SOME BIG SCORES ON THURSDAY NIGHT

Rottermans	10	11	.476
Lukens	6	15	.285

Exceptionally large scores were made by the Idlemans and Bortons in the city bowling league Thursday evening. The contest was the best that has been played in the league so far. It demonstrated the fact that some of the teams low in the percentage column will soon be giving the Hunts a race for first place.

The team score, 914, made by the Bortons, stands as city record up to date. The other two scores made by the Bortons were of mediocre quality, however.

The Idlemans made the larger number of total pins.

Idleman, captain of the team of that name was the star of the match. He made high score of 226 and had an average of 191.23.

Other high scores were made by Commons 204 and Borton, 213.

Idleman's score of 226 will in all probability win the turkey, which is being offered as a prize.

With the exception of the Hunts, which are high and the Lukens which are low, the race in the City Bowling league is very close. Each game brings a change in the standing of the teams.

A COURT MARTIAL WILL SIT IN CASE OF CAPTAIN KULP

Captain of Iowa National Guard Who Permitted Prize Fight Must Answer to the Adjutant General.

McFARLAND PROVED SUPERIORITY OVER HERMAN.

Interference by Governor Cummings Was Great Disappointment to Five Thousand Visitors in Davenport.

Des Moines, Ia., Nov. 22.—Adjutant General Thrift, of the Iowa National guard, announced this morning that he would arrest and court martial Captain Kulp for permitting the McFarland-Herman fight last night against orders.

Davenport, Ia., Nov. 22.—"Packy" McFarland proved his superiority over "Kid" Herman last night, by easily beating Herman in a 15 round fight without a decision. No decision was awarded because of Governor Cummings' order to the militia to prevent a fight. But in the last few rounds a knockout seemed probable at any time and when the fight ended Herman was laughing on to McFarland, who rained terrific blows at short range on Herman's neck, head and face.

In the earlier rounds Herman showed some of the dash and cleverness that carried him to victory in his earlier fights, but he was no match for the rugged stock yards fighter. McFarland would probably have won the decision if it had not been for the peculiar conditions under which the fight was held.

Herman was game to the last under the same hard grueling that had put Joe Galligan, Steve Kinney and a score of others to the canvass for the court. The pace was not of the killing order, however, until the last half of the contest, when the boxers let loose as if punches were to decide the bout, instead of points.

With all preparations completed and five thousand visitors in town wrought up to a high state of expectancy on the Herman-McFarland fight, the following telegram, filed at 6:22 p. m., was received by Sheriff Eckhardt from Governor Cummings: "I have seen today notice of an alleged sparring exhibition advertised for Davenport tonight and I am convinced that it is to be a prize fight and not a boxing match. I have directed Capt. Kulp of the State Militia at Davenport to call out his company and stop it. I ask you to co-operate in every way possible."

Company B marched from the armory to the coliseum, where a crowd of over 5,000 was clamoring for admission. A militia company from Muscatine, thirty miles distant, was also called out, arriving by special train. The Chicago special, with 1,000 fight fans, arrived at the Rock Island station at 6:45 only to learn that the fight had been called off. Surging throngs marched through the streets voicing intense disappointment at the governor's eleventh hour action in calling out the militia. At 8:30 the doors were opened and the hall rapidly filled up while the governor was being communicated with in an effort to have him repeal the order and allow the fight to proceed on assurance that it would be only a boxing contest.

At 9 o'clock a telegram was received from the adjutant general that the fight could not take place. The club, however, proceeded with the arrangements and at 9:15 the men entered the ring for the first preliminary amidst tremendous applause. At 9:20 it was announced from the ring that the bouts would not be prize fights and those who so understood were invited to secure the return of admission and leave the hall. Not a single person left. Announcement, however prevented any betting on results.

SEASON A GOOD ONE WITH VAN WERT, O.

There Was a Small Baseball Deficit After All Obligations Had Been Met.

GRANDSTAND WAS PAID FOR

MONEY WILL BE RAISED TO MEET THE DEFICIT AND ALSO TO CREATE AN EMERGENCY FUND FOR USE NEXT SEASON.

Speaking of the decision of the Van Wert base ball association to apply for a franchise in the new Indiana-Ohio league the Van Wert Bulletin of Wednesday has the following to say:

The Van Wert Base Ball association closed up its affairs of the past season and took steps for the coming season at a business meeting held last evening. The report of the auditing committee was received along with a statement which showed a small deficit from the first season of play. The deficit, however, would not be so counted under the ordinary rules for the association paid all of its obligations, including the cost of the grandstand and other like expenses, which are usually met on long terms. A committee to solicit subscriptions to meet the deficit and to create an emergency fund for next season was appointed. The spirit of the meeting in this connection was shown by the immediate subscribing of new subscriptions to the amount of two hundred dollars, the subscribers from the numerical standpoint being a mere nothing when the field of possibility is regarded. Thus the deduction is that Van Wert is assured of at least one more season of professional ball.

The movement which purports a reorganization of the Indiana-Ohio base ball league, the strongest towns of the old organization to be retained and several of the best cities of both states to be added, is rapidly taking form. Muncie and Anderson have both signified their intention to join and are at work on the initial steps. The Muncie team probably will be under the management of Hugh A. Cunningham, an experienced base ball man and Anderson under Howard Witt, manager of the auditorium rink.

No monarch in Europe works harder than the Sultan of Turkey writes a Constantinople correspondent, for he rises at four in the morning, winter and summer, and goes to his white tiled bathroom for his bath, after which he sips a cup of coffee brewed by the cafedjibachi, or chief coffee maker, and then with a cigarette between his lips, he sits down to work at his desk. He works until midday, when he adjourns for prayers; then more coffee and an entree, an hour's siesta, and work again until dinner, which is served at 4 in the afternoon.

