

BROOKLYN MANGLED RICHMOND'S BUNCH

National Leaguers Romped
Away With Sunday's Game
By the Score of 8 to 2.

BROWN WAS THE STAR.

LOCAL PITCHER BREEZED MANY
OF THE BIG LEAGUERS AND IN
ALL OTHER WAYS PITCHED AN
EXCELLENT GAME.

(By Tort.)

The Brooklyn National leaguers mangled the local L.O. leaguers yesterday afternoon at Athletic park, 8 to 2, in plain view of about 1,000 of the cream of our citizenship. It was a slow, uninteresting game and while the locals failed to put up anything like a stiff defense, the showing they made against the big leaguers was not so poor when it is considered that the Brooklyn had the advantage of six weeks' training in the South. Jessup's band suffered at first from bad attacks of buck fever and some errors were made just from over anxiety to make a good showing before the fans.

The feature of the contest from a local standpoint was the work of Brown, who twirled the first five innings for the Joesupites. He had perfect speed, curves and control and the National leaguers looked the same to him as some buffalo grass outfit. Brown would slam them into Lindsey's big mit, and he had the Brooklyn batters hitting for his twisters all the time. Six men were whiffed by Brownie and eight hits were harvested off his delivery. While he was in the box Brooklyn also succeeded in getting eight men over the rubber, but three of these tallies would have gone to the discard but for an error by Parker and another by Shinn. It is also a matter of history that had Parker fielded the ball instead of juggling it, six hits instead of eight would have been made off Brown. In the fourth inning Brown won a happy home with the bugs by retreating the opposition by the breezing route. In the sixth Francon relieved Brown and worked nicely for the remaining four innings. Two hits were made off him, but he was slightly wild.

Lumley, the sturdy Brooklyn outfielder, and one of the best batsmen in the National league, furnished the sensations for the crowd. The fans howled their glee when the first time up Brown struck him out. The next two times up, Lumley on each occasion, smote the ball on line drives to the right field fence for three bases. Holmes worked the first eight innings for the visitors and he had the locals eating out of his hands at all times, only yielding two hits. One of the other two hits secured by the L.O. leaguers was used to advantage. Both of these hits were secured off Mr. Finlayson in the ninth. Minzler, first up, drew his base on balls. He was advanced to second on outs by Parker and Burns, then Hedjuk got to first, by virtue of being hit in the kizzard. A passed ball advanced each runner a base, and when little Johnny Bambragh poked a single between first and second, both runners scampered home. Hanna advanced Bambragh to second on a single, but Johnny was caught napping off the bag. Score:

A CLOSE SCORE MARKED GAME

Nationals and X Y Z Did
Battle.

At the Beallview grounds yesterday the Nationals defeated the X Y Z team in a five inning game by a score of 4 to 3. Mull and Dasselman, the National battery, and Wessel and Zeyen the X Y Z battery.

Affairs of the Sporting World

(By Tort.)

Next Sunday it is probable that the Indianapolis Reserves will be the attraction at Athletic park.

The crowd yesterday enjoyed watching McIntyre, the big Brooklyn pitcher knock fungoes. Big Mike Mitchell of the Reds had to beat McIntyre at the Cincinnati field last fall to win the title of champion fungo hitter.

Little Shinn again played a splendid game in the field for the locals. He made one bad error but he made up for this wobble by several pretty catches and by participating with Parker in a fast double play.

With the exception of Shinn the outfield candidates for the local team have failed to show class. Manager Jessup is now on the lookout for a couple of hard hitting outfielders.

Umpire Linhoff, who worked in the game yesterday, is a candidate for a job on President Gamble's staff. His work yesterday was highly satisfactory to both teams. He has a good eye and a good voice.

Last evening the Brooklyn squad in their special car left for Brooklyn where they open the league season tomorrow with the Boston. The war correspondents with the Brooklyn

are confident that the team will finish well up in the race.

