

CLINCH IN THE POWERS JURY IT IS NOW REPORTED

It Seems That the Jury Is Liberating in Vain to Reach An Agreement on the Merits Of the Case.

IN CASE OF DISAGREEMENT DEFENSE WILL ASK BAIL.

When Jury Entered the Court Room to Be Enlightened, a Ray of Hope Shone in the Eyes of the Defendant.

Georgetown, Ky., Jan. 3.—The jury in whose hands rests the destiny of Caleb Powers, three declared guilty of complicity in the murder of Governor William Goebel in 1900, seems hopelessly divided. The foreman has intimated that an agreement was out of the question.

When the jury yesterday came back into the court room to hear re-read certain portions of the testimony of Henry Youtsey, Powers was all attention. There was scarcely a moment that his eyes were off the twelve men. It seemed as if he were searching their souls for some ray of hope. At the conclusion of the reading of the testimony he was taken back to his cot in the prison.

Two written questions were propounded to the court by the jury. They were:

"By what route did Youtsey, according to the testimony, leave the executive building after admitting James Howard to the office of Caleb Powers, secretary of state?"

"From what window was fired the bullet that killed Goebel?"

The jury was enlightened.

If a disagreement is announced counsel for Powers will immediately file an application for bail.

WOMAN SLEEPS WITH DEAD HUSBAND

Wife Awakes to Find Cold Body Beside Her.

Marion, Ind., Jan. 3.—When Mrs. Frederick Apt awoke this morning she found her husband dead, lying at her side. It is believed he had been dead for five hours before his wife discovered that he was a corpse. Apt was 58 years old. He was a farmer residing southwest of Marion. Apoplexy is said to have been the cause of his death.

OLD SCISSORS USED BY MOTHER

Decapitated Head of Newly Born Babe.

New York, Jan. 3.—Fearing that she would lose her position because she became a mother while in her employ, Mrs. Teresa Samplero, employed by an Italian family, of No. 523 High Point avenue, West Hoboken, is under arrest in the North Hudson hospital charged with having murdered her infant by cutting off its head with a pair of old scissors, concealing its mutilated body in her trunk and attempting to hide the traces of blood on the floor which ultimately led to the discovering of her greivous deed.

The woman is said to have come from Chicago four months ago, and the West Hoboken police have notified the authorities in that city to apprehend the man in the case. It is said that the woman gave his name and the police will forward it to the Chicago authorities.

HEART IS ON THE RIGHT SIDE

Man Is Suffering With Attacks Of Tuberculosis.

Terre Haute, Ind., Jan. 3.—J. G. Stunbaugh, a waiter making his way back to Kokomo from Cairo, Ill., went to a hospital in this city to be treated for tuberculosis. He had started to the south and at Cairo decided to return to Kokomo. At St. Louis, in a hospital, he learned for the first time, although he is 47 years old, that his heart is on the right side of his body. The doctors at the Terre Haute hospital will send him to the Indiana Medical college at Indianapolis that he may be examined by the students, and probably arrangements will be made for treatment for tuberculosis in an Indianapolis hospital.

Japan's mining production last year according to returns furnished by the Japanese department of agriculture and commerce amounted to \$52,130,884. In 1906 the corresponding value was \$50,000,000. The value of Japan's mining output is troubling every decade.

NEGRO LASSED AND LYNCHED

It Was Alleged That He Killed Officer.

Brookhaven, Miss., Jan. 3.—Probably the first lynching of 1908 occurred here today, when a mob in broad daylight, took a negro away from police officers and shot him. The negro, whose name was not known either to the police or mob, was accused of killing a policeman at Oakvale, Miss., Tuesday night.

The mob got the negro away from the police by using a lasso, which was thrown over the negro's neck as the officers hurried him to jail. After the lynching a negro who saw the body said it was that of Coot Autman, accused of killing a policeman in this vicinity December 10.

MILLION OFFERED DOCTORS TO SAVE LIFE

Peacock and Ridgeway Were Inseparable.

Pittsburg, Jan. 3.—Alexander R. Peacock, the multimillionaire and former junior partner of Andrew Carnegie, it was learned today, offered \$1,000,000 to any physician who could save the life of Frank Ridgeway, director of the department of public safety of Pittsburg, who died in the West Penn Hospital early Monday morning.

For years the two men were almost inseparable, and when Director Ridgeway was taken ill of pneumonia Peacock spent most of his time by his bedside until his condition became so grave that only the nearest relatives were admitted.

CARDINAL GIBBONS IS AN OPTIMIST

Baltimore, Jan. 3.—Cardinal Gibbons today expressed his opinion of the outlook for next year in the following words:

"The prospects for 1908 appear very fair. The most reasonable way to judge of the future is by the light of the past and we find that if Almighty God has inflicted upon us some trials the blessings He has vouchsafed have always exceeded them."

This has been the experience in the years gone by and I think we may rely upon the same goodness and protection in the one on which we enter today. There may be some things that will probably appear to certain minds discouraging, but under the will of Divine Providence I am sure we may hope for the best."
