, yet John Knox only got \$20 a year, or \$4 a week, and that was a dollar more a week than Scottish judges got.

"Small salaries, those," concluded the antiquary, "but we must remember that in that epoch there were no trusts to inflate prices, and a dollar went a long way. In fact, a Christmas dinner for a family of six would have cost in John Knox's time: For the turkey, 10 cents; cranberry sauce, 2 cents; potatoes, 1 cent; turnips, 1 cent; celery, 1 cent; plum pudding, 2 cents; total, 17 cents, or less than 3 cents a head."

Friendship With Wild Life.

If a fairy had ever offered to grant me three wishes, "the full control of wild animals" would surely have been one of them and probably the first. If we seek opportunities to befriend wild creatures and take advantage of them, we shall often find, as I have done, that there is no lack of response on the part of the animals. I once walked up to a pine skunk, as he was feeding on the ground and picked him up in my hand. He did not seem a bit alarmed, and when a few minutes later I set him down he continued his search for food within a few inches of my foot. On another occasion a yellow throated vireo allowed me to lift her from her nest when I wished to count her eggs and nestled down comfortably on her treasures the moment I put her back. With a forefinger I once stroked the back of a red breasted nuthatch as he was busy feeding on a tree.—Ernest Harold Baynes in St. Nicholas.

An Answered Prayer.

"I sent my little girl," writes a correspondent, "to the butcher's with 50 cents to buy some steak. She came home 10 cents short in change and was sent back for the missing coin. Presently the butcher's boy called with the dime and explained that his employer had found out his mistake, although they had seen nothing of my little daughter. The time went on, and I felt anxious until I heard her singing merrily in the garden. 'Did you go back to the butcher's?' I asked. 'No, mother, it is such a long way, so I asked God to send for the dime. Has it not come yet?'"

Contagious.

An Irish lad on the east side was obliged recently to seek treatment at a dispensary. On his return home from the first treatment he was met by this inquiry from his mother:

"An' what did the doctor man say was the matter wid your eye?"
