

the vice president, which statement was greeted with applause. Mr. Kern was brief in introducing Bryan as the next president. He declared Bryan would be made president, surrounded by a united party that would enable him to carry out his policies and his platform. He asserted that President Roosevelt had been hampered by his party in every attempt he has made to carry out reforms.

Bryan did not begin speaking until shortly before midnight.

## SENSATIONAL POLO GAME LAST NIGHT

Gaar, Scott Team Defeated Starrs in Six and One-Half Hours.

## YELLS ARE IN EVIDENCE.

HARRY GILBERT AND HARRY GENNETT WITH SLEDGE HAMMER AND TUNING FORK LEAD DELIRIOUS ROOTERS.

In one of the fastest, fiercest and most ferocious polo games ever pulled off in the coliseum, the Gaar, Scott team last night defeated the Starrs in six and one-half hours.

The match was the result of an exchange of courtesies between the respective teams dating back about a week when, becoming aware of the existence of the redoubtable Gaar, Scott team, the renowned Starr Polo team sent the former a challenge. The manager of the Gaar, Scott team accepted.

The game was pulled off on time last night about seven o'clock, Harry Parry acting as referee. The attendance was about 200, equally divided into "rooters" for the respective teams. Harry Gilbert, cheer leader for the Gaar, Scott's, lead some very effective rooting for his team with the aid of a sledge hammer, piffed from the foundry, and Harry Gennett, cheer leader for the Starrs, did equally well with his "rooters" with the aid of a tuning fork. The Gaar-Scott yell that afforded so much encouragement to their team, went as follows:

Gaar-Scott, Gaar-Scott, we're on top, Watch us make those planists hop.

To this the Starrs responded with their inspiring yell of:

Harmonious music, we're all right, We'll knock the threshermen out of sight.

The game was fast and furious and lasted only six hours and a quarter. During that short space of time there was some splendid playing and several new stunts, never before seen by a polo audience, were tried by both teams. The excellent team work displayed on both sides was much commented upon. Once during a particularly interesting point of the game the ball was in the center of the floor and both teams made a rush for it. When the smoke of battle had cleared away and the opposing teams had stopped their mad rush the ball was discovered reposing peacefully in the same place in the middle of the floor. In one of these sensational dashes Carl Pierson, came in contact with an opponent's club and took the count, being unable to finish the game. The line up of the two teams follows:

Starr Planos. Gaar-Scotts.  
Pierson, 1st R. ... Granite  
Pfeiffer, 2d R. ... V. Newman  
Mote, 3d R. ... R. Newman  
Downman, 4th R. ... H. Hewitt  
Meyers, 5th R. ... G. Buhl  
Referee—Parry.

## THIS MAN HAD ONLY THIRTY-TWO WIVES.

London, February 18.—Arthur Hynes, the polygamist, who now admits that he is Witzhoff, is publishing his memoirs in the London Evening News. He declares the number of his wives is 32, but admits he got money from hundreds of others by promise of marriage. He also admits cynically that the only motive in each marriage was money. Witzhoff left a majority of his wives two or three days after the marriage.

When in St. Louis, Mo., he corresponded with the object of matrimony with eight women at the same time. He married four of them.

He further declared that one professional matchmaker, living on the corner of Twenty-eighth street and Eighth avenue, in New York, introduced him to 15 girls, from whom he obtained cash on a promise of matrimony.

## SHRINE AT LINCOLN'S BIRTHPLACE PROPOSED

To Protect Relics Which Tell of His Life.

Washington, Feb. 18.—Mr. Madden, of Illinois, introduced a bill appropriating \$100,000 to be paid to the Lincoln Farm association to build on the Lincoln birthplace farm in Kentucky a national patriotic shrine which shall consist of a memorial hall costing not more than \$250,000, of which sum \$100,000 shall be paid by the association. According to the terms of the bill the hall is to protect "the humble log cabin in which Abraham Lincoln was born and all such other relics as tell the story of the yeomanry life out of which Lincoln came." The memorials are to be dedicated in 1909, the centennial of the birth of Lincoln. It is stated in the bill that \$100,000 already has been raised by the association.

