Earlham Found Butler Strong Opponent, But Was Able to Score Freely and to Keep Butler From Scoring.

CONTEST WAS FEATURED BY SENSATIONAL PLAYS.

Long Runs and Pretty Tackles Numerous—Butler Lost From the First But Was Game to the Very End.

Indianapolis, Nov. 29.—One of the most interesting and hardest fought contests that Earlham has experienced this year occurred on the gridiron at Washington Park, Indianapolis, Thursday afternoon when the Quakers stacked up against the Butterflies. The final score 36 to 0 in favor of Earlham does not tell the story of the game. The Christians fought a losing fight against the Quakers to retrieve the honor which was taken away from them three weeks ago on Reid field. The entire game was featured by sensational plays, long runs and pretty tackling and although Butler was losing from the beginning their courage and persistence was unflinching.

At 2:30 the Butler team trotted on to the field, the team outweighting Earlham's team five pounds to the man. Butler won the toss and kicked to the Quakers' 20 yard line. Harrell received the kick and made a gain of twenty yards. Hancock made three steady gains of about ten yards each. Walhall lost the ball in the scrimmage, but Earlham held the Butler team for downs. Butler punted and "Chubby" Barrett blocked the ball, which rolled back over the goal line. Butler fell on the ball, making the score 2 to 0 in favor of the Quakers.

Butler again kicked off to Earlham. Barrett and Guyer were steadily pushed forward for gains of five and ten yards each time. Hancock, whose successful dodging seemed remarkable, broke through Butler's defense and made a touchdown with a run of 25 yards. Thistlethwaite kicked goal making the score 8 to 0 in favor of the Quakers.

Earlham kicked to Butler's five yard line and after some unsuccessful attempts to break through Earlham's defense Butler was forced to punt. "Happy" Wann received the ball and made a gain of 35 yards. Earlham was held on downs and was forced to punt. Butler fumbled and Hancock downed the ball on Butler's five yard line. Earlham's tandem plays proved very successful and Guyer was forced through the Butler line for another touchdown but Thistlethwaite kicked goal. The score now stood 14 to 0. From this on to the end of the game Earlham had everything her own way. Harrell was pushed over for another touchdown but Thistlethwaite failed to kick goal, the first he has missed in the last twelve times, kicking 9 straight goals in the game with Winona last Saturday. Butler kicked off to Wilson and with punts and steady gains Thistlethwaite made another touchdown and kicked goal making score 25 to 0. Quarter back McGuire of the Butler team had three ribs broken and had to retire from the game. Earlham made two more touchdowns but failed to kick goal once, making the final score 36 to 0.

Butler deserves every credit for their gameness and courage in the face of all the odds. Their center went into the game with a broken shoulder blade and McGuire's ribs were not well knitted from the far they received in the last game with Earlham. They were antagonistic, watching every place for a chance to break through but Vail's men have been on the rack too long to allow anything like that. Coach Vail was well pleased with the good form in which his men showed up in the game. Miller of Wabash

stated that he had never seen any more magnificent team work than that displayed by Earlham. Cayon of Wabash stated that the team work was excellent but that their work at DePaw far exceeded that of today. "DePaw would have beaten Earlham 40 to 0 had Earlham's playing been as ragged as that of today."

Wann, Thistlethwaite and Elliott played their last game as members of the Earlham team yesterday and Earlham will sadly lack these stars in next year's team. The playing of each man was remarkable and Earlham can be complimented on producing three so excellent players. Hancock's playing was unequalled by any end in the state yesterday and Coach Cayon said he wished he could get a hold of him for next year's Wabash team.

**SCORE RUN TO HIGH POINT.**

LOCALS STOPPED AT 61 BUT MIGHT AS WELL HAVE MADE IT 100—A RETURN DATE WAS REFUSED THE VISITORS.

Kibbey's, 61; Greenfield, 0.

