

## CAMP FIRE POEMS PUBLISHED IN THE ORIGINAL FORM

S. B. Huddleston of Dublin, Is  
Preparing a Unique Volume  
Of Poetry of Which He Is  
The Author.

ORIGINAL COPY IS  
REPRODUCED IN BOOK.

Wayne County's Poet Has  
Been Writing Since He Was  
A Boy of Nineteen Years of  
Age With Success.

S. B. Huddleston of Dublin, Ind., has  
gained considerable prominence as a  
poet throughout Wayne county, and it  
is with pleasure that his many  
friends have learned that he is at  
present having bound at the Nichol-  
son Printing company, a complete  
collection of all of his literary efforts,  
covering a period of nearly a half cen-  
tury.

The book is unique in that the origi-  
nal copy which he submitted to the  
publishers has been reproduced. The  
books will be of substantial binding  
with an appropriate cover design.

The contents are even more unique  
than the book-craft. The poems are  
of almost every conceivable character,  
religious, humorous, pastoral and his-  
torical. The author first began to  
write poetry at the age of nineteen  
years, and during his three years of  
service in the civil war he spent many  
a night at the campfire writing a poem  
on some incident of pathos that had  
occurred during the day's engagement.  
In 1871, Mr. Huddleston wrote the  
history of his regiment, the 84th Indi-  
ana Infantry, in a series of articles  
which appeared in the New Castle  
Courier, when A. G. Wilcox was edi-  
tor.

## LONGEST TRIP IN INTERURBAN WORLD

New Limited Service Between  
Richmond and the Ohio  
Capital.

BEGINS DECEMBER 15TH.

An announcement was made Satur-  
day by W. S. Whitney, general pas-  
senger and freight agent of the Ohio  
Electric Railway, that effective Jan. 19,  
limited service will be put on by the  
company between Dayton and  
Richmond. This will come as an ex-  
tension of the limited service which  
was instituted between Columbus and  
Dayton, Dec. 15. It will make a lim-  
ited electric line service of 112 miles,  
the longest regular and continuous  
run in this part of the country. The  
action of the company will be a boon  
to the many travelers between Rich-  
mond and Dayton, who have heretofore  
had to put up with stops and  
starts at every town and corner. The  
arrangement will undoubtedly bring  
the two cities much closer together  
in many ways.

## SPECIAL MEETINGS AT SECOND CHURCH

East End Presbyterians Have  
Started Effort in Way  
Of Revival.

A series of meetings, which is to  
continue from Jan. 12 to 26, began at  
the Second Presbyterian church on  
North Nineteenth street, yesterday.  
Communion service was conducted in  
the morning. Rev. R. H. Dunaway,  
the pastor, will preach and Frank Al-  
len of Columbus, O., will sing during  
these meetings. Mr. Allen was pres-  
ent yesterday and proved himself to  
be an enthusiastic and capable lead-  
er as well as a pleasing soloist. He  
organized a chorus of about twenty  
voices yesterday afternoon to which  
others are to be added. The chorus  
will meet each evening at 7 o'clock.

A large audience was present yes-  
terday evening to listen to the song  
service and to get instruction from the  
sermon. Presenting lessons from the  
life of Joseph illustrated with the stereo-  
opticon. Following the service there  
was a meeting of the members and  
Christian workers of the community  
for conference and prayer. There will  
be services every evening except Sat-  
urday: Song service, 7:15; sermon  
7:45; special solo 8:10; seekers' ser-  
vice 8:15; day meetings at 2:00 Tues-  
day, Wednesday, Thursday and Fri-  
day. The good start bespeaks success  
for the meetings.

"You said the house was only five  
minutes' walk from the station," com-  
plained the victim. "To say the least,  
I'm disappointed in you."  
"And I'm disappointed in you," re-  
plied the agent. "I thought you were  
a very rapid walker."—Philadelphia

## LEAP YEAR SOCIAL GIVEN AT EARLHAM

Event of Saturday Night Was  
A Complete Success and  
Much Enjoyed.

The leap year social Saturday night  
at Earlham College was a complete  
success so far as the boys were con-  
cerned, but the girls have decided that  
from now on, if the boys do not ask  
to be their escorts to lectures or so-  
cials, they will remain at home. They  
have decided that being a boy for just  
one evening is the most trouble and  
they can not see how a boy being born  
a boy can exist.

The social was in the nature of a  
gathering in the gymnasium, with two  
basket ball games to liven up the eve-  
ning. The Varsity defeated the second  
team while the "Neversweats" took  
the "All Stars" into camp with the  
small end of a 19 to 2 score. The  
lineup of teams was as follows:

Neversweats. All Stars.  
B. Huff. C. Calvert.  
L. Barrett. E. Fisher.  
C. Constable. H. Trimble.  
W. Roberts. J. Perkins.  
P. Lewis. E. Williams.