## IS SUCCESSFUL AS A HORSEMAN

Lawrence Commons of Near Centerville Has Had Remarkable Career.

## BEGAN AT THE BOTTOM.

SINCE THAT HE HAS TRAINED AND DRIVEN MANY WINNERS—PROSPECTS FOR THE PRESENT YEAR EXCELLENT.

Centerville, Ind., Feb. 18.—Lawrence D. Commons, proprietor of the Commons Stock farm, near this place, is one of the most successful men in the horse business in Indiana, having developed, campaigned and sold many high class trotters and pacers. He is a trainer, driver, owner and breeder and in each capacity has demonstrated his fitness and ability.

Commons began at the bottom of the ladder, making a study of the horse business even when it was necessary for him to devote a greater part of his time to farm and daily work, for even at that time he had a few standard bred mares that were raising him a nice lot of colts each year, and at odd times a portion of his time was used in breaking and handling these youngsters. Whenever one of them was sold the money was used for improvements in quarters for the others and the first good sale of a year-old by Anderson Wilkes, built his first large farm. Through the sale of colts the progress and development of the Commons farm has been brought about until now its name is familiar to all horsemen throughout the middle West.

Likes Anderson Wilkes.

Mr. Commons is owner of Anderson Wilkes, 2:22 1/4, a great old stallion, to which he attributes much of his success, and which would be a famous animal had he never sired any other than Effie Powers, 2:08 1/4, only one of several to his credit. Anderson Wilkes has sixty in the list, the pacers being headed by Effie Powers, 2:08 1/4; Theron Powers, 2:08 1/4; Sophia, 2:09 1/4; and the trotters by A. J. D. 2:20 1/4; Grace Keller, 2:09 1/4; and Maggie Anderson, 2:11 1/4. Colts by Anderson Wilkes are all good individuals, race well and come to their speed early, and, despite his age, he is still in robust condition.

His first purchase in the horse business, an event that he recalls with the greatest interest and pride, was when he was a mere lad. It was a mare by Bay Wilkes, 2:09 1/4, first dam by Glosier. The purchase was made at the John S. Lackey sale at Cambridge City. Ever since that time he has been both a purchaser and a seller at these annual events, and has made a considerable profit for the sale that is to take place in March. Commons has a number of good prospects for 1908, and he will be found as usual, campaigning a good stable of trotters and pacers. He confines his racing largely to the tracks of Ohio and Indiana. In his career as a driver he has given marks to a score of horses, in the list being The American, 2:21 1/4; Christine Bright, 2:20 1/4; Dr. W. W. Z., 2:14 1/4; Billy Purcell, 2:19 1/4; Anderson W., 2:13 1/4; and Electro Hal, 2:19 1/4.

## NO CASE ON RECORD

There is no case on record of a cough or cold resulting in pneumonia or consumption after Foley's Honey and Tar has been taken. It stops the cough and breaks up the cold quickly. Refuse any but the genuine Foley's Honey and Tar in a yellow package. A. G. Luken & Co.

## RUSHVILLE FAVORED

Very Probable That City Will Land District Nominating Convention.

## BRANCH TO BE THERE.

Due to its central location, it is very probable that the pretty little city of Rushville, will be selected by the central committee of the S. A. district at its meeting next Friday at Cambridge City, as the place where the republican nominating convention shall be held.

Shelbyville which is very desirous of entertaining the big gathering, has made the assertion to the various county chairmen composing the central committee, that this city has much better facilities with which to entertain the visitors and even though that city is just a wee bit out of the way, it should be chosen above all others in the district as the convention place.

