ORNAMENTAL GRASS IS GIVEN THE SCHOOLS

Herbert Bell Again Shows His Liberality.

FRUIT TREES LAST YEAR.

Herbert Bell, the well known nurseryman living east of this city, has presented all the township schools with ornamental grass which is to be planted in the school yards for the purpose of beautifying them. Last year Mr. Bell presented the schools with fruit trees. The movement to beautify the township schools meets with the hearty approval of Superintendent Charles Jordan.

Stands Still.

"Your friend, Miss Passay, has become quite chummy with Miss Newcombe. I don't suppose there's much difference in their ages."

"I can't answer for Miss Newcombe, but there isn't any difference in Miss Passay's age. She has been twenty-one for the past ten years to my knowledge."—Philadelphia Press.

Sweet Joy.

"I was just going to ask you to subscribe to this paper for Jibbles' widow when I happened to remember that he was your worst enemy."

"I'll be delighted to subscribe. Just think how it will grind him wherever he is."—Cleveland Leader.

Different Viewpoints.

"One woman," remarked the man, "is just as good as another—if not better."

"And one man," rejoined the fair widow, "is just as bad as another—if not worse."—Chicago News.

LOCAL AND GENERAL SPORTS

QUAKERS READY FOR THE BUTLER BUNCH

Coach Vail Put Them Through Some Good, Hard Practice Thursday Night.

HELPING SPIRIT BETTER.

RICHMOND AND RUSHVILLE HIGH SCHOOL TEAMS WILL FURNISH A CURTAIN RAISER FOR THE AFTERNOON.

Coach Vail put the varsity squad and the reserves through a good hard practice Thursday afternoon and the teams showed up in fine shape. There were more men out to practice Thursday evening than at any time since the first of the season. The team is developing much more of the helping spirit that Coach Vail has been trying for and the battle Saturday will be one of the fiercest that has ever been seen on the Earlham gridiron.

The Richmond and Rushville high school teams will try to create a little excitement as a curtain raiser for the big game. Rushville comes with a good team but the local high school boys are confident of holding them to a low score. High school games are usually full of fast and snappy play, long runs and star plays.

The lineup for Earlham for Saturday is:

L. E.—Hancock, Francis.
L. F.—Walhall, Carroll.
L. G.—Swain.
C.—Stanley, Jones.
R. G.—Barrett.
R. F.—Thistlethwaite, (Capt.)
E. E.—Brunner, Brubaker.
Q.—Wilson, Elliott, Beebe.
R. H.—Harrell.
L. H.—Guyer.
F. B.—Wann, Calvert.

FOLDER ISSUED FOR HIGH SCHOOL EVENTS

Two Members of the Football Team Are Energetic.

ARE READY FOR RUSHVILLE.

A most unique scheme of advertising has been originated by Harry Karns and Glenn Harsh, two energetic members of the high school football team. A small folder has been put out giving the schedules of the football and basket ball teams for the rest of this season, as well as the names and members of both teams. In addition to this they have secured the ads of several prominent merchants of the city for the folder, and will distribute the folders at all the games so that they can be used as reference for the games that have been played. The folder is very tastily prepared and reflects credit on the originators. The team is in readiness for the game Saturday with Rushville and expect to clean up on the visitors in great style. The next game of the basket ball team will be at Lynn, Ind., on the 15th.

CHANGES AT FRANKLIN.

Franklin, Ind., Nov. 8.—The practice Thursday was devoted mainly to trick plays. Coach Jones has to a large extent changed his methods of working the men. With the new line-up, which is light but fast, line-breaking will not be of much use, and the new back field is counted on to make most of the gains on tricks.

All of the players who took the trip were in the pink of condition and will be able to give a good account of themselves in the struggle with Coach Hutchins' men on Saturday.

KITTERMAN CANNOT PLAY ON SATURDAY

Butler Team Gives Out a Hard Luck Story on Saturday's Game.

WABASH MEETS ST. LOUIS.

THAT GAME WILL END THE SEASON FOR THE 'LITTLE GIANTS'—OTHER NEWS OF THE HOOSIER FOOTBALL FIELD.

Indianapolis, Nov. 8.—Nothing but hard work goes at Butler college. The football men are being put through strenuous workouts each night in the hopes of getting the team in good shape for the next Saturday's game.

Daniels, who played tackle in the game with Rose Poly, was back in suit yesterday, but he will be unable to get into the Earlham game. Wolf, the star guard, is out of the game temporarily. Tharpe, the other tackle, is laid up with a sprained back and the squad has taken on a hospital look in general.

Kitterman is still out with his wrenched knee. It was hoped that he would be able to play in the game with Earlham, but this is out of the question. Butler plays Hanover Nov. 16, and the cripples are all expected to be in shape for this game. The game with Hanover will come as a workout for the Thanksgiving contest.