After Lumley had poled his second three hagger, which he could have stretched into a home run had he so desired, he retired from the limelight and McIntyre took his place.

Johnny Bambragh played a nice game for the locals yesterday. He accepted all his fielding cleanly and with his little hickory drove in the only two runs made by Richmond.

As soon as that infield of ours settles down and gets to working together well—lookout. Burns messed an easy change yesterday but otherwise his work was good. He also smashed out a pretty double.

The locals did poor work on the bases yesterday. They were careless enough to chances with Catcher Butler's deadly throwing arm.

Lindsey worked the entire game for Richmond. He handled Brown's and Francon's shots nicely and showed the fans that he has a good throwing arm.

The big crowd fairly reveled in the sunshine and the crack of the base hits. It was the first Sunday game of the season and the attendance showed that baseball is as popular here this year as it ever was.

CAMBRIDGE SEASON OPENED SUNDAY

Grays and Little Giants Clash-
ed Resulting in a Win
For the Grays.

THE SEASON WILL BE GOOD

GRAYS HAVE SEVERAL MEN WHO
WILL NO DOUBT COMPOSE ONE
OF THE STRONGEST AMATEUR
TEAMS IN EASTERN INDIANA.

Cambridge City, Ind., April 13—Yesterday marked the opening of the base ball season here, when the Grays handed defeat to the Little Giants on the L. E. & W. grounds, both teams representing this city. Score 14 to 4. The game was merely one of practice for both teams. Manager Moore of the Grays tried out his three pitchers, Boyd, Smith, and Shiverdecker, all of whom showed to be in good trim for the work of the coming season. Philpott, Kerlin and Drischel all south paw twirlers, did creditable work for the Little Giants. The lineup of the Grays has been strengthened by many changes, and the management expects to make it interesting for any amateur organization in this section of the state. The team is captained by "Joey" Weaver, at first an erstwhile member of the Q. B. team of Richmond. Wise, who made such a good showing last season with the Greensfork team behind the bat and also with his high batting average bids fair to even better his record this year. Kelly, the swift little short stop and Smith at second, both ex-members of the Q. B. team showed up in good form at yesterday's try-out. Knapp at third, and Ridge in center field, of Hagerstown and Greensfork respectively, are earnest workers and will without doubt give entire satisfaction. Sharkey Caldwell of Bentonville and Eganert of this city will be seen covering right and left fields in their whirlwind fashion.

The Little Giants have practically the same line up as last year with but a few temporary changes. In a very short time they will be ready to book games with teams of their standing, expecting to keep up their glib edge record of last year, when they lost but 5 games out of the 30 played by them. Even though they were out of their class in yesterday's game, their playing was without fault and this only demonstrates what they will be able to do in a team in their class.

Over 600 people witnessed the game. Manager Moore of the Grays says that there will be a game at the ball park in East Cambridge next Sunday providing the weather is such this week that the diamond can be put in shape.

The Twilight of Life.
The muscles of the stomach in old age are not as strong or active as in youth and in consequence old people are very subject to constipation and indigestion. Many seldom have a bowel movement without artificial aid. Many also have unpleasant eructations of gas from the stomach after eating. All this can be avoided by the use of Dr. Caldwell's Syrup Pepsin, which permanently regulates the bowels so that passages come naturally, and so strengthen the stomach food is digested without discomfort. Druggists sell it at 50 cents or \$1 a large bottle.

PURDUE WON GAME

Defeated Earlham in an Ex-
citing Twelve Inning
Game.

WHITE IN FINE FETTLE.

Purdue took the Quakers into camp Saturday at Lafayette by a score of 2 to 1, but not until the Earlhamites had fought the Boilermakers to a twelve inning finish. White was in magnificent form and the Purdue batsmen could do but little with his speedy delivery. His good work, however, was spoiled by four misplays of his support. Rice twirled for Purdue and the Quakers could do but little with his slants, only tickling him for three safeties.