Rushville disputes Shelbyville's claim that that city is the better entertainer. The war goes merrily on. The meeting of the committee promises to be very interesting next Friday, as delegations from both these cities will appear on the scene of the meeting and demand recognition. Emmett Branch, last speaker of the Indiana house, now candidate for lieutenant governor on the republican ticket will be at the meeting to shake hands with the committeemen and attempt to show them that he is quite the best fellow for the place, which he so much desires to land.

## JUST AFFAIRS OF RICHMOND HIGH SCHOOL

FROM A CO-ED'S VIEWPOINT

The senior class is busted, disgusted and financially embarrassed. It is supposed to entertain the juniors Friday night at a dance at the L. O. O. F. hall, but if present conditions continue that entertainment will surely be postponed. Although the class has many friends, it has no money. The class has the sympathy of the rest of the school for the recent panic has surely affected it badly.

The pupils who take the third year elective drawing have the privilege of taking either the Arts and Crafts course or oil painting. In the former course the students learn stenciling and to do burn leather work.

The high school orchestra at the

present time is probably the strongest in its history. The members of the orchestra are as follows:

First violins—Prof. Earhart, Carolyn Hutton, Clarence Runge.  
Second violins—Marguerite Hasemeler, Fred Rossiter, Vera Woodard, Rodney Foulke.

Flutes—Kenneth Foulke, Royden Park.  
First cornets—Eric Sudhoff, Russell Heitbrink.

Second Cornets—Ralph Hasemeier, Raymond Wiesbrod.

French horn—Castle Hobson.  
Trombone—Blaine Edwards.  
Clarionets—Roland Nusbaum, Bernhard Knollenberg.

Bass—Howard McCullough.  
Drums—Howard Hunt.  
Piano—Ruth Peltz.

## IF HE IS GOOD HENRY MAY BE ALLOWED FREEDOM

Released From Jail, But the Old and Serious Charge Hangs Over His Head and Will for Some Time.

## SECOND HEARING COMES IN APRIL COURT TERM.

If However the Man Acts as He Should, Hearing Will Be Postponed—Henry Case of Sensational Order.

William Henry, charged with shooting with intent to kill his wife and on another similar charge in which it is alleged that his son Clinton, was the intended victim, has been released on his own recognizance from the county jail. His bond is fixed at \$300.

Henry was arrested last September and has been confined at the county jail ever since. During the last term of court he was cited on the charge of having attempted to kill his wife, but the jury in the case disagreed. Evidence brought to light in this trial showed that on the same night Henry was alleged to have attempted to murder his wife he made a similar attempt on his son. After the disagreement of the jury, Prosecutor Jessup filed a charge of assault and battery with intent to kill Clinton Henry.

against the old man. The prosecutor at that time stated that Henry would be tried for the attempted murder of his wife and for the attempted murder of his son.

Henry has been released from custody on a promise of future good behavior. He has been ordered to report to the court at the beginning of the April term, but it is probable that if Henry never again causes any trouble he will not be tried on the charges filed against him. These charges, however, will not be dismissed.

During the hearing of the Henry case all the members of his family sat with Mrs. Henry with the exception of the aged mother of the accused. It appeared as though there was a hopeless estrangement between Henry and the members of his family and it is not known whether he will return to his farm, which is south of Milton.

## INDIANA HAS TWO PRESIDENTIAL ASPIRANTS

South Bend Attorney and Fairbanks the Men.

Laporte, Ind., Feb. 18.—Indiana will have a candidate for the Prohibition nomination for Vice President (Charles F. Hollis, an attorney at South Bend and an orator of more than state reputation who has been honored with a number of party nominations, first as the Prohibition candidate for mayor of South Bend in 1893, as the party's candidate for clerk of the Supreme Court in 1902, for Congress in the Thirteenth district in 1904 and for attorney general in 1906.

His particular claim to distinction lies in his advocacy of the principle that license laws are unconstitutional, and he now has his second case based upon this assumption ready for the Supreme Court.
