One of the pretty social affairs of New Year's day, was the reception

given Wednesday afternoon between the hours of 2 and 5 o'clock at the home of Mrs. T. M. Guild, North Tenth street, Mrs. Guild, as hostess, being assisted by Miss Carrie Lesh. It was president day for the Woman's Home and Foreign Missionary societies of the church and all of the members and friends were invited. During the afternoon between sixty and seventy people called at the home and paid their respects to the hostess. The rooms were charmingly decorated in holly and ever greens, and the prevailing colors were red and green.

Mrs. H. Wiggins was delightfully surprised by a company of friends and neighbors, it being her birthday. Pointe-à-la-Poudre was played and refreshments were served. Those composing the party were Mr. and Mrs. A. H. Harsh, Mr. and Mrs. M. Kinder, Mr. and Mrs. W. Hodapp, Mr. and Mrs. Harry Besselman and daughter, Mr. Jonathan W. POPULAR RECIPE.

Effective Home-Made Cough Syrup.

Take three-quarters of a pound of Granulated Sugar, add water, heat and stir until you have a thick syrup. Put 2½ oz. of pure Pinex in a pint bottle and fill it up with the Granulated Sugar Syrup. Take a teaspoonful every once, two or three hours. Keep well corked and it will never spoil.

The effectiveness of this simple home-made article is surprising. It usually stops a deep-seated cough in 24 hours. Use the pure Pinex in making it however. It is the most valuable, concentrated form of Norway White Pine Extract, and it is far superior to the numerous pine oil and pine tar preparations. If your druggist does not have it, he can get it for you without trouble.

The proportion above suggested makes a full pint of the best cold and cough remedy—enough to last a family a long time. The total cost is about fifty-four cents.

It would seem from the divorce record of the past year, that the men of this county bear up better under domestic woes than the women. Out of the seventy cases in which divorces were granted, only twelve of the plaintiffs were men.

FIREMAN SUFFERING FROM BAD INJURIES

Fell Over a Bathtub at the City Building Wednesday Night.

FEAR OF LIFE EXPRESSED.

THE MAN IS STILL UNDER INFLUENCE OF ANAESTHETICS AND CANNOT BE REMOVED TO HIS HOME.

Infus Newman, of Hesse Company No. 2, located at the city building, met with a dangerous accident last night and today is in a precarious condition. Newman's sufferings are so intense that he is being kept under the influence of narcotics.

Late last night he left the sleeping quarters of the firemen and went to the bath room. There was no light and he fell over a chair, alighting astride the side of the bath tub and then rolled into the tub.

The terrible screams of the injured man brought all the firemen to his assistance and a physician was promptly summoned. So bad was the accident that for a time it was thought Newman would die. To relieve his intense agony anaesthetics were applied and this morning he was still in a comatose condition.

Newman is one of the veteran members of the fire department and is a very well known man. Of late he has been in poor physical condition and he had planned to undergo a surgical operation today. Newman will not be removed to his home until his condition has improved considerably.

MERCHANTS ARE GIVEN WARNING

Fraudulent Money Orders, It Is Thought, Are Being Cashed Here.

STOLEN IN CHICAGO OFFICE.

Charles G. Swain, an official of the postal department, has been asked by the Washington officials to notify the business men of Richmond that fraudulent money orders are being passed by a man, who is described as between 40 and 45 years of age and weighing about 230 pounds. The orders range in number from 18516 to 19090 and were stolen from the Chicago office, in connection with a stamp so that they can be easily filled out and negotiated. Usually they are presented for sums of \$35 or under, the man making a small purchase and asking for the difference between the value of his purchase and the size of the order in cash. The order being