In the ninth inning, with the score 0 to 0, Earlham made a game rally and succeeded in forcing a man over the rubber. The big crowd thought that this tally was the winning run of the game, but in the last half of the ninth the Boilermakers made a spurt and tied the game up. The infield work of the Boilermakers was fast and clean. Score: Purdue, 2-0-0-0-0-0-1-0-1-2-5-1; Earlham, 0-0-0-0-0-0-0-1-0-0-1-3-4. Batteries—Rice and Rosenbaum; White and Harrell. Umpire—Jones of Crawfordsville.

RICHMOND HIGH SCHOOL DEFEATED

New Madison Hands Out a
Lemon.

The Richmond high school base ball team was handed a lemon by the New Madison team last Saturday at New Madison in the form of a one-sided score of 12 to 5. The Buckeyes got busy in the first inning and before the Quakers realized it they had six tallies on their side of the score sheet to the visitor's none. After this the visitors settled down to hard playing and it is very probable that if the score of the first inning had not been so large the Richmondites would have made a better showing. In the last three innings Allison relieved Bulla and during that short time had six strike outs to his credit.

BEALLVIEW LADS STRONGER THIS YEAR

Trounced Williamsburg Nine
Sunday.

The Beallview team took a hard fall out of the Williamsburg team yesterday on the latter's grounds, winning by a score of 15 to 6. The Beallview nine appears to be stronger than it was last year.

KIBBEYS WALLOPED BY STARR PIANOS

Game Ending 6 to 4 Was Very
Interesting.

Saturday afternoon the Starr Piano team trimmed the Kibbey team at the school grounds to the tune of 6 to 4. The game was highly interesting and well played, despite the fact that the two clubs have had but little practice.

HOUSE BURNED.

The home of Alpheus Williams, one mile and a half north of Williamsburg, burned to the ground this noon. The family were getting dinner when the conflagration occurred. It is supposed that the fire caught from a spark on the roof.

BIG LEAGUE OPEN SEASON TUESDAY

Both National and American
Circuits Will Begin to
Cut Capers.

TEAMS ALL LOOK GOOD.

AT THIS TIME, HOWEVER, IT IS
PURELY A MATTER OF SPECU-
LATION AS TO JUST WHERE
CLUBS STAND AS TO STRENGTH

Opening Games in
Big Leagues Tuesday.

NATIONAL.
Chicago at Cincinnati.
Pittsburg at St. Louis.
Boston at Brooklyn.
New York at Philadelphia.
AMERICAN.
Detroit at Chicago.
St. Louis at Cleveland.
Washington at Boston.
Philadelphia at New York.

Tomorrow the National league and the American league baseball seasons open. All the teams are in the pink of condition and all of them appear to be stronger than last season. In the National league it looks like Chicago would make it three straight champions as the great club which won the world's championship last year, looks to be even stronger than last season. New York will make a strong bid for the pennant. Cincinnati, it is thought will make a better showing.

In the American league there are several clubs that will have a lookin for the pennant. Detroit will be a strong factor but the White Sox, the Cleveland, the St. Louis Browns, the New Yorks and the Philadelphia Athletics will be in the fight from start to finish. Washington and Boston appear to be the only clubs out of the running.

FROM DIAMOND TO SEAT IN CONGRESS

This Is Remarkable Rise of
John K. Tener.

Pittsburg, Pa., April 13.—Almost like a page from "The Arabian Nights" is the story of the life of John K. Tener, who to the surprise of every one, was nominated as a member of congress from the Twenty-fourth congressional district to succeed Ernest F. Acheson. Acheson for fourteen years has held his seat and was supposed to have almost a life claim on it.

Less than twenty years ago John K. Tener was famous only as a National League base ball pitcher. Today, besides being sure of a seat in congress, for the nomination of a republican is as good as an election in the Twenty-fourth district, Mr. Tener is the grand exalted ruler of the Elks, the head of the order in the United States; is known all over Pennsylvania as a progressive banker and his check would be honored without a question for \$1,000,000.

