NEW CASTLE COMING AGAIN

The management of the Coliseum has received word from Uhrichsville, O. league team that they play at Akron on Friday and will be unable to get back there if they play here on Thursday. The team, however, will be here on Wednesday, March 4. The New Castle, Ind., team with "Bobby" Brooks guarding the cage will probably be the attraction here Friday.

FOUND IN THE WEEDS

Victim of Murder Had Five
Knife Wounds in His
Abdomen.

AN INDIANAPOLIS MYSTERY.

Indianapolis, Ind., Feb. 25.—Samuel Bates, a hunter, found the body of a man in the woods in the White River bottoms west of this city. The police are convinced that the man was murdered. The face was wholly unrecognizable. There were five knife wounds in the abdomen, and the weeds near the body were broken down and trampled as though there had been a struggle.

The man was about 40 years of age. His clothing, though covered with mud, was of fine texture, and a gold watch and fob were in his pocket, indicating that he was not killed for his valuables. On one finger was a gold band ring. There was nothing on the body by which it could be identified. From the condition of the body it is believed that it had lain in the weeds at least two weeks.

BIG LEAGUE TEAMS WILL PLAY IN RICHMOND IN APRIL

Manager Jessup Has Scheduled Games With Indianapolis and Brooklyn National League Teams.

FANS IN INDIANA-OHIO CIRCUIT AWAKENING.

Both at Anderson and Muncie They Realize That Those Towns Will Be Represented In the New Circuit.

Manager Jessup is busily engaged in negotiating for exhibition games during the month of April. He has already booked two Sunday games with big league teams. On Sunday, April 5, the first baseball game of the season will be played at Athletic park. On this date the Indianapolis American association team will be the attraction. With the Watkins-Carr outfit the fans will see Owrie Bush, the fast little shortstop who played with Jessup's all-star team last fall.

On Sunday, April 12 the Brooklyn National league team will appear at Athletic park. This will be a rare attraction and it is predicted that the weather is favorable the largest crowd that ever attended a ball game in Richmond will be in attendance. Manager Patsy Donovan of the Trolley Dodgers, has gathered together a mighty fast aggregation which finished well in the league race last season and are touted to make even a better showing this season.

With the Brooklyn there are Tim Jordan, the great first baseman, Lumley, the star outfielder, Pitchers McIntyre, Scanlon, Stricklett, Pastorious and a number of other stars. President Ebbetts of the Brooklyn club, in a letter to Manager Jessup, stated that he would like to play here either on April 12, May 10 or July 14. Manager Jessup promptly picked the first date as the others come during the I.O. league season.

SOME LEAGUE GOSSIP.

The Shamrocks have not definitely decided whether or not they will accept the Muncie I.O. league franchise. A meeting of the association was held Sunday, but at this meeting the members failed to reach an agreement. It can be authoritatively stated that if the Shamrocks turn the franchise down, it will be handed over to a prominent base ball man in this state who is more than anxious to locate an I.O. league team at Muncie. The Muncie Star prints the following:

Members of the Shamrock Athletic club, which holds the option on the Muncie Franchise in the Indiana-Ohio baseball association, gave out no announcement as to whether they would accept or reject the berth at the conclusion of a meeting held to consider the matter yesterday afternoon. It is understood that some definite decision will be reached today. From the tenor of the talk of the members it is predicted that the Shamrocks will not accept the franchise.

Only one reason for staying out of the league is assigned by the Shamrocks, that being the present condition of prosperity. They fear that league ball in Muncie this season would not be profitable, especially so if it is a big league, thus requiring a large expenditure. The Shamrocks declare, however, that they are willing to assist any person or persons in establishing an I.O. club here and will be pleased to open negotiations of such a character.

A new movement to organize a club at Anderson has been started since Phil O'Neill announced his withdrawal from the association because of his fear of failure. Mart Norton, a wealthy business man and sportsman, of Anderson, is now pushing the project and it is reported that a meeting of business men of that city will be held today for the purpose of organizing a club.

Up at Anderson the fans and press are actually beginning to wake up and realize that the I.O. league promoters are determined to place an I.O. league team in that city. The Anderson Bulletin has the following to say:

"To be or not to be." That question has again popped up in Anderson base ball circles. Anderson was out Saturday and is now out as far as Phil O'Neill is concerned, but Clarence Jessup is an energetic sportsman. Clarence came up here Saturday and seeing that O'Neill is really done with the I.O., proceeds to save the day by get-

ting other Anderson men interested. The I.O. if successful, will be one of the best minor leagues in the state and a few Anderson men have shown their true sportsman blood enough to tackle the franchise. Will Norton and Dal Williams are trying to land the franchise here and are now organizing a stock company of prominent men to support the Anderson club financially. Jessup and all the other I.O. magnates will meet here at the Grand hotel next Thursday and on that day Anderson's fate in the Indiana-Ohio league will be settled. If enough backing can not be secured to put a club in here the Anderson end of it will be all in, but if a stock company is successfully organized, Anderson and probably Muncie will go in and the schedule will be made out at once. If the new plan succeeds every Anderson fan will surely lend earnest support to the league.