## CANAL COSTING TWICE ESTIMATE

Entire Appropriation of \$135,-  
000,000 Authorized, Al-  
most Gone.

\$150,000,000 ADDITIONAL.

SENATE COMMITTEE FINDS THAT  
IT WILL TAKE AT LEAST THIS  
AMOUNT TO COMPLETE GREAT  
WATER WAY.

Washington, D. C., Jan. 13.—The en-  
tire appropriation of \$135,000,000 au-  
thorized by congress for a canal across  
the Isthmus of Panama, based on origi-  
nal estimates, will be exhausted in  
less than eighteen months, or by June  
30, 1908.

Computations made by leading  
members of the senate committee on  
inter-oceanic canals, indicate that at  
least \$150,000,000 additional will be  
required to complete the water way.  
These figures are founded on the opti-  
mistic prediction that the work can be  
finished within five years.

The pronounced advocates of a sea  
level canal still insist that the lock  
system upon which work is now being  
prosecuted, will prove an utter failure.  
The prophecy is freely made that  
eventually it will be necessary to  
place the canal at sea level, thereby  
adding to the total cost and bringing  
the future appropriations by congress  
for this purpose up to an aggregate of  
approximately \$300,000,000. This  
would make the final expenditure for  
the great water way reach the enor-  
mous sum of \$435,000,000.

## MILLION SENT FROM SOUTH BEND, IND.

Foreigners Were Prosperous  
Last Year.

South Bend, Ind., Jan. 13.—Nearly  
\$1,000,000, saved from their wages  
sent by the foreign population of South  
Bend to relatives in Europe during the  
last twelve months. This estimate is  
based on the report made by Peter  
Kish, a local Hungarian immigrant  
agent, whose books show that acting  
for people of his own nationality, he  
has sent \$140,431.15 across the Atlan-  
tic.

Since the reduction of forces in the  
local factories over 800 foreigners have  
left the city for Europe. Most of the  
emigrants are booked by the southern  
route. It is the intention of all to re-  
turn as soon as the prospects for work  
improve.

## CASE ATTRACTING MUCH ATTENTION

For Second Time Wieland Is  
Arraigned.

The second trial of the case of the  
State against Harmon Wieland and  
"Briek" Snow proprietor and clerk re-  
spectively of the New Windsor hotel,  
charged with keeping a house of ill  
fame, was begun this morning in the  
city court. The case is being heard  
before a jury and special Judge P. J.  
Freeman.

The defense is introducing about  
the same testimony as in the first  
trial. Prosecutor Jessup introduced  
witnesses who testified that bad char-  
acters frequented the hotel. The case  
is attracting attention.

## CAMBRIDGE CITY TO ACT AS HOST TO BIG CONVENTION

Sixth District Republicans  
Will Meet There Tomorrow  
To Select Chairmen Accord-  
ing to Regular Schedule.

FAIRBANKS AND WATSON  
TO BE ENDORSED.

Rumor Says That Resolutions  
To This Effect Will Be In-  
troduced and Furthermore,  
Adopted With a Whoop.

Tomorrow Cambridge City will be  
filled with busy politicians from all  
over the sixth district. The district  
convention will be held there and it is  
expected to be a most successful  
event. The party machinery is well  
oiled and everything will be carried  
out per schedule without a hitch. E.  
M. Haas of this city is slated for elec-  
tion as district chairman. This will  
be accomplished with a "whoop."

It is quite probable that a resolution  
endorsing Charles Warren Fairbanks  
candidate for the republican presiden-  
tial nomination will be introduced.  
Notwithstanding the fact that there  
have been reports circulated that the  
sixth district republicans are opposed  
to Fairbanks, his candidacy will be en-  
dorsed by the convention tomorrow in  
the event that such a resolution is in-  
troduced.

It is also rumored that the Rush  
county delegation will introduce a re-  
solution endorsing Congressman James  
E. Watson's candidacy for governor.  
It is the opinion of Mr. Watson's local  
friends and supporters that such a re-  
solution would receive an enthusiastic  
reception.

## FEE WAS VICTIM OF ROAD AGENTS

Local Man Returning From  
Connersville Held Up  
By Negroes.

SMALL "SWAG" SECURED.

AT THE POINT OF GUN, HE WAS  
COMPELLED TO HAND OVER  
TO THE BAD MEN MORE THAN  
NINE DOLLARS.