From 1885 to 1889 John Tener was a pitcher for the Pittsburg and Chicago teams, when in 1889 A. G. Spaulding sent a team of ball players around the world and Tener was selected as one of the pitchers.

THEATRICAL CALENDAR.

NEW PHILLIPS.
Week of April 13—Vaudeville.
GENNETT.
Week of April 13—North Bros.
April 18—(Matinee and night)—"The Gingerbread Man."

Vaudeville at the Phillips.
If the week that was started at the New Phillips this afternoon, in vaudeville, is as successful as the one preceding it, the management will be well pleased. The past week was one of the best from a standpoint of patronage the house has had in a long time, as it began with a big audience, ended with one and had several between the two. The bill for this week should be as pleasing as that for last, as it bears the names of some well known performers.

Repertoire at the Gennett.
Commencing tonight at the Gennett a week will be set aside for merry making, on which occasion, the famous North Brothers comedians, will hold the boards. Some great oracle has said that a man without an object in life is like a ship at sea without a rudder. The management of North Brothers, comedians, has just one object in life and that is to make North Brothers the biggest and best popular priced show on earth. They want you to enjoy the evening spent in seeing them. They want you to say "They are worth seeing." They want you to like them better and cheer louder for them than all others. They want to be your favorites. Ladies will be admitted free on tonight under usual conditions.

Helped Save His Brother's House From Blaze.
A fire starting at the extreme north-eastern end of a hedge fence leading directly to the home of John Haas, a farmer living just south of the Country club, threatened for a time to destroy the farm house and all the buildings on the place. The blaze was discovered Sunday afternoon by two Earlham college girls who immediately informed Mr. Haas. He and his brother Edgar M. Haas, immediately began fighting the blaze as it rapidly spread along the fence, grass and scrubbery in the direction of the house. It was not until the fire reached a break in the hedge that the fighters succeeded in stopping its progress.

Be careful! This concerns you, read carefully. Dr. Caldwell's Syrup Pepsin is positively guaranteed to cure indigestion, constipation, sick headache, offensive breath, malaria and all diseases that stem from stomach trouble.

HOLIDAY DESIRED BY THE AFTERMATH

Would Have All Business Sus-
pended on May 1, "Lawn
Cleaning Day."

SEEKS SANCTION OF CLUB.

IF COMMERCIAL BODY ACTS FAV-
ORABLY ON MATTER, MAYOR
SCHILLINGER WILL THEN IS-
SUE HIS DECREE FOR HOLIDAY.

Tonight when the Commercial club meeting is held, a delegation of ladies representing the Tuesday Aftermath club, will appear before the members and ask that the club endorse the movement of setting aside May 1, as "lawn cleaning day." It is quite probable that the Commercial club will readily extend its endorsement to the movement.

The mayor has assured the Aftermath club that if the Commercial club sanctions the observance of "lawn cleaning day," he will issue a proclamation declaring the afternoon of May 1, a public holiday. The members of the Aftermath club want local business men to close their establishments on the afternoon of May 1 between the hours of 3 and 6 o'clock so that all their employees can go home and lend a hand in assisting other members of their families in cleaning the lawns.

This evening the club members will hear an interesting address by Hon. Alfred Potts of Indianapolis on the subject of "The Drift in England." The club will also transact business of importance.

JUDGE CHANGES MIND IN REGARD TO GIRL

Sentences Eva Davis to Girls'
Reform School.

Judge Fox of the juvenile court, changed his mind in regard to Eva Davis, the fifteen year old incorrigible and after he had heard more of the evidence against the girl, ordered her sent to the girls' reform school. Mrs. Candler, city missionary and probation officer, took the girl to Carmel today. Friends believed her incarceration will prove to her advantage and work a reform.
