WABASH VICTOR IN  
GAME WITH DEPAUW

Beautiful Place Kick Saved  
The Methodists From Be-  
ing Shut Out.

## STRUGGLE A PRETTY ONE.

IT WAS REPLETE WITH SENSATIONAL PLAYS WHICH KEPT THE LARGE CROWD ON ITS FEET ALMOST CONSTANTLY.

Crawfordsville, Ind., Nov. 5.—A beautiful place kick by Tucker, saved De Pauw university from a whitewash here Monday afternoon, Wabash college winning by a score of 11 to 4. The Methodists came down from Greensburg filled with confidence represented by the strongest eleven they have had in years and for the sixth straight time went home with the short end of the score. A crowd of about 2,000 were on hand to cheer their favorites. A delegation of over three hundred came down from Greensburg to support the De Pauwites.

Prior to the start of the game the entire Wabash student body met down town and marched in double file to the battle ground on Ingalls Field, following the college band. They then marched around the quarter-mile cinder track singing "Old Wabash" with removed hats. It was a grand spectacle.

The struggle was a pretty one from start to finish and was replete with sensational plays which kept the large crowd on its feet almost constantly. The visitors put up a hard fight and braced wonderfully when touchdowns looked almost inevitable. Time after time the Little Giants worked the pigskin from the middle of the field to within striking distance of De Pauw's goal line, by the hardest kind of line smashing tactics, only to have the backs too much worn out to rush the ball over.

The De Pauw line was torn to pieces and the scarlet gained on actual play about four times as much ground as the Methodists. The locals, however, took more chances at making the required distance of ten yards in four downs, with the result that the ball went over on downs more often than when De Pauw had the oval, the latter punting more frequently. In the second half, after Wabash had made a touch down De Pauw threatened to leave the field and lose the game by forfeit, but was persuaded to play the contest out. There really was no room for an argument, the referee's decision being strictly in accordance with the rules.

The play in question was a forward pass on the De Pauw eight-yard line, the visitors making an off-side play at the snap of the ball. The umpire blew his whistle, which of course did not stop the play, the referee's whistle calling the downs after a touchdown had been made. As the rules state Wabash was entitled to a penalty on the ground made on the play. In case the penalty had been inflicted half the distance would have been given on account of the offense being made inside the twenty-five yard line.

Colbert played his best game of the season and was the star of the game, his line smashing tactics being a feature of the contest. Although Tucker made De Pauw's only score he was outplayed by Sohler.

**White Africans.**  
The Berbers, who, although African, are as white as Europeans, are the oldest white race on record, says an explorer. They are supposed to have come from the south of Europe in ancient days, the Dundee Advertiser says, and, although their language and customs are entirely different from ours and their religion Mohammedan, they are probably closely akin by descent. Blue eyes and fair hair are not at all uncommon among the Berbers, and many of them have rosy cheeks and features so like our own that were they dressed in British fashion they would easily pass as natives of the British Isles.

**Equality.**

FACULTY CONSENTS  
TO AN EXTRA GAME

Earlham Football Team Will  
Be Allowed to Play on  
Thanksgiving.

## BUTLER AT INDIANAPOLIS.

COACH VAIL MAKES AN APPEAL  
IN CHAPEL FOR MORE ENTHUSIASM—ARTHUR DENHAM WILL  
SOON BE BACK.

The Earlham football manager has secured a game with Butler college for Thanksgiving day to be played at Washington park in Indianapolis. The faculty has also given the manager permission to secure a game if possible with some team for the Saturday before Thanksgiving to take the place of the game which Rose Poly cancelled last Saturday.

Coach Vail in Chapel.

Coach Vail delivered his maiden chapel address. It was in the shape of an eloquent appeal to the patriotic and loyal spirit of the college lying dormant in the breasts of the present Earlhamites. Mr. Vail stated that he saw the Wabash-De Pauw game in which Wabash beat De Pauw by a score of only 11 to 4 and figuring out the "dope," he said Earlham would suffer an overwhelming defeat unless more interest is taken in the team by the students. Prof. Russell cited the example of Rose Poly, where the team was disbanded simply on account of this lack of interest of the students in the team, into which outsiders or professionals had to be taken in order to have a team at all.

