

INDEBTEDNESS OF CAMBRIDGE REDUCED

During Past Year the Town Board Has Lowered the Amount Considerably.

OWES LESS THAN \$20,000.

IT IS CONFIDENTLY EXPECTED THAT WITHIN TWO YEARS THIS WILL HAVE BEEN ENTIRELY WIPED OUT.

Cambridge City, Ind., Jan. 30.—The annual report made by the finance committee, Fred Storch, Frank C. Mosbaugh and Jno. E. Gray to the board of town trustees, is a matter of much interest to the tax payers of Cambridge City. The very careful and judicious management of the towns affairs, by the present board has most certainly worked marvels. At the beginning of the year 1907 the total indebtedness of the town was \$24,570.40. The receipts from the taxes being less than in years previous on account of a reduction of the tax levy of 21 cents, yet the board was able to make the surprisingly large reduction in the towns debt, during the year of \$4,981.90 with an amount of cash on hand on Jan. 1, 1908 of \$6,111.50 with which to meet the current expenses until July 1.

With the beginning of the year 1908 the total debt of Cambridge City is something less than \$20,000, while to its credit the town now has property assets aggregating an expenditure in the past of more than \$105,000. At the close of the present fiscal year, barring accidents or some unforeseen calamity, it is confidently expected that the city's financial obligations will be reduced to less than \$15,000 and in two years more, with the same good management, be almost if not entirely wiped out. It is the present determination of the town trustees to not indulge in any public expenditures during the current year, that will lead to an augmentation of the money loan and bonded debt of the town, or that cannot be paid out of the current revenues. There is, however, one needed improvement, that has been talked of for a long time among citizens which it is believed is more desired by them than any other, and which should be accomplished, and that is a cement walk from Main street East, Cambridge to Riverside cemetery.

HIGH TRIBUTE IS PAID NICHOLSON

State Board of Charities Adopts Resolutions Praising Work of Local Man.

MUCH IS DUE TO HIM.

HIS WORK WAS AN INCENTIVE TO THE OTHER MEMBERS OF BOARD WHO LABORED WITH HIM IN IMPORTANT WORK.

High tribute was paid to Timothy Nicholson, of this city at the meeting of the board of state charities. The designation of Mr. Nicholson, who has been a member of the board since it was organized was accepted formally. Mr. Nicholson sent his resignation to Governor Hanly several days ago. He resigned principally on account of his advanced age.

The board adopted a minute praising the work which has been done by Mr. Nicholson.

His Services to Charity.

The minute, which was introduced by Demetrius C. Brown, state librarian follows:

Timothy Nicholson has been a member of the board of state charities since its organization, in 1889. He has given his time and services to the state unreservedly and faithfully. The results are clearly visible in the progress made by charitable workers in Indiana. Not only in Indiana has his influence been felt, but in the country at large as an attendant upon the National conference of charities and correction and the National Prison association. Of the former he has been the honored president. Now, that he retires from this board, we, as individuals and as a board, desire to make a minute of our profound respect for him and his services to the unfortunate of our commonwealth. His good work will be an incentive to us. We regret deeply his retirement.

Timothy Nicholson has also for forty-two years been a member and chairman of the committee on prisons, jails and charities of the Friends' yearly meeting. His knowledge of the subject is therefore extensive. This has enabled him to serve the people intelligently. We think it appropriate to commend his life to all citizens who wish to serve the commonwealth.
