TELLS PUBLIC HOW TO SEND ITS MAIL

Postmaster Spekenhiser Has Issued a Pamphlet of Valuable Information.

TELLS WHAT NOT TO DO.

POINTS OUT A COMMON VIOLATION OF THE POSTAL LAWS AND THE PENALTY THAT IS ATTACHED FOR SUCH.

For the accommodation of those patrons of the Richmond postoffice, whose mail is so important that they watch closely, the time each mail leaves the local office, Postmaster Spekenhiser has arranged a series of pouch schedules and general information for the patrons of the office. Among the various rules he has given are:

1. Mail matter should be addressed legibly and completely and should bear the return address of the sender. Ten million pieces went to the Dead Letter Office last year because these simple instructions were not complied with.
2. All complaints in regard to mail matter should be brought to the attention of the postmaster. Complaints in general affecting the service should likewise be addressed to the postmaster; but when that course is manifestly improper under the circumstances, they should be addressed to the Postmaster-General, Washington, D. C.
3. For knowingly concealing or enclosing any matter of a higher class in that of a lower class, and depositing or causing the same to be deposited, for conveyance by mail at a less rate than would be charged for both such higher and lower class, the offender will be liable to a fine of \$10 for every such offense.
4. Matter foreign to the mails deposited in rural letter boxes will be surrendered to the postmaster by the rural carriers to be held for postage, and other penalties covered by the postal laws and regulations.
5. Letters should be dried before bunching and tying, to prevent them from adhering and being mislaid.
6. Tie bundles in a secure manner, using good twine.
7. Bring large consignments of catalogues and other mail in rear door, thereby saving time for yourself and clerks.
8. Postage stamps that are mutilated or defaced in any way, cannot be accepted for postage.
9. Stamps cut or otherwise severed from postal cards, embossed United States stamped envelopes or newspaper wrappers, are not redeemable or good for postage.
10. United States postage stamps are good for postage in Guam, Hawaii, Porto Rico and Tutuila, but not in the Philippine Islands or in the Panama "Canal Zone." Postage stamps overprinted "Philippines" or "Canal Zone" are not good for postage or redeemable in the United States.

A METHODIST MINISTER RECOMMENDS CHAMBERLAIN'S COUGH REMEDY.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.

ARRAIGNED ON A CHARGE OF SUNDAY VIOLATION

Three Saloon Keepers Up at Oxford, O.

HAMILTON MAY BE NEXT.

Hamilton, O., Nov. 22.—On warrants procured by the Ohio Anti-Saloon league, Russell Bannon, of Pisgah; John Steinman, Maids Station, and H. J. Master, Westchester, saloon keepers, were arraigned before Mayor King, of Oxford, accused of selling intoxicants on Sunday and operating slot machines, and each was placed under \$300 bond for trial, December 4. Mayor King intimates that the crusade will be extended to this city, and local saloon keepers are greatly disturbed. At the present time there is no interference with sales of intoxicants in this city on Sunday.

Should November's frosty breezes bring you coughs, colds or chills, Take Rocky Mountain Tea instead Of harmful drugs and bitter pills.

HARRY L. BENDEL IS AFTER DISTRICT PLACE

Former Richmond Man Wants Republican Chairmanship.

HAS MADE GOOD RECORD.

Harry L. Bendel, clothing merchant of Huntington and formerly of Richmond, has announced that he is a candidate for the republican chairmanship of the Eleventh congressional district. No other contestant for the honor has yet appeared in the district. While Mr. Bendel does not expect to win without a contest, he enters the fight with the good will of the republicans of the entire district. He is republican county chairman and in that position has made a record which caused some of the older politicians to "sit up and make a few observations." During the last campaign, in which the congressional fight in that district was fought most bitterly, he made a better showing than any chairman in the district.

LINGERING COLD

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by A. G. Luken & Co.