TWO TRIPLE PLAYS

Pitcher Glen Liebhardt Tells
Of Unusual Occurrence
In One Game.

WAS IN PACIFIC LEAGUE.

Pitcher Glen Liebhardt, a Wayne county product, who is one of the stars of the Cleveland American League club, tells of two triple plays in one game.

"I've heard of peculiar plays that have won ball games," says Liebhardt, "but I've never heard of any club that won a game by pulling off two triple plays before or since I witnessed the feat myself. I was with Los Angeles in the Pacific National League during the season of 1903 and on this day we were playing the Helena (Mont.) club. The game went along until the sixth inning, with the score 4 to 3 in favor of our club. Joe Thomas was pitching for us, and when Helena went to bat in the sixth inning they filled the bases with no one out. Kid Peoples was at bat and he hit a line drive to Riley at third, who caught the ball, touched third and threw to first, making a triple play. That was certainly getting out of a hole, but the surprise can well be imagined when it was duplicated in the seventh inning. Helena got a man on first and second. Frary was at bat, and he hit the ball down the third-base line. Riley speared the ball, touched the bag and whipped the ball to Hall at second and Hall threw to first completing the second triple play. Talk about noise. The fans went wild. There is nothing peculiar about these plays, and yet I doubt whether there has ever been two plays made like this before or since in one game. The game finished with the score of 4 to 3 and Thomas said it was the luckiest game he had ever won."

Representative Champ Clark of Missouri, one of the most brilliant and eloquent members of the lower house of congress, has been secured to deliver a lecture at the Richmond chautauqua. He will appear here on the afternoon of the last Sunday.

KIBBEYS 5; CRESCENTS 1.

The Kibbeys retained their perfect record and the leadership of the City polo league last night by defeating the Crescents 5 to 1. It was a bang-up game and both teams pulled off some clever plays. The game was rough but by no means dirty. After seven minutes of fast play Fetzner slammed the pill past Geyer for the first marker and in the second period Henley carried the ball the length of the floor and "eased" a beauty in the draperies. Marine carried the ball through the entire Kibbey team and it looked like a sure count for the Crescents until Newman stuck out a foot and stood "Red" on his ear. Henley counted on a pass from Bayer. Marine got away several times and it looked bad for the cravat clerks but Snaveley was "there" and he had to try again. He finally slipped one in for the Crescents only marker. Bayer came back with a sensational back handed drive and Henley drew Geyer from his cage and rolled in the last count of the game.

The Kibbeys team play and defense was of the highest order. Fetzner and Newman saving Snaveley many stops. Bayer and Henley played a fast game on the rush line. Karns and Geyer played well for the Crescents, Marine and Foster being unable to pierce the Kibbey defense. Norman also played a good game. Lineup and summary:

STOGIES BEAT TAILORS.

The Empires put the Krones into the cellar last night by a score of 7 to 5. The game was rough and exciting but the result was never in doubt. The Krones tried to triple rush but it failed to work. In the first period Clark caged three in quick succession and Meyers slipped a lucky one past Moore. In the second there was a regular goal fest, the Krones scoring four times and the stogies three. In the third period the cigar makers scored twice but lost one goal on fouls. Meyers, Fetzner and Haas played the best game for the tailors, Haas at times playing both center and half. Noland and Clark showed up best for the Empires. Jones and Oesting also played well. Lineup and summary:

HOOSIER DRILL WANTS IN LEAGUE

Has Excellent Bunch of Base Ball Players.

The proposition to start a city base ball league has met with approval from at least one source. A team composed mainly of employees in the Hoosier Drill foundry and captained by Jack Bertrand, claims to have a right to enter the league and base their claim on the fact that out of nine games played last season they won eight. In addition to this fact they claim to have some of the best players in the city. Reg, who will pitch, is known to all, as he has played at different times on city league teams. Bertrand is another pitcher, who earned for himself last year the title of "Iron Arm."

In conjunction with these two men the Hoosiers will work Jack Helmick at catch.

The lineup of the team is as follows: Jack Helmick, c; Jack Bertrand, p and 2b; Henry Reg, p and rf; John Holmes, 1b; Lantz, 2b; Robert, 3b; Dick Lane, ss; Busson, lf; Al Heddap, cf; Sample, rf; Hartman, extra.