Denham Improving.

Arthur Denham, whose knee was badly sprained in practice a couple of weeks ago, is up on crutches and will be in the game with De Pauw a week from Saturday. Denham will be a big boost for the team, with his weight and skillful playing.

## BELONGS TO MILWAUKEE.

National Baseball Commission Decides  
Claim Against Detroit.

Cincinnati, O., Nov. 5.—Title to Player Schneider was awarded to the Milwaukee American Association club in a decision announced by the National baseball commission. The Detroit American league team had claimed the player, but the commission found that Detroit had forfeited its claim by a written waiver of rights to him.

NO SCORE MADE IN  
FRANKLIN-BUTLER GAME

Each Team Failed on Chance  
To Score.

## USED OPEN STYLE OF PLAY.

Franklin, Ind., Nov. 5.—With a fast, dry field and the weather conditions perfect, Butler and Franklin battled to a 0-to-0 tie Monday on Franklin Field. The contest was marked by fast work on both sides. The style of play used by both teams was open, the forward pass and quarter back kick being resorted to frequently owing to the inability of either set of backs to gain. Butler's line held at critical periods, and Franklin was forced to rely on a kicking game to keep the ball out of her territory.

Each team had one opportunity to score. Franklin's chance came in the first half, when she secured the ball on a fumble on Butler's one-yard line. The Butler defense proved too much for the Franklin backs, and the ball was carried to safe territory.

Butler's chance to score came in the second half after a fair catch by McGuire. McKay's try for goal from placement went low and was blocked by Franklin, Marsh falling on the ball.

J. M. Herschberg, for photographs	17.50

## Claim was Referred.

A bill from Dr. F. W. Krueger, city physician for \$19.50, was presented to the council. Accompanying the bill was a communication from City Controller Parry in which he called attention to the fact that Dr. Krueger asked \$15 fee for treating William Downing, whom the police sent to the hospital. Dr. Krueger asked this fee because he visited Downing nine times. Mr. Parry pointed out that each week one of the members of the medical staff of the hospital is detailed to attend to all of the charity patients sent to the hospital from this city and to charge no fees for his services. Mr. Parry stated that he did not censure the city physician for charging for his attentions to Downing but that he saw no necessity for these attentions under the system at the hospital as described. The matter was referred to the committee on claims.

## Taxes are Rebated.

An ordinance appropriating \$12.90 for the benefit of Joseph Werner for taxes erroneously collected from him in 1901, 1902, 1903, 1904 on real estate not owned by Mr. Werner, was passed under suspension of the rules. Councilman Englebert called attention to the fact that cement curbs,

gutters and walks had been placed on South Fifth street from E street to the city limits but that no crossing had been made. This was referred to the board of public works.

An ordinance appropriating \$25 for the benefit of Joseph Vogelmann as a compromise on an appeal from benefits allowed him by the board of public works was passed under suspension of the rules.

Several property owners petitioned for an alarm box to be located at South Fifth and E streets.

An ordinance appropriating \$100 for the benefit of the Home for Friendless Women was passed.

## The Discovery of Iron.

The stone age, bronze age and iron age so overlap one another it is impossible to say just when one begins or ends. Men began to use both bronze and iron long before stone had ceased to be used. In fact, America was in the stone age so late as its discovery by Columbus 400 years ago. It is safe to say that history proper and the iron age were born together anywhere from 8,000 to 10,000 years ago. It is more than likely that men gained their first information concerning the properties of iron through experiments with the pieces of it that had fallen from the sky in the shape of meteors.—New York American.

**Energy.**  
Ambrey de Vere, an Irish poet and gentleman, mentions in his "Recollections" that when ten years old he had a tutor who constantly inculcated in

him rectitude, purpose and energy. The tutor's praise of energy was expressed by the saying: "There are three letters of more value than all the rest in the alphabet—namely, N R G."
