## SOME GOOD TALENT TO BE SEEN TODAY

Fans Will Have Opportunity  
To See Fast Players at  
Athletic Park.

REDS COME OCTOBER 8TH.

PARKER HAS SIGNED WITH THE  
PUEBLO, COLORADO, TEAM IN  
THE WESTERN LEAGUE FOR  
NEXT SEASON.

Richmond and Medicine Hat are  
billed to play a double-header this af-  
ternoon at Athletic park. The first  
game will be called promptly at two  
o'clock. Horn and Yingling or Flem-  
ing will work for the locals while  
Medicine Hat will offer Puttman, Sud-  
hoff or Yerkes. Puttman was a mem-  
ber of the New York Giants when that  
team won the world's championship  
and the past season he has been with  
the Louisville team of the American  
Association. Sunny Jack Sudhoff is a  
member of the Toledo team, which fin-  
ished second to Columbus. Sudhoff  
was formerly with the Cincinnati  
Reds. Big Tiemeyer, the St. Paul  
third baseman, will also be in the  
Medicine Hat lineup.

### A. B. C.'s Coming.

Manager Jessup states that next  
Wednesday and Thursday the locals  
will cross bats with the Indianapolis  
A. B. C.'s. This team is the champion  
colored team of the state and many lo-  
cal fans have been soliciting Manager  
Jessup to secure dates with the col-  
ored champs to test their much toun-  
ted ability. This team will be a great  
card and if the weather is favorable  
big crowds are looked for.

### Reds on October 8.

Manager Jessup has completed ar-  
rangements for the appearance here  
of the Cincinnati Reds on Tuesday  
October 8. The Reds will present  
their strongest lineup. This season  
several fast independent and minor  
league teams have taken the measure  
of the Reds and from this time on the  
Reds will take no chances meeting  
defeat at the hands of "the little fel-  
lows." Richmond fans are hot root-  
ers for the Reds and it is expected  
that the largest week day crowd of  
the season will be at Athletic park  
when the Reds play here.

Burns, the big Quaker outfielder,  
spent Saturday visiting with the home  
folks. He will be here in time to  
work this afternoon. Burns is a hot  
favorite with the Richmond fans. The  
big blonde is always in the news.

### Going to Colorado.

Richmond fans would like to see  
Parker at second base for the next  
season but this pleasant hope is  
denied them. Parker the first of this  
month signed a contract to play next  
season with the Pueblo, Colorado,  
team of the Western League. He is  
sure to make good and Quaker fans  
predict that he will break into the  
major league ranks before two sea-  
sons have come and gone. Parker has  
only played professional ball for three  
years. The Pueblo team is owned by  
Frank Selee, former manager of the  
Boston and Chicago Nationals.

### The Beautiful London Air.

When in Africa, before he came over  
to qualify for Middlesex, Vogler would  
not admit the possibility of a ball  
swerving. "I'll see it before I believe  
it," said he. So he came over and  
found, as others have, that our air is  
different from that at the Cape, where  
the ball may be said never to swerve  
in the air. When I read that 6,000  
tons of coal hang suspended over Lon-  
don the wonder to me is that the ball  
ever reaches the batsman. Cricket was  
not invented to be played in a coal  
mine.—Fry's London Magazine.

## WEATHER MAN BUSY; RAIN CHECKS GIVEN

Medicine Hat and the Rich-  
mond Team Will Play a  
Double Header Today.

### FOUR INNINGS PLAYED.

AT THAT TIME THE SCORE WAS  
TWO TO ONE IN FAVOR OF THE  
CHAMPIONS OF THE POLAR  
BEAR LEAGUE.

(By Tort.)

Medicine, 2; Richmond, 1.

A contest in four stanzas was pulled  
off Saturday afternoon between the  
locals and the Medicine Hat champs.  
At the conclusion of the fourth, with  
the score two to one in favor of the  
Polar Bears, the weather man butted  
in with some moisture and the rain  
checks were passed out. It did not  
take long to pass out these checks. The  
attendance was very light, in fact, to  
quote Nat Fleming, there were not  
enough present to start an argument.  
This afternoon the same teams will  
play a double header at Athletic Park,  
the first game to be called at 2 o'clock.

Mr. Burns was absent in left field.  
He will be there, however, Sunday. In  
place of Burns in left field Saturday af-  
ternoon was Pitcher Yingling. In the  
first Barton led off for Medicine Hat by  
smoking the ball to the vicinity of the  
Dayton star, who misjudged it and  
Barton was allowed to take three bases  
on the drive. Bateman scored him  
with a single. Geyer breezed and Val-  
doise forced Bateman at second. Val-  
doise started to steal second, Jessup  
overthrew second and the big fellow  
scramped home. Decker hit one to  
Bush who messed it. Nippert was re-  
tired at first. In the second Benney,  
with one down, hit for three bases and  
the Polar Bears threatened to score  
again, however the next two men were  
retired easily. In the third Horn sin-  
gled and Bush and Plummer filled the  
bags by beating out bunts. Weaver  
forced Horn at the Plate, Parker skied  
to Geyer who prevented Bush from  
counting by a beautiful assist to the  
plate. Benney then threw wild to  
second in an effort to catch Plummer  
napping, allowing Bush to count.  
Yingling went out, third to first. In  
the fourth came the gentle rain. It  
takes nerve for the weather man to  
dish up rain in snowball weather, but  
he did so. Score:

## EASTHAVEN DEFEATED FOR THE THIRD TIME

Browns Won Saturday Game  
By a 10 to 7 Score.

### BATTING WAS A FEATURE.

The Browns defeated Easthaven  
Saturday afternoon in a very interest-  
ing contest, this making the third suc-  
cessive defeat the Browns have inflic-  
ted on Easthaven. The score was 10  
to 7. The features of the game were  
a fast shoe string catch by Martin in  
left field for the Browns and the bat-  
ting of Cooney and Kuhnbeck, each  
getting three hits out of three times  
at bat, two of Kuhnbeck's being for  
three sacks and one of Cooney's for  
the same number of bases. In the sev-  
enth inning with two men down he  
slugged the horsehide to the left fence  
driving in the two winning runs.

### SACRED THREADS.

The Cords Worn by the Three Castes  
of the Hindoos.

The sacred thread of the Brahmans is  
well known. It is a caste distinction  
assumed at an early age and never  
parted with. It must be made by a  
Brahman and should consist of three  
strands, each of a different color, for  
ty-eight yards in length, doubled and  
twisted together twice, the ends tied  
in knots. It must be worn next the  
skin, over the left shoulder, hanging  
down to the thigh on the right side.  
The three castes of the Hindoos are  
distinguished by the material of these  
threads—cotton for the Brahmans,  
hemp for the warriors and wool for the  
artisans. The Parsees also wear the  
sacred thread, and boys of seven or  
nine are invested with it, the threads  
used being made always of fibers of  
the suru tree. Monier Williams de-  
scribes the sacred girdle of the Par-  
sees as made of seventy-two woolen  
threads, forming a flat band, which is  
twined three times around the body  
and tied in two peculiar knots, the se-  
cret of which is known only to the  
Parsees.

The use of "medicine cords" is com-  
mon among North American Indians.  
Mr. Bourke describes those worn by  
the Apaches. These consist of one,  
two, three and four strands, to which  
are attached shells, feathers, beads,  
rock crystal, sacred green stones and  
other articles, doubtless employed sym-  
bolically.—Chambers' Journal.