The entire Shortridge and Manual Training High school football squads will be guests of the Butler management at the big Thanksgiving day game. Reports from Earlham indicate that the Richmond institution will send a large body of rooters with the team when it comes to Indianapolis, Nov. 28.

Now that Butler is back into inter-collegiate athletics on a sound basis the Butler alumni and students are determined to keep it there. The Thanksgiving day game is an innovation with both schools.

WABASH TO ST. LOUIS.

Season at That Institution Closes With Saturday's Game.

Crawfordsville, Ind., Nov. 8.—The Wabash college football eleven went through fierce scrummage practice on Ingalls Field Thursday afternoon in final preparation for the big game scheduled with St. Louis university to be played Saturday afternoon at St. Louis.

The scarlet is determined to make a great finish of its brilliant record for the season, as the football curtain at the local institution falls after the St. Louis game. No more games are scheduled, and the team will disband at the close of this game. Repeated efforts were made to arrange a contest with Notre Dame university, but the Catholics sidestepped all advances.

The last time Wabash played Notre Dame was in 1905, when it defeated the South Bend men 5 to 0. Since that date no football game could be arranged with the Catholics, although Wabash has triumphed on the cinder track and field against them, and they in turn have defeated the "Little Giants" in baseball.

"Ownie" Bush, the ball tosser, who held down short in such a clever manner for the South Bend Central league club last season and who played in Richmond a short time, will be a member of the Indianapolis Browns next season. Bush did such sensational work for his club during the past season that he was drafted by Manager Hugh Jennings of the Detroit Americans, but as the Tigers are strong in that position Jennings has decided to send Ownie to Indianapolis for season.

While Bush is considered good enough for the American league pennant winners, Jennings thinks that a year in the smaller league will do him a world of good and he has chosen Indianapolis as a school for him.

Bush is a fast fielder and a fairly good hitter. He is a small chap and is an excellent waiter and usually forces the opposing flinger to put the ball over the pan. He should greatly strengthen the infield. In case of his making good, Otto Williams will be shifted to second base. With Carr on first and Hopke doing duty at third it is claimed the Browns should present as good an infield as there is in the association.

PURDUE MEETS CHICAGO.

Game Will be Played at the Windy City.

Lafayette, Ind., Nov. 8.—Purdue put the finishing touches to the practice Thursday in preparation for the Chicago game Saturday.

The general opinion prevails that the speedy Midway eleven's line is light, but reports received here show their line average from tackle to tackle to be 188 pounds. Purdue's line for similar positions shows an average of 177 pounds. The back field players of the two teams are evenly matched in weight, each tipping the beam near 165 pounds.

I. U. IS AT MADISON.

Players Left Bloomington in Pink of Condition.

Bloomington, Ind., Nov. 8.—The Indiana University football squad left Bloomington Thursday on their trip to Madison, Wis., where they play the Badger eleven on Saturday afternoon.

All of the players who took the trip were in the pink of condition and will be able to give a good account of themselves in the struggle with Coach Hutchins' men on Saturday.

CHANGES AT FRANKLIN.

Trick Plays Were Introduced in the Practice.

Franklin, Ind., Nov. 8.—The practice Thursday was devoted mainly to trick plays. Coach Jones has to a large extent changed his methods of working the men. With the new line-up, which is light but fast, line-breaking will not be of much use, and the new back field is counted on to make most of the gains on tricks.

The awakened line will no longer have to bear the brunt of the games, but the new combination is expected to work better than the old. The new back field worked well last night, and it is hoped that the rest of the season will show an improvement.

DEPAUW MEETS MILLIKIN.

MASS MEETING WAS ENTHUSIASTIC ONE

Indications That a Large Crowd Will Go to the Earlham-DePauw Game.

WANT TWO SPECIAL CARS.

"FAIR CO-EDS" WILL BE ALLOWED TO ACCEPT ESCORT OF YOUNG MEN SWEEPING AWAY ANOTHER FOOTBALL TRADITION.

A mass meeting was held in chapel at Earlham college Thursday for the purpose of securing a sufficient number to accompany the football team to Greencastle, where Earlham plays DePauw, Saturday, November 16. The managers want 125 rooters to go with the team, in order to get two special cars. If no more than 100 are secured only one car will be available. A rate of \$2 has been secured with the privileges of a stop over in Greencastle or Indianapolis until Sunday evening.

The meeting was very enthusiastic. Coach Vail, Prof. E. P. Trueblood, Manager Wann of the team, the manager of the excursion, Miss Edna Trueblood, Miss Stone and Mr. Pennington, addressed the students. Vincent Nicholson was elected yell leader. A committee of seven was appointed to sell tickets to the student body and to the faculty. A large number have already signified their intention of accompanying the team. Miss Brown, the governess of the girls at the dormitory has given permission to the "fair co-eds" to accept the escort of the young men. This is the first time that such permission has been given and the young men as well as the young women, appreciate this favor.
