**OPENS

CLEARANCE SALE

**CLOSES
SATURDAY
FEB. 15
1908**

Those who attended our sale a year ago can appreciate what this announcement means. That shoe sale was the greatest thing of its kind ever known to the Richmond shoe trade. We were swamped with business, and our store was the scene of a veritable crush of bargain seekers from the opening to the closing day of the sale. Nor did they seek in vain. They found that here, for once, was an advertised "sale" that was all it was claimed to be, and more too. Hundreds of strangers who visited our store for the first time during that sale, attracted by the extraordinary bargains offered, were so well pleased that they have remained our regular customers ever since. **WE PROPOSE TO MAKE THIS SALE GREATER THAN THE LAST! WE ARE GOING TO SELL MORE SHOES AT A LESS PRICE THAN WE EVER DID BEFORE.**

Don't confound our great Annual Clearance Sale with the little ten and twenty per

cent. reduction sales you meet with now and then. **WHEN WE CUT PRICES, WE DO IT RIGHT!** The cost or value of the goods is wholly ignored. Our new Spring goods are coming in rapidly and are the finest stock of Shoes ever shown in Richmond. It is the fixed policy of this store not to mix old goods with new, and we have put a price on **FIFTEEN THOUSAND DOLLARS' WORTH OF CHOICE SHOES, RUBBERS, ARCTICS, ETC., FOR MEN, WOMEN AND CHILDREN, THAT WILL ABSOLUTELY INSURE THEIR DISPOSAL DURING THIS GREAT SALE!** There's nothing the matter with the goods. The only reason we're offering them for sale at these prices is because we need the money, and prefer to take our loss on them now rather than carry them over with the new stock. It is impossible, in an article of this kind, to mention more than a few of the immense bargains, but the following will suffice to give you an idea of the saving of money this sale means to you if you take advantage of it in time to secure a good fit from the best selections.

You will be well repaid if you travel twenty-five miles to attend this sale. We always live up to our motto of "BETTER SHOES FOR LESS MONEY" than can be found elsewhere; but, of course, we nor anyone else can sell shoes at or below cost **ALL THE TIME**. It is only under extraordinary circumstances, such as these, that the public gets an opportunity to buy shoes on that basis. You can, however, lay in a year's supply for the whole family at these prices while the sale lasts, and if you have the surplus money on hand to do it, there is no place where you can invest it so as to render you half as big a return. All sale prices are strictly cash. No goods charged except at regular prices.

Don't fail to attend this Greatest Bargain Shoe Sale ever conducted in Richmond!

The store will be kept open every evening during the sale to accommodate those who cannot attend during the day.
