WINONA CARRIED AWAY
BY THE QUAKER TEAM.

Earlham Goal Was Not in
Danger at Any Time While
A Score of Fifty-four Was
Piled Up on the Visitors.

Earlham, 54; Winona Technical, 0.

While the Earlham football warriors were trampling all over the Winona Technical Institute team, on Reid Field Saturday afternoon, but few spectators among the five hundred there, realized that Capt. Glen Thistlethwaite was breaking a state record, 54 not a world's record at goal kicking. The beefy captain, of the Quakers neatly placed the ball behind the goal posts nine times out of nine attempts. Spectators realized, however, as Earlham piled up one touchdown after another and Thistlethwaite kicked each goal, that he was doing something out of the ordinary and he received the cheers of his fellow students as his trustworthy toe each time sent the ball squarely between the posts. White, of Earlham held the former state record, kicking five goals in the Wittenberg game, but it took another Quaker to smash the school's own record. Thistlethwaite's record is destined to stand for some time, according to the opinion of football critics of Richmond.

Not a Real Game.

The game itself afforded but little amusement to the crowd which had assembled to witness a genuine article of foot ball. The Winona Technical team came to Richmond confident of its prowess, and with a record about a mile long. According to many spectators there was some doubt as to whether the reputation was a worthy one and still greater doubt as to whether or not the team had ever played a single game. Earlham found Winona so easy that during the latter part of the second half a team composed almost entirely of substitutes faced the "Techs." and they galloped over the Indianapolis boys at will. Touchdown after touchdown was scored with the greatest ease, and Hancock, Harroll, Beebe and others contributed much to the swiftness with which these were registered. Time after time these men tore through the line or skirted the ends for long gains. On the other hand Winona could do nothing. Quarterback McIntire, for the visitors, was largely responsible for the poor showing his team made, for when he was, through awkwardness, not blocking kicks made by his own full back, he was dropping the ball and his mates could do nothing.

Was Punting Match.

In several instances the game resolved itself into a punting match between Wann of Earlham and Cassel of Winona, but all was in favor of Wann, who booted the ball for forty and fifty yards. Cassel was inaccurate with his kicking. Whatever can be said of the game as a whole, it resolved itself into nothing more than a practice match for the Quaker squad. Coach Vail said his warriors needed such a

game to take the kinks out of them after the hard DePauw game the previous Saturday, and in preparation for the Thanksgiving game with Butler at Indianapolis.

The game was called at three o'clock with English, of Indiana university, holding the umpire's whistle and Waldrup actively officiating as referee. In three minutes after the ball was kicked into Earlham territory, Earlham had raced across the entire field and registered a touchdown. Hancock made a sensational seventy-five yard run which brought his team mates in stilling distance of the Tech goal. Harroll made the touchdown. Score: Earlham 6, Winona Technical 0.

Mess of Forward Pass.

During the remainder of the first half the ball fell from first one side to another with rapidity, due mainly to the ineffectual use of the forward pass. It worked disastrously in a majority of instances to the user. Earlham was no more successful with the new style of play than was Winona. The first half ended with the score standing 24 to 0 in favor of the Quakers. Harroll and Guyer scoring two touchdowns each for the Quakers.

It was in this half that an incident occurred which brought the few hundred spectators to their feet, yelling with genuine delight. Cassel attempted a kick on a third down and his quarterback, McIntire, ran directly in front of him. McIntire received the benefit of the kick while the ball fell to the ground untouched. Such work as this characterized the Winona man's work during the entire game.

Scored at Will.

In the second half Earlham scored at will and were seldom held for downs. The Quakers scored within five minutes of the opening of the half. Following this one continual string of touchdowns was registered until the half ended, just as Beebe, the diminutive quarterback attempted a drop kick. It was not needed, however, as the score was then 54. It was in this half that all substitutes on the Earlham team were given a tryout. Guyer, Harroll, Hancock and Beecher did the scoring for the Quakers in this half. The forward pass contributed much to the interest. Hancock, Beebe and Thistlethwaite played star games for the Quakers at all times. When the Earlham team was composed of substitutes, almost in its entirety, it played together better and pulled off more clever plays than did the original lineup. The lineup and summary of the game follows:

BASKETBALL SEASON
ON AT HAGERSTOWN

It Was Opened Friday Night
With a Game With
Economy.

THE VISITING TEAM WON.

SCORE WAS 24 TO 17—THE HAGERSTOWN BOYS HAVE FITTED UP THE NEW PYTHIAN HALL FOR PLAY.

Hagerstown, Ind., Nov. 23.—The basketball season opened here Friday night with a game between the Economy boys and the Hagerstown high school team, resulting in a score of 24 to 17 in favor of Economy. At the end of the first half the score was 13 to 9 in favor of the same. Following was the line up:

Economy. Hagerstown.
Ray Marshall.....C.....Jesse Ellar
M. Albertson.....L. F.....F. Brant
M. Lindsey.....R. F.....C. Brown
E. Swain.....L. G.....L. Kirby
C. Ballenger.....R. G.....R. Hughes

Geo. Keagy substituted for Chas. Brown, after Brown had had his nose hurt.

The high school team has fitted up the new public hall of the K. of P.'s for basketball and extend an invitation to meet all amateur teams. A large and enthusiastic crowd greeted the players, as many in the town had never seen a game before.

MILTON WAS DEFEATED.

Milton, Ind., Nov. 23.—The Maple Grove basketball team beat the Milton high school team 53 to 3 Friday evening. The Maple Grove boys had been well coached and played splendidly.

MAY FLOOD FIELD
FOR ICE SKATING

This Action Probable After Improvements Are Made at
Athletic Park.

JESSUP IN FAVOR OF IT.