HARVARD IS CRAZY OVER COLLEGE TEAM

Great Ambition Just Now Is to Administer a Defeat To Yale.

SPORT IS IN BAD REPUTE.

A DEFEAT AT THE HANDS OF YALE MIGHT MEAN THAT IT WOULD BE ABANDONED AS AT COLUMBIA.

Boston, Nov. 22.—Harvard is football mad. That 22 to 0 score which Dartmouth rolled up against the Crimson last Saturday has been forgotten. The team undoubtedly has braced during the present week and the word has got around among the under grad bodies. Even in off years Harvard pulls itself together for the Yale game and it is expected to repeat the old trick Saturday.

More than a victory over Yale is at stake. The gridiron sport has been in none too good repute at Cambridge during the present season. There has been much talk of abandoning the game, as was done at Columbia. A crushing defeat might bring about this result. Harvard's eleven will fight Saturday not only to beat Yale, but to save football at Cambridge.

Harvard is counting much on Yale's overconfidence. They have noted that the practice at New Haven during the last week has been light. The crimson eleven has been improving every moment.

MEETING IS CALLED TO CONSIDER PLANS

Baseball Matters Will Be Discussed by Magnates in Richmond Next Sunday.

KLING ISSUES A CALL.

REPORT FOR THE PAST SEASON SHOWS THERE WAS A SMALL BALANCE IN THE TREASURY OF THE INDIANA-OHIO LEAGUE.

President A. R. Kling of the Indiana Ohio league, has called a meeting of league managers and officials for next Sunday. It will be held in this city. The probable makeup of next year's organization will be discussed and some of the cities who are to compose the league will be definitely settled. It is a certainty that Richmond will be in the reorganized league, but not so much can be said of several other towns in last year's organization. Richmond was the biggest drawing town, with Kokomo a close second. It is probable that Kokomo will be again chosen.

According to the dope sheet as it stands at present, several larger Ohio towns will be admitted to the circuit and a few of the smaller towns dropped. Marion and Anderson are hot after a franchise in the Indiana-Ohio league and Sunday the two cities will be represented. Harry Hall will speak for Kokomo and Marion while Howard Witt of Anderson will appear before the base ball magnates and plead the cause of Anderson. Muncie is also particularly anxious to land a berth.

Submits a Report.

President Kling of the league has submitted his report to Manager Clarence Jessup and Treasurer W. H. Bartel of the local base ball association. It shows that Richmond paid into the general league coffers \$301.38, while Kokomo was second with \$204.45. Bluffton brought up the rear with a measly little donation of \$85.62. The total per cent paid by all teams to the general treasury was \$967.89, while expenses of the league amounted to

\$887.88, leaving a balance in the treasury, after all bills were met, of \$80.01. President Kling's report follows:

Is The Stomach Dispensable?
An operation for the removal of the stomach in a Chicago hospital recently, promoted discussion among the surgeons whether the stomach could be removed and the patient be none the worse for it. Before the discussion had well got out, the patient had died. It demonstrated that a man could not live without his stomach. To keep a stomach in good condition, and cure constipation, indigestion, etc., use the great herb laxative compound, Dr. Caldwell's Syrup Pepsin. It is sold at all drug stores and \$1 a bottle.

MANY THOUSANDS SEE CHICAGO GAME

Maroons and Carlisle Indians Will Get Together Saturday Afternoon.

TICKET SCALPERS CAUGHT.

Chicago, Nov. 22.—Fully 27,000 ardent football fans are expected to witness the closing game of the season here Saturday between the Maroons and the Carlisle Indian teams. Ticket scalpers already have been caught at work and precautions are being taken to guard against them.

Heavy rains prevented any hard scrimmage and the last hard work probably has been done by both the Maroons and the Indians before the game. Both teams are in the pink of condition, with the exception of Captain De Tray, of the Maroons, who sprained his ankle Tuesday and is compelled to rest for a few days. De Tray is being given tender nursing in the hope of getting him into the game. His absence would be a harder blow than the loss of any other man on the team.

The Indians also abandoned outdoor field work because of the weather. They devoted their time to a game of basketball with the Lake Forest College team, winning 17 to 15. Coach Warner and the men are feeling confident.

BIG "THREE" WILL MAKE LAST STAND

Wann, Elliott and Thistlethwaite Will "Graduate" From Reid Field.

INTEREST IN THE GAME.

IT IS NOT WHOLLY OVERSHADOWED BY THE CONTEST WITH BUTLER ON THANKSGIVING AT WASHINGTON PARK.

Although the Thanksgiving football game at Indianapolis, when Earham meets Butler, is the principal topic in athletics at Earham at this time, nevertheless interest is not lacking in the game of Saturday when the Earham team meets the Winona "Tecks" on Reid Field. Coach Vall says the men are in the pink of condition and that they are ready to run up a good score. The game will be called at three o'clock. This is the last game of the season on the home field and it will be the last game in which Wann, Elliott and Thistlethwaite will be seen in football at the Quaker institution. This game marks the passing of three of the best players the institution has ever had and undoubtedly there will be a large attendance of friends of the "big three" and other devotees of the game.

What is medicine for? To cure you, if sick, you say. But one medicine will not cure every kind of sickness, because different medicines act on different parts of the body. One medicine goes to the liver, another to the spine, Wine of Cardui to the womanly organs. So that is why

Wine of Cardui

has proven so efficacious in most cases of womanly disease. Try it!

Mrs. Wm. Turner, of Bartonville, Ill., writes: "I suffered for years with female diseases, and doctored without relief. My back and head would hurt me, and I suffered agony with bearing-down pains. At last I took Wine of Cardui and now I am in good health." Sold everywhere, in \$1.00 bottles.
