GAMES FRIDAY NIGHT.
Kibbey's vs. Empires.

In a very one-sided game the Greeks took the measure of the Empire team at the coliseum last evening by a score of 8 to 1. A good sized crowd witnessed the contest. Bulla, Karns and Allison, the fast little rushes for the Greeks penetrated the Empires' defense at will and there was never any doubt as to the outcome of the game. The work of the Empire rushes was quite crude and as a result Steinkamp at goal for the Greeks did not have enough to do to keep warm. Lineup and summary:

CONNERSVILLE HAS NEW NEWSPAPER

The Journal Will Be Issued
Daily.

Connorsville, Ind., January 23.—A new corporation, the Courier Newspaper Company, has been organized by G. H. Hamilton, William Masters, Claude Mathewson, Charles Myers and A. J. Reth, and proposes to establish a daily paper. The Courier heretofore has been a weekly. Mr. Hamilton, head of the new company, comes from Thorntown, where he still owns a newspaper.

REUF GETS MORE TIME.

San Francisco, January 23.—Abraham Reuf's failure to secure counsel in two days' time allowed him for that purpose by Superior Judge Lawrence on Wednesday, was the cause of another delay in fixing the date of his trial, the Court granting him until Friday afternoon.

Affairs of the Sporting World

Disposition of the Springfield opportunity leaves but two problems to be worked out and one of them is very near solution as the Hamilton men are moving along merrily with their plans to finance a club there.

Richmond just now holds a franchise in the Indiana-Ohio league, but it is probable that this berth will be dropped and a place taken in the Ohio State as soon as the matter of protection is understood.

It develops that the Indiana-Ohio magnates are united in a desire for protection. One of the clubs has Manager, an outfielder owned by Pittsburgh, lined up and stands to lose him if the league is taken under the wing of organized baseball. There are some other cases of a similar nature.

President Quinn intimates that the next meeting of the club owners will take place here Monday.—Columbus State Journal.

Manager Hunt of the local baseball team, has signed Ed Kraft of Indianapolis, to play second base. Kraft was procured on the recommendation of Short Stop Stewart. His contract along with that of Catcher Hardin, has been received at club headquarters. —Van Wert Bulletin.

Base ball magnates are busy now sending out contracts. Players are busy signing them and sending the documents back.

Jimmie Kane, a candidate for first base on the Pirate team, says: "If I ever get on the Pittsburgh team, they never will get me off of it." That's the proper spirit, lad.

After Barney Dreyfuss read President Pullman's "last say" on Pat Powers and the National association, he exclaimed: "God have mercy on the man who owns a typewriter."
