SPORTING NEWS**SEASON WILL CLOSE WITH BUTLER GAME**

Much Interest Shown in the Contest at Washington Park, Thursday.

PREDICTING LOW SCORE.

BUTLER MEN THINK THE QUAKERS WILL BE HELD WELL IN HAND—RELATIVE STRENGTH OF TEAMS SHOWN.

Indianapolis, Nov. 27.—The final football battle of the year in Indianapolis, will take place tomorrow between Butler and Earlham. Both schools have been going through some of the hardest work of the season during the past week in preparation for tomorrow's game. Reports from both Earlham and Butler show that both teams are in splendid condition and indications point to a hard fought game.

The play of Butler has improved materially in the last week. The line has been strengthened and two sets of backs have been worked out. Nothing will be spared by Butler in giving the Quakers the best it has got and this is true of the Richmond eleven.

Tomorrow's game will be a case of speed against weight, as Earlham outweighs Butler several pounds to the man. By doing scores, Earlham should win out by a large score, but the slogan at Butler for the past week has been "hold Earlham to a low score."

Expect Low Score.

It is a safe bet that when the dust clears up after tomorrow's game the score which Earlham makes will be much smaller than its men are expecting. This season's schedule of games at Washington park has given the Indianapolis football fans a chance to see some of the fastest football ever seen on a local gridiron. Thanksgiving day's game will be no exception and the indications point to one of the largest crowds of the entire season.

While handicapped all season in lack of weight and in the number of men injured, the Butler eleven has made a game fight in all of its games. This is the first year of intercollegiate football since the abandonment of this branch of sports two years ago. This left nothing but green material on hands to work with as none of the team of two years ago is now in school. Under these discouraging conditions Coach McKay has developed one of the hardest fighting teams that ever represented the Irvington institution.

Butler succeeded in holding the fast Rose Poly team to a 16-to-5 score before it disbanded. This team was touted by critics as the probable winner of the secondary championship. Earlham scored a 5-to-0 victory over Franklin and Butler held this same team to a 0-to-0 draw. This game shows the relative strength of the two teams.

Coach McKay and Manager Kitterman stated yesterday that none of the Earlham men will be protested. Both schools will go into tomorrow's game determined to win. While the advantage lies with Earlham the dark horse element is not to be altogether disregarded and Butler may win.

HOG PRICES DROP TO A LOW LEVEL

There Has Been a Big Slump In the Market of Late.

RETAIL PRICES AFFECTED.

BEST CUT OF PORK CAN BE BOUGHT FOR 12½ CENTS INSTEAD OF 15 CENTS—SHIPPERS CAUTIOUS.

A slump has been reported in pork, but, according to a local dealer there has been no sudden slump but the prices of pork have been going down steadily and will continue to descend, but how low they will go is not stated. Two weeks ago, says one local dealer, pork could be obtained all the way from 15 to 18 cents but at the present time it is sinking rapidly and rests for the time being at 10 to 15 cents and will without doubt get lower. The same dealer states that on this account the shippers are afraid to ship and what little has been shipped has been returned as the retailers are unwilling to venture for under such conditions.

Another local dealer states that pork has dropped to its bottom price and although it may remain at the present level for some time, it will not get much lower. Quite a considerable difference will be shown, however, when the local dealers begin buying up hogs.

The only difference to be seen in the local quotations, however, is the drop in best cut pork from 15 cents to 12½ cents, while fresh pork shoulder has come down from 12½ to 10 cents.

RURAL DISTRICTS TO BE MECCA FOR MANY

There Will Be an Exodus of Hunters on Thanksgiving Day.

LICENSES ARE IN DEMAND.

COUNTY CLERK PENNY FINDS IT NECESSARY TO PUT IN SOME EXTRA TIME AT THE OFFICE ON THIS ACCOUNT.

That there will be a veritable emigration from the city of Richmond to the rural districts Thanksgiving day is evidenced by the exceptionally large number of hunters' licenses which have been issued within the past few days by County Clerk Penny. The latter individual has found it necessary to remain in his office late each evening to accommodate men who desire licenses, but who cannot secure them at any other time in the day.

Tuesday evening he was kept in his office until long after dark while he says he expects to camp out this Wednesday evening, as an extraordinarily large number of men are expected in the office to pay over their fees in return for a slip of paper which legalizes their cavorting over Wayne county cornfields and pastures.

County Clerk Penny thinks the hunters' law which necessitates the securing of a license is a good one, especially from the revenue standpoint. Just \$400 has been turned into county coffers during the month of November from this source. The record is a good one, he says.

BOWLERS WERE LITTLE OFF COLOR IN PLAY

Every quality of bowling was displayed in the match between the Rottermans and Idlemans Tuesday evening except exceptionally good. The men seemed unable to "get together" in any game and roll a big team score, though several very creditable individual scores were made.

White, Idelman and Foster made good averages. Foster had the high score, 208. The individual and team scores were:

Pictures Taken to Serve as a Remembrance.

CLOSE GAME IS EXPECTED.

The members of the high school foot ball team have had their pictures taken so that they will have something to be remembered by if they do not return from Rushville. In order to assure the success of the picture they were shot by two local photographers, Frank Buhl and John Hirschburg. The pictures are bound to be particularly good, owing to the fact that all of the members of the team have had their hair cut pompadour, so that the uniformity will be very marked.

Thursday the foot ball team goes to Rushville to be slaughtered. This may be the case, but Captain Karns is confident that they will hold the Rushville boys to a close score, if they do not defeat them. The local boys will indeed have to put up the game of their lives if they accomplish this, for Rushville does surely play good football, as they demonstrated to the entire satisfaction of the Richmond foot ball lovers some time ago.