Kibbey's romped, fondled and coaxed the Greenfield Tigers at Athletic Park Thursday afternoon, much as a cinnamon bear would play with a tiny kitten. When the romping was over and the large and shivering crowd started to leave the field, Greenfield was buried under a 61 to 0 score. All that could be heard was the plaintive whimpers from the children, who represented the town to Richmond's west.

When manager and captain, Dan Derry, a diminutive youngster, who might push the beam to 100 pounds if he tried right hard, arrived in Richmond Thanksgiving morning with his team, a sign of genuine regret emerged from the throats of the Kibbey's. The Greenfield team, although promising Manager Kenneth Higley, that it would present a strong lineup and test the mettle of the local team, came to Richmond with a few children who seemed that they could not be out of "kitts" so very long. There was only one man on the Greenfield team who was as heavy as any one of the Kibbey's, and that was Smock, the full back, who contested strongly every foot of ground the Kibbey's gained. He, however, could not hope to do all the work, and as a consequence his team was completely snowed under. During the second half "Bob" Luken played with Greenfield and put up a most excellent game.

Long Runs a Feature. Notwithstanding the weak opposition, the Kibbey team but seldom let up in the playing, but kept plugging as though they were playing a foe really worth the trouble. Several very beautiful forward passes were made and excellent plays run off the spindle. The game was featured by the long runs made by the Kibbey's. Not once did the Greenfields hold the Kibbey's for

distance. On the other hand, Greenfield made her required distance, ten yards, but once.

The game in reality was a very uninteresting one from the spectators' standpoint. Two minutes after the opening of the first half when Wales Gaston of the Kibbey's, broke through the Greenfield line and made a touchdown, after sprinting seventy-five yards, the spectators very readily saw that it would be all the Kibbey's way, and at once began speculating on the size of the score. It was thought by many that the local team could have run up a hundred points if it had been so disposed.

Some Pretty Dashes.

Allison Gaston, Lancaster, Beatty, Haas and Higley advanced the ball at will. Higley made several very pretty dashes down the field, but was called back repeatedly. During the second half an unusual thing occurred. Greenfield punted, Higley caught the ball and chased through the entire Greenfield team for a touchdown.

The first half ended with the score standing 39 to 0 in favor of the Kibbey's. Gaston, Allison, Lancaster and Higley made touchdowns in this half. Allison and Lancaster kicked their own goals. In the second half Allison, Beatty, Haas and Graves scored touchdowns. Beatty and Allison kicked their own goals.

Following the game the Greenfield manager wanted a return date with the local aggregation but this was not granted. The lineup of the teams follows:

Kibbey's 61. Greenfield 0.  
Gift and Bayer, center ..... Curn  
Allison ..... left end ..... Jackson

**EAST END TEAM IS UNABLE TO SCORE**

Defeated in a Clean Game by The Cambridge City High School Boys.

**THE SCORE WAS 38 TO 0.**

CAMBRIDGE WAS HEAVIER AND HAD THE VISITORS AT THEIR MERCY—LARGE AND ENTHUSIASTIC CROWD SAW CONTEST.

Cambridge City, Ind., Nov. 29.—The local high school eleven superbly maintained its supremacy by defeating the East End eleven from Richmond, at Oakland Park, Thanksgiving afternoon by a score of 38 to 0.

Cambridge kicked off to Richmond, held them for downs and R. Mosbaugh made the first touchdown after a minute and a half of playing. The locals had somewhat the advantage in weight and held the visitors at their mercy all through the game.

This was by far the cleanest contest that has been seen here this season as there was no slugging or brutal playing by either side. The visitors were all gentlemen and played hard, but it was of no avail, as they were outclassed. Several hundred people were out to witness the game. The young ladies of the high school were all armed with pennants, and were quite enthusiastic in their cheering. The feature of the game was the long end run made by Quarterback Knox, who carried the ball 85 yards for a touchdown. Don Drischel also made a 40 yard run for a touchdown on a straight line plunge. The interference of the locals was especially good.
