NEW INDICTMENT AGAINST POWERS

Franklin County Grand Jury Returned One Late Tuesday Afternoon.

CONSPIRACY IS CHARGED.

OTHERS BESIDES POWERS ARE IMPLICATED IN THE CASE, AMONG THEM BEING HOWARD R. DENTON.

Frankfort, Ky., Oct. 2.—The Franklin county grand jury late Tuesday returned an indictment charging Caleb Powers, now being held in the Goebel assassination case, and others with conspiring together with intent to procure others to swear falsely as witnesses in the Scott circuit court, to the effect that Henry Youtsey of Newport, now in the state prison under conviction of complicity in the Goebel case, had admitted that he fired the shot which killed Governor Goebel in January, 1900. The others indicted with Powers are Howard R. Denton, of Newport, a lawyer; Jennie Gentry, alias Julia Sars, of Lexington and Dave Cushing, said to be of Kenton county.

The indictment charges that those above named did unlawfully, willfully and corruptly conspire, confederate and agree together with the intent and for the purpose of procuring and inducing John Rogerson, alias J. C. Martin and J. C. Matteson, two convicts in the Kentucky penitentiary at Frankfort, Ky., on a future trial of Caleb Powers, then and now under indictment and awaiting a fourth trial in the Scott circuit court, charged with the crime of being accessory before the fact to the willful murder of William Goebel, to raise and feloniously swear and give in evidence in the Scott circuit court at the coming fourth trial of Caleb Powers that

Henry Youtsey, who is a witness and had theretofore testified as witness for the commonwealth of Kentucky against said Caleb Powers, and now in the penitentiary at Frankfort, in the presence and hearing of John Rogerson, alias J. C. Martin, and J. C. Matteson, in substance and effect did say:

"Hocker Smith got a bunch of keys. We tried them and found one to fit. I kept that key and the next morning I went in the room and fired the shot myself that killed William Goebel. I alone am responsible for it, and the other persons accused had no hand in it, and what I have heretofore sworn to against Caleb Powers was false."

TUMORS CONQUERED

Overwhelming Proof that Lydia E. Pinkham's Vegetable Compound Succeeds.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy Tumor.

The growth of a tumor is so insidious that frequently its presence is wholly unsuspected until it is well advanced.

So called "wandering pains" may come from its early stages or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain, from the abdomen through the groin and thigh.

If you have mysterious pains, if there are indications of inflammation or displacements, secure a bottle of Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, right away and begin its use. The following letters should convince every suffering woman of its virtue, and that it actually does conquer tumors.

Mrs. May Fry, of 836 W. Colfax Ave., South Bend, Ind., writes:

"I take great pleasure in writing to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I also took the Blood Purifier in alternate doses with the Compound. Your medicine removed a cyst tumor of four years' growth, which three of the best physicians declared I had. They had said that only an operation could help me. I am very thankful that I followed a friend's advice and took your medicine. It has made me a strong and well woman and I shall recommend it as long as I live."

Mrs. E. F. Hayes, of 26 Ruggles St., Boston, Mass., writes:

"I have been under different doctors' treatment for a long time without relief. They told me I had a fibroid tumor, my abdomen was swollen and I suffered with great pain. I wrote to you for advice, you replied and I followed your directions carefully and today I am a well woman. Lydia E. Pinkham's Vegetable Compound expelled the tumor and strengthened my whole system."

Mrs. Perry Byers, of Mt. Pleasant, Iowa, writes:

HAS TYPHOID FEVER. New Paris, O., Oct. 2.—Harry Braw-

Dear Mrs. Pinkham:— "I was told by my physician that I had a fibroid tumor and that I would have to be operated upon. I wrote to you for advice, which I followed carefully and took Lydia E. Pinkham's Vegetable Compound. I am not only cured of the tumor but other female troubles and can do all my own work after eight years of suffering."

Mrs. S. J. Barber, of Scott, N. Y., writes:

"Sometime ago I wrote you for advice about a tumor which the doctors thought would have to be removed. Instead I took Lydia E. Pinkham's Vegetable Compound and to-day am a well woman."

Mrs. M. M. Funk, Vandergrift, Pa., writes:

"Dear Mrs. Pinkham:— "I had a tumor and Lydia E. Pinkham's Vegetable Compound removed it for me after two doctors had given me up. I was sick four years before I began to take the Compound. I now recommend Lydia E. Pinkham's Vegetable Compound far and near."

Such testimony as above is convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for Tumor Growths as well as other distressing ills of women, and such symptoms as Bearing-down sensations, Displacements, Irregularities and Backache, etc. Women should remember that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women. Don't forget to insist upon it when some druggist asks you to accept something else which he calls "just as good."

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham in advising. Thus she is especially well qualified to guide sick women back to health.

ley, son of Mr. and Mrs. W. D. Brawley is critically ill with typhoid fever.