DIAMOND WILL BECOME A GRIDIRON ON THANKSGIVING DAY, THE KIBBEYS TO MEET THE GREENFIELD TEAM.

As soon as left field is leveled at Athletic park and the cold weather sets in, it is probable that the field will be flooded for ice skating. Some fans have questioned the advisability of flooding the playing field, fearing that it would render it unfit for baseball next season.

Manager Jessup states that the flooding of the playing field will be a benefit. He states that it puts the ground in good condition and says that in many baseball parks the playing field is flooded each winter.

On Thanksgiving day the playing field at Athletic park will be transformed from a baseball diamond to a football gridiron. On this date the Kibbey Athletic club team will play the Greenfield Tigers. All the players on the Kibbey team are former high school and preparatory school stars, and for the past two weeks have been training for this game. The Greenfield team is also made up of former high school, prep school and college stars and the game should be a most interesting one. It is thought there will be a large crowd in attendance.

HAMILTON SCORED
ALMOST AT WILL

Richmond High School Was
Outclassed in Saturday's Contest.

FINAL SCORE WAS 34 TO 6.

BRUNSON, LEFT HALF BACK FOR THE HAMILTON TEAM, PROVED A STAR AND DID MOST OF THE SCORING FOR BUCKEYES.

Hamilton, O., Nov. 23.—If the Richmond high school football team had any hopes of winning today's game with the Hamilton high school, which was finally won by local lads by the score of 34 to 6, these hopes were dispelled in four minutes' time, when Brunson, left half back, for the Hamilton team, tore through the Quakers for repeated gains and finally crossed the Indiana goal line. He kicked his own goal. This seemed to dishearten the Richmond aggregation and the team's weak defense grew weaker, and the ball was advanced without the least resistance. The first half was featured by long and spectacular runs. Brunson for Hamilton, electrifying the several hundred spectators by his decided spectacular playing. He scored three touchdowns in the first half. The only score Richmond registered was made by Hiatt, who broke loose with the ball and dodging down the field, planted the pig skin directly behind Hamilton's goal post. Allison kicked goal. The first half ended with the score standing 18 to 6.

The second half proved no better for the Richmond boys, for Hamilton added sixteen points to the already large total. Brunson and Goodnough for the Ohio lads did the scoring in this half.

For Richmond, Hiatt, Allison and Cox played stellar games. The second half was to have been thirty minutes, but the game was called on account of darkness. Here tonight, Richmond players attributed their defeat to deficient training. The thirty minute halves entirely exhausted the visitors.

NOTRE DAME KEPT
PURDUE FROM SCORING

At the Same Time She Secured 17 Points.

Lafayette, Ind., Nov. 23.—Notre Dame trained its big guns on Purdue this afternoon and with an amazing variety of fast offensive formations, literally smothered the "Boiler Makers." One touchdown was made in the first half and two in the second. Two goals were kicked, making the score 14 to 0.

But for the fact that Notre Dame was penalized five times, as much as any team should be, the score would have been much larger. The climax to the imposition of penalties came in the middle of the second half when Ryan, the brilliant Notre Dame quarterback, was ruled out of the game and his team penalized thirty-four yards, half the distance to the goal line.

COMING OF GRAVES
ADVANCING STOCK

Kibbeys Will Be Material
Strengthened by Purdue
University Player.

FOOTBALL THANKSGIVING

GREENFIELD TEAM IS COMING AND A GOOD CONTEST IS EXPECTED AT ATHLETIC PARK. TICKETS SELLING WELL.

Kibbey stock has advanced materially since Captain Snively has received word from Donald Graves, now a member of the Purdue freshman team, that he will be in Richmond Thanksgiving day to aid the local team in the battle to be fought with the Greenfield, Ind., Tigers on that day. Graves is an aggressive player, and was one of the stars on the Kibbey football team of two seasons ago, which covered itself with honor with an excellent record. He will be a tower of strength at left tackle, which position he is now playing at Purdue.

The team will indulge in its second scrimmage practice this morning at Athletic park and a number of excellent new formations for the forward pass will be given. It is hoped by Capt. Snively to perfect his men in the use of the pass. It is not entirely unfamiliar to them however, as several of the men who will play with the Kibbeys Thanksgiving, have been playing this season with colleges or amateur teams who have used this system of play repeatedly.

The squad is under the direction of Wales Gaston, and he will before Thursday make a strenuous endeavor to take the kinks out of those players who yet are a little stale or are not playing their best game. The Kibbeys as a team are determined to make a creditable showing against the strong Greenfield aggregation and will practice diligently to that end.

From the way in which the tickets are selling, Manager Higley has every reason to believe that the crowd will tax the capacity of Athletic park. Daily interest in the game increases as it will be the only gridiron battle fought in the city on that day. Turkey day games are always popular. The probable lineup of the Kibbeys will be: Allison, left end; Graves, left tackle; Schafer or Craighead, left guard; Gift, center; Meyers, right guard; Beatty, tackle; Johnson or McGaw, right end; Snively, left half; Haas, full back; Gaston, right half; Higley, quarter back.

ENTER PLEAS OF GUILTY.

MANAGERS OF LEAGUE CLAIM THIS ACTION WILL NOT PREVENT PROSECUTION—OTHER NEWS OF THIS SECTION.

Hamilton, Ind., Nov. 23.—A hundred saloon keepers in this city were arrested last night on their own request, to escape similar prosecution by the Ohio Anti-Saloon League on warrants issued by "Squire" Murphy, and today they entered pleas of guilty to selling intoxicants on Sunday and were each fined the costs in the case. Fifty additional saloon keepers were arrested today, scattered through the county. Managers of the league assert that this voluntary action by the saloon keepers will not save them from prosecution by the league.

SCHOOL CLEARED ABOUT \$5.