Saturday morning about 7:30 o'clock  
John Fee, who drives a moving van for  
A. J. Winterstein of North A street,  
was held up and robbed by two ne-  
groes. The holdup occurred on the  
Milton pike about four miles north of  
Connersville. The two road agents se-  
cured \$9.50 from Fee, then jumped in-  
to a rig which they had secured at  
Milton and drove towards Conners-  
ville. Information concerning the  
robbery was placed in the hands of the  
Connersville authorities, but the two  
negroes are still at large.

Friday, Fee drove with a wagon load  
of goods to Connersville. Friday  
evening he fell in with the two negroes  
who held him up, and in a gambling  
game which ensued, it is understood  
Fee won most of the money the two  
crooks had on them.

Saturday morning Fee started to  
drive the van back to Richmond. His  
departure was noticed by the colored  
men. They boarded a train and  
went to Milton. Arriving there they  
secured a horse and rig and drove  
south on the Milton pike in the direc-  
tion of Connersville. When about  
four miles from Connersville the two  
road agents met Fee. Both of them  
jumped out of the rig and ordered him  
to halt. One negro covered the local  
man with a revolver while the other  
went through Fee's pockets, taking all  
the money he had on him, which  
amounted to \$9.50.

After securing the swag, the two  
bold daylight robbers jumped into  
their rig and drove rapidly toward  
Connersville. Fee followed after them  
in his slow moving van. Arriving in  
Connersville he found no trace of the  
robbers, but he reported the case to  
the Connersville police.

## OWLS' INITIATION WAS POSTPONED

Owing to a misunderstanding, the  
Muncie team failed to arrive in Rich-  
mond Sunday to conduct the initia-  
tion of about seventy-five local young  
men who signified their intention of  
being charter members of the new nest  
of Owls.

The meeting which had been arrang-  
ed for was a success despite the post-  
ponement of the initiation until next  
Sunday.

The meeting was held in the Odd  
Fellows' hall. A banquet was a fea-  
ture. The charter will be held open  
until next Sunday and it is thought  
that many additions will be made to  
the list of membership applicants.

## TURNER EXHIBIT CLOSES TUESDAY

The Event Has Been Most  
Successful and Schools  
Will Benefit.

WILL PURCHASE PICTURES.

WHEN THESE ARE FRAMED THEY  
WILL BE PLACED IN THE  
SCHOOL ROOMS OF THE CITY—  
VALUED AT NEAR \$300.

The Turner art exhibit closes Tues-  
day evening. The event has been up-  
to-date. It is the first attempt ever  
made in Richmond by a club to raise  
funds toward the purchase of pictures  
for the public schools.

The Ladies of the Daughters of  
American Revolution, under whose au-  
spices the affair is being given, are  
well pleased with the results of the ex-  
hibit last week. Up to the present  
\$150 has been realized and this amount  
will be expended in purchasing pic-  
tures.

When these pictures are framed they  
will be worth about \$300. A good at-  
tendance is expected tonight and to-  
morrow afternoon and evening.

## SLEET DISABLES TELEGRAPH SERVICES

Much Trouble Caused to Com-  
panies.

Owing to the presence of sleet on  
the telegraph wires, which accumu-  
lated during the night, telegraphic ser-  
vice was poor today. This was es-  
pecially true of wires to northern  
points.

## GLAD HAND AND "TWO-FER" ON TAG

Many Candidates at the Court  
House.

The court house presented an ani-  
mated appearance this morning. For  
at least an hour before the county  
circuit committee went into execu-  
tive session the lobbies of the big build-  
ing were filled with politicians and in-  
nocent bystanders. Announcement cards  
were thicker than base ball teams in  
Cincinnati. The glad hand and the  
"two-fer" were also on tap.

## HOSTILITIES BETWEEN COLORED LOVERS

Harry Miller "Fell Out" With  
Best Girl.

Harry Miller and Julia Augustus,  
both colored, are under arrest on a  
charge of drunk. Saturday night Mil-  
ler had a falling out with Julia, who is  
his best girl, and hostilities ensued.  
The battle started on South Sixth  
street and ended in an alley near Main  
street where Officer McNally gathered  
in the combatants.

## CHICKEN THIEVES WERE CAPTURED

Henry Drosty and Thomas Brokamp  
were arrested Sunday by the police  
on a charge of chicken stealing.  
These men confessed to Chief Bailey  
that they were accomplices of Albert  
Clark, who was arrested Friday. Chief  
Bailey is of the opinion that the en-  
tire gang of chicken thieves, whose  
depredations have extended all over  
the county, have at last been round-  
ed up.

## SUMMITVILLE TO PLAY WEDNESDAY

The Summitville, Ind., polo team will

of Anderson players and is said to be  
one of the fastest in the state.
