Friday Evening's Session Was A Pleasant One.

QUOTATION FROM AUTHORS

Centerville, Ind., Oct. 5.—The Travelers' League met on Friday evening with Mrs. H. V. Austin, the president, Mrs. Emilie K. Anderson presiding. The minutes of the previous meeting were read by the secretary followed by miscellaneous business. The program included quotations from various authors and a number of excellent literary selections were read, among which were descriptions of Monticello and Montpelier, the homes of Jefferson and Madison with reminiscences of the distinguished person that have made these stately old mansions famous. Biographical sketches of William Wirt and other noted authors with selections from their writings were read. "The Swans of Will" to anonymous and "The Discoverer" by Edmond Clarence Stedman, were among the poems which were given. An informal discussion on various authors came after the regular program and a light luncheon was served. The league adjourned to meet on next Wednesday evening.

EXPECT BIG CROWD AT TODAY'S CONTEST

Quakers Will Meet the North Vernon Aggregation at Athletic Park

"HUCK" WALLACE HOME.

HE MADE A SPLENDID RECORD IN THE EAST, WINNING SIXTEEN OUT OF TWENTY-SIX GAMES—POLO OFFERS.

This afternoon at Athletic park one of the largest crowds of the season will witness the game between the Richmond and North Vernon teams. With the North Vernon outfit will come about three hundred or four hundred rooters to cheer their pets on to victory. North Vernon has a strong independent team of minor leaguers who will give the locals a run for their money. Richmond will present its usual lineup with either Fleming or Horn in the box.

Wallace Is Home.

"Huck" Wallace, the well known local ball player, has returned to Richmond for the winter, after a successful season in the East. Huck started the season with the Lancaster, Pa., in the Tri-State league. Later he was farmed to the Greensburg, Pa., team in the Western Pennsylvania league. Wallace managed this outfit the last few weeks of the season. He made a splendid record in the box, winning sixteen out of twenty-six games.

Jessup Has Offers.

Manager Jessup has received flattering offers from the Youngstown and Canton teams of the Interstate Polo league to play goal this coming season. Bobbie Hart, the crack rush, who is managing the Youngstown team, is very anxious to sign Jessup. He states in a letter that Jessup is on Canton's reserve list, but that he thinks he can secure him from Canton. Bobbie is evidently over confident as the letter from the Youngstown manager shows that Jessup is badly wanted there.

Will Don the Spangles.

George Cunningham and Kid Houghton, the other two local professional polo players, will don the spangles again this season. Both of these fast rushes have received good offers, but have not yet signed contracts. "I may play polo the coming season," said Clarence Jessup Saturday. "I have received two good offers, but I have not yet decided to accept either one of them." Jessup has a good business here, but fascinations of the great winter sport may tempt him to don the mask, breast protector and flop skates again this season.

FATHER OF SUNDAY

BASEBALL MEASURE

N. F. Brolley Will Be Here With the North Vernon Ball Club Today.

WAS NARROWLY BEATEN.

HOUSE PASSED THE BILL BUT THE SENATE KILLED IT—WILL BE THE GUEST OF WALTER S. RATLIFF.

Today N. F. Brolley, father of the famous base ball bill in the last Indiana legislature, which came very near passing, will arrive in Richmond accompanying the North Vernon base ball team of which he is manager.

Brolley, although one of the best legislators in the last Indiana house, is equally good at managing base ball teams and in the North Vernon aggregation he has assembled a winner. The base ball legislature is a noisy affair, and he is expected to show Richmond rooters how they "spiel" down in the "pocket" in southeastern Indiana.

Brolley's bill favoring base ball, created somewhat of a sensation in the legislature. Its clauses would have made it lawful for base ball teams to play within fifteen hundred feet of any church on Sunday afternoon further ruling that the charging of admission should be lawful. Brolley, however, would have had the games under proper supervision to prevent rowdism. After a fight in the lower house the bill passed, but it met the headsman's ax in the senate. This punishment was not administered immediately however, and it was not accomplished until the clergy of the capital city entered the legislative lobbies and worked as they had seldom worked before. It was killed by a close vote.

Being a base ball bug of the first water, and a staunch believer in a good, orderly Sunday base ball game, Brolley will in all probability make another try in with his pet measure when legislative halls are again favored with his presence—that is if his

Little Giants Piled Up a Score Of 35 to 0 Against Earlham.

FIRST HALF WAS BEST.

IN THAT THE QUAKERS HELD THEIR OPPONENTS TO 12—THISTLETHWAITE DID BEST WORK FOR THE LOCALS.

Crawfordsville, Ind., Oct. 5.—The Earlham college football eleven could not withstand the fierce attack of the "Little Giants" of Wabash college here this afternoon, the Quakers getting the short end of a 35 to 0 combination. The visitors put up a plucky fight, but were clearly outclassed before the fast play of the locals.

The goal line of the "Scarlet warriors" was never in danger, the only opportunity the Earlhamites having to score being on a place kick from the forty yard line which went wide of the mark. Earlham put up a much better fight in the first half, which ended 12 to 0 in favor of the Presbyterians. The pace proved too hot in the second half, however, and the locals added 23 more points to their total.

The feature of the game was the playing of Hargrave at quarter back. Time after time he went through the entire Earlham line when running back punts. Thistlethwaite put up the best game for the visitors.

DAVIS IS VERY EFFECTIVE.

The Easthaven team put it over the Richmond Browns Saturday afternoon to the tune of 17 to 4 in a seven-inning contest. Kuhlbeck started the twirling for the Browns but was replaced by Allison in the middle of the third inning. He had no better services in stopping the scoring. Davis, who did the slab work for Easthaven had the visitors at his mercy at all stages and had nine strikeouts to his credit. Score:
